A national bestseller, this lushly illustrated book is an inclusive celebration of inspiring women who transformed the world and created social change. Dead Feminists is a gorgeously illustrated letterpress-inspired book showcasing feminist history with a vision for a better future. Based on the beloved letterpress poster series of the same name, this book brings feminist history to life, profiling 27 unforgettable forebears of the modern women's movement such as Eleanor Roosevelt, Gwendolyn Brooks, Rachel Carson, and more. Across eras and industries, passions and geographies, this collection of diverse, progressive, and perseverant women faced what looked like insurmountable odds and yet, still, they persisted. Dead Feminists, which features a foreword by Jill Lepore, author of *The Secret History of Wonder Woman*, is an illuminating and innovative reminder that women can be extraordinary agents of change. The future is female, but in many ways so is the past. Dead Feminists takes feminist inspiration to a new level of artistry and shows how ordinary and extraordinary women have made a difference throughout history (and how you can too). Featured Feminists: Adina De Zavala Alice Paul Annie Oakley Babe Zaharias Eleanor Roosevelt Elizabeth Cady Stanton Elizabeth Zimmerman Emma Goldman Fatima al-Fihri Gwendolyn Brooks Harriet Tubman Imogen Cunningham Jane Mecom Marie Curie Queen Lili'uokalani Rachel Carson Rywka Lipszyc Sadako Sasaki Sappho Sarojini Naidu Shirley Chisholm Thea Foss Virginia Woolf Washington State Suffragists

Introducing a compelling new activity for crafters and artists, doodlers and coloring book enthusiasts of all ages. Paint by Sticker includes everything you need to create twelve vibrant, full-color "paintings." The images—including sunflowers, a fox, a hummingbird in mid-flight, two boats on the water—are rendered in "low-poly," a computer graphics style that creates a 3-D effect. As in paint-by-number, each template is divided into dozens of spaces, each with a number that corresponds to a particular colored sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing as you watch a "painting" emerge from a flat black-and-white illustration to a dazzling image with color, body, spirit. The pages are perforated for easy removal, making it simple to frame the completed images.

work as a fine artist with the instincts and references that color his passions of tattoo and graffiti art, JK5 has an expansive, textured, and highly individual visual vernacular. Whether as a painter, illustrator, calligrapher, or designer, JK5 is preoccupied with the collision of personal and revelatory themes with profound pop-cultural iconography, resulting in a powerful and readily identifiable style. This creatively designed monograph features work that extends from paintings on canvas to plastic vinyl toys, from storyboards for animation films to collages and scratch cards, and from outlines for tattoo work to a vast collection of sketchbooks—each completed with such regularity that they serve as a kind of artist diary, recording his changing preoccupations and varying visual interests. Edited by the artist—with contributions from fellow artists Mike Giant and Kenzo Minami—and designed to reflect the varying and tactile nature of the work, this is an artist's book that will exist as a unique and collectible object in its own right as much as a record of the remarkable output of one of the most prolific voices in contemporary art.
