Les Chroniques de la Lune noire - Tome 22 - La Forteresse d'Opale Dargaud

La baron Wismerhill et ses copains se retrouvent aux prises avec les morts-vivants de Der Hem Shelbem - une armée de soldats putréfiés et autres créatures hideuses dirigés par un Prince du même acabit. Commentaire de nos héros : "Boudiou, y craint, le bestiau." Le combat est terrible, et Wis semble mal parti, quand Haazheel Thorn arrive à la rescousse et désintègre les putréfiés. Commentaire : "Ça fait tout de suite plus propre." Suite à cette petite virée, Wis est investi des pouvoirs magiques du Prince et

hérite de son fabuleux trésor. Pendant ce temps, l'Ordre de la Lumière se dresse contre l'empire et Fratus magouille pour devenir empereur à la place de l'empereur. Attitude arrogante qui déplaît à ce dernier, et également à Parsifal, commandeur de l'Ordre de la Justice. Voilà donc l'armée impériale et celle de Parsifal sur le pied de guerre. Visions d'horreur, trognes d'épouvante, images baroques - cette série de SF fantastique nous entraîne dans une épopée flamboyante dont la drôlerie tient au décalage entre l'image (grandiose) et la totale désinvolture des héros.

The Black Moon Chronicles - Volume 1 - The Sign of Darkness Jabberwocky Literary Agency, Inc.

In the Broken Moon series finale, Ren embarks on one final mission: find Asher, free Liam, and escape the Corps' reach. But a

war is brewing, and Ren is drawn into the conflict. With his friends by his side, he must make a choice that will affect the future of his found family and cluster forever.

The Devil's Paintbrush Simon and Schuster

The first book from the Chicago author of the “stunning” Building Stories (The New York Times) is a pleasantly-decorated view at a lonely and emotionally impaired “everyman,” who is provided, at age 36, the opportunity to meet his father for the first time. “This haunting and unshakable book will change the way you look at your world.” —Time magazine “There’s no writer alive whose work I love more than Chris Ware.” —Zadie Smith, New York Times bestselling author of Swing Time An improvisatory romance which gingerly departs itself between 1890's Chicago and 1980's small town Michigan, the reader is helped along by thousands of colored illustrations and diagrams, which, when read rapidly in sequence, provide a convincing illusion of life and movement. The bulk of the work is supported by fold-out instructions, an index, paper cut-outs, and a brief apology, all of which concrete to form a rich portrait of a man stunted by a paralyzing fear of being disliked.

Gleaming: the Art of Laia Lopez Macmillan

Discover Ed Greenwood's first Forgotten Realms novel—a captivating Shandral's Saga tale about an ordinary woman bestowed with extraordinary powers Shandril of Highmoon, an orphaned scullery maid, dreams of a life of adventure and excitement far from the drudgery of her daily tasks. On a whim, she runs away to seek adventure, unknowingly setting a course for the grotto of the most feared creature in the Realms. The dracolich is shrouded in unspeakable evil that can be defeated

only by a power equally as strong. Thanks to enchantments created by the great mage Elminster, the only magic strong enough to triumph must be channeled through Shandril’s own body. With the enormous burden of saving the Realms now on her shoulders, Shandril finds the adventure she sought—as well as death, terror, and love.

From two of the greatest imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling The Uncanny X-Men adventures, merge in what must be the fantasy event of the year. In Shadow Moon, war and chaos have gripped the land of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. "When I wrote the story for Willow, I began with the pre-story," Lucas said, "but the full story was yet to be told." Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of

speculative fiction.

Les Chroniques de la Lune Noire - Tome 1 - Le Signe des Ténèbres Spectra

Black holes are undoubtedly one of the most fascinating discoveries of modern astronomy, and their description one of the most daring intellectual feats of modern times. They have already become legendary, forming the basis of many myths, fantasies and science fiction movies. Are they really the monsters which devour light and stars; bottomless celestial pits into which all matter is sucked and crushed? Are they an observable reality, or are they just hypothetical objects from the theory of relativity? In answering such questions the author takes us on a fabulous journey through space and time. Dr Jean-Pierre Luminet is an astronomer at Meudon Observatory in France, a specialist on the subject of black holes, and has also acquired a reputation for being a gifted writer and communicator. In this book he makes the subject of black holes accessible to any interested reader, who will need no mathematical background.

"A complex, layered and hugely enjoyable story" -Bestsf "Lovely work" -Locus When a mysterious message arrives from vanished New Atlantis, a restless Mai undertakes the perilous journey to its drowned isles. But the journey is long and hard: through the Blasted Plains and the ancient cities of Tyr and Suf, through

shipwreck and wilderness. For this is a world where ants develop inexplicable weapons, where a lonely robot lives surrounded by cats in the ruins of old Paris, and where floating coral islands host sleeping sentience. Mai's journey takes her by land, sea and air to the islands of New Atlantis, and to the nightmare prison buried underneath old London. On her way she will find heartbreak and love - and a new life, awakening. PRAISE FOR NEW ATLANTIS "Excellent... not a word is wasted" -Sfcrowsnest "Amazing" -1000yearplan "A wonderful, imaginative story" -SFRevu PRAISE FOR LAVIE TIDHAR Winner - The World Fantasy Award Winner - The John W. Campbell Award Winner - The British Fantasy Award Winner - The Jerwood Fiction Uncovered Prize Winner - The Neukom Literary Arts Award Winner - The Kitschies Award Winner - The BSFA Award "Tidhar is a genius at conjuring realities that are just two steps to the left of our own." -NPR "Tidhar changes genres with every outing, but his astounding talents guarantee something new and compelling no matter the story he tells." -Library Journal "In a genre entirely of his own, and quite possibly a warped genius." -Ian McDonald, author of River of Gods "One of the foremost science fiction authors of our generation." -Silvia Moreno-Garcia, author of Gods of Jade and Shadow "Already staked a claim as the genre's most interesting, most bold, and most accomplished writer." -Locus "One of science fiction's great voices." -Starburst

Shadow Moon Dargaud

Alors que son doppelganger prisonnier des Enfers retrouve une familière connaissance, et que Methraton traque sans relâche les Princes Démons, l'Empereur Wismerhill règne d'une main de fer sur Terra Secunda. Nul mieux que lui ne sait à quel point les

forteresses de chair sont plus solides que celles d'acier pour sécuriser son empire, et qu'il est important de s'entourer des meilleures guerrières pour composer sa garde rapprochée... Fabrice Angleraud sert avec sa virtuosité folle le scénario dantesque de François Froideval.

The Martian Chronicles Europe Comics

Protéger ses frontières et sceller de nouvelles alliances, s'occuper des jalousies des favorites, calmer les ardeurs d'extrémistes d'un culte qu'on a soi-même initié, dompter des démons familiers, lever de nouvelles armées toujours plus puissantes, lancer les plans d'une forteresse de légende, et en plus devoir former et éduquer un enfant-dieu aussi innocent qu'effroyablement tout-puissant... Une semaine ordinaire dans la vie de l'empereur absolu Wismerhill !

The Black Moon Chronicles 16. Terra Secunda (Part 2/2) Dargaud

When tienne meets Odile, she inspires him to transform his future into something worthy of her, but destiny will force the young lovers apart.

With almost a million followers on Instagram this is the most personal book of artist Laia López to date. In her own words: From recreating my dad's arts and crafts to releasing my own art book. All the way from Barcelona, I present this book, the result of no small amount of hard work, love and dedication, a publication to share some of the work I've put out on social networks. Inside you'll find a compilation of my favorite illustrations to date, as well as some unpublished creations. Gleaming is a little piece of me I give to you, in which I explain my methods and techniques, tips, anecdotes and the intentions

hidden away behind my projects, so you can see just how intensely art shines in my day-to-day life.

The Fairy Universe Dundurn

In 1969, humankind set foot on the moon. Neil Armstrong, Edwin "Buzz" Aldrin, and Michael Collins carried the fire for all the world. Backed by the brightest minds in engineering and science, the three boarded a rocket and flew through the void--just to know that we could. In *Apollo*, Matt Fitch, Chris Baker, and Mike Collins unpack the urban legends, the gossip, and the speculation to reveal a remarkable true story about life, death, dreams, and the reality of humanity's greatest exploratory achievement.

Shadow Star Spectra

La destinée du Baron de Wismerhill, maître et seigneur de Moork et d'Orkher, semble éclatante. Devenu l'un des plus puissants féodaux de l'Empire, rien ne semble lui résister. Pourtant, à mesure que sa rencontre avec l'Empereur se rapproche, Wismerhill sent cette odeur indicible de souffre et de mort se rapprocher de lui. Bonne chance, Wismerhill...

Spellfire Dargaud

Rupert didn't especially want to be a prince. And he certainly never asked to be the second son of a royal line that really didn't need a spare. So he was sent out to slay a dragon and prove himself-a quest straight out of legend. But he also discovered the kinds of things legends tend to leave out, as well as the usual

demons, goblins, the dreaded Night Witch-and even worse terrors hidden in the shadows of Darkwood. Rupert did find a fiery dragon-and a beautiful princess to rescue. But the dragon turned out to be a better friend than anyone back at the castle, and with the evil of Darkwood spreading, Rupert was going to need all the friends he could get.

The Boy Who Loved the Moon Norma Editorial

At the center of the empire was the Oracle... The Oracle announced the coming of the one who would change the world. This is his story. One day, when Heads-or-Tails was out roaming the forest, he comes across a nameless man. He christens him Wismerhill, and from that day forth, the pair are inseparable. They start out on the road of adventure, and sooner or later end up joining a gang of amiable war dogs, feared throughout the land. Wismerhill soon proves his worth, and begins to demonstrate some surprising powers. But just as everything is going well, the light comes, bringing darkness in its wake...

Zenith Dream Dargaud

L'Empire semble victorieux... La discorde ronge pourtant déjà ses rangs. Wismerhill croyait avoir gagné Moork mais les ombres du passé se dressent devant lui, menaçantes, sournoises. Wismerhill est une fois de plus face à son destin. Ceindra-t-il la couronne des ombres? Pourra-t-il faire face aux terribles volontés de l'Aigle bicéphale? se dressera-t-il seul face à l'Empire tout puissant?
