Training With Miss Abernathy: A Workbook for Erotic Slaves and their Owners, available this August from Greenery Press, offers a course of study that will help anybody who enjoys servitude to become a better, more desirable and happier slave. A detailed sequence of self-tests, exercises, reading material and projects guides the slave or slave-to be from the basic ("What Kind of Slave Am I?") through the sophisticated ("Advanced Butling"), with plenty of stops along the way for fun ("Personal Care I: Shaving, " "Sexual Service I: Erotic Touch, " "Sexual Stamina: Controlling Orgasm.")

Is the White Man Still the Devil? Greenery Press (CA)

Adult babies, sassy schoolgirls, bratty teens - all hold an honored place in the erotic roleplaying imagination of many adults. You'll learn how to express yourself through your ageplay role, choose a level of play that feels safe yet exciting, negotiate to be sure your needs get met, and find great props and equipment to inspire your play.

The Heart of Dominance CreateSpace

Look beyond the fantasies of whip-cracking dominatrixes and cowering slaveboys, and you'll find real women and men in caring, consensual female-dominant relationships. Yet, given that social norms grant the majority of power to men, how do these relationships work? TammyJo and Fox have been building their female-dominant relationship for many years, and have gathered their most important discoveries and theories into this important manual. You'll learn: - how to take your roles beyond the bedroom - the role of rituals, contracts and protocols in day-to-day femdom life - how to achieve training and growth that complement the nature of the relationship - how each individual can get his or her needs met within the context of a consensual disparity in power - how to integrate fetish desires into the relationship - how to cope with the realities of life (illness, work, family) without losing touch with the relationship ... and much more.

A "hot, hilarious, and engrossing" porn star memoir. "Akira is the Galileo of women's sexuality" (Alissa Nutting, author of Unclean Jobs for Women and Girls). After earning a good living by stripping and working as a dominatrix at a sex dungeon, Asa Akira built up a reputation for being one of the most popular, hardworking, and extreme actors in the porn business, winning dozens of awards for her 330+ movies, including her #1 bestselling series "Asa Akira Is Insatiable." In *Insatiable*, Akira recounts her extraordinary life in chapters that are hilarious, shocking, and touching. In a wry, conversational tone, she talks about her experiences shoplifting and doing drugs while in school, her relationship with other porn stars (she is married to one) and with the industry at large, and her beliefs about women and sexuality. *Insatiable* is filled with Akira's unusual and often highly amusing anecdotes, including her visit to a New Hampshire sex shop run by a mother and son. One of very few articulate voices writing from the inside, Akira has something important, controversial, and astonishingly interesting to say about sex and its central role in our lives and culture. "Akira is not only passionate about the porn industry, she is shameless, funny and even endearing." —Susannah Cahalan, *New York Post*, Best Books of the Year "Each chapter is filled with brutal honesty and self-deprecating humor. It's touching, inspiring, and flies in the face of a lot of people's preconceptions about the life of an adult film star." —Vice "Her book is a lot like her porn: raw, brutal and always unflinching." —Salon.com

This book is for men who worship women. It's for women who think feminism doesn't go far enough. It's for people of all genders who are fed up with male dominance. The opposite of patriarchy is Gynarchy, but it's not just a simple flip of the script. The Gynarchist must not emulate the same mistakes, or perpetuate the oppressive power dynamics prevalent for thousands of years. This book offers a theoretical background and a simple set of ideas and dynamics for bringing about the downfall of male dominance and ending the brutalization of women. Liberation begins at home. This includes using sex and sexuality to shift the collective psyche. *150 Years of Gynarchy* will deprogram misogyny, heal wounds, balance the scales of history, and lead to a real and lasting equality.

Is it possible to form lasting, healthy, loving relationships that are based on power, control and pain? Of course it is -- if you approach it with common sense, care and affection. Respected scene leader Jack Rinella has carefully explored how BDSM relationships fit into the lives of real people of all genders and orientations. From that research, and his own two decades as an active leatherman, he has assembled this sensible, readable manual about how kinky relationships really work. You'll learn how to decide what you want from a relationship, find partners, distinguish between fantasy and reality, negotiate agreements to accommodate your changing needs and desires, resolve conflicts, and much more.

Sex is boring. Sex is just the same old, same old. Sex just loses its thrill after a while. Wrong! You might have heard such sentiments from other people but chances are they have never honestly tried to make their sex lives more exciting. Using role play, toys, and a little kink, you can transform just another roll in the hay into something downright magical. You can role play with your partner and experience the most intense sexual affairs, fantasies, and fetishes you've never had! In Part 1 of this book, we're going to discuss all the rules, scenarios and energy dynamics involved in "serious" sex games and erotic role playing. You're going to learn how to broach the subject with your spouse, how to get even kinkier with more people (if you want), and how to bring back that spark in your current relationship. Still not sure what to do? Don't worry. In Part 2 of this book, we have listed 125 "Done-for-You" ready-to-use erotic role playing scenarios to get you started. Some of these

scenarios are kinky and wild. Some are romantic and cute. Some are even hilarious and over the top. And it takes all kinds to make for an unpredictable and fun sex life! So go ahead and try them out. You will be pleasantly surprised!

What you will find that follows this introduction is a set of rules and information that you can adhere to in your Dominant / submissive relationship or not. If you purchased the actual book rather than the E-book, you will find each page has the rule listed and a check box for "Yes" and "No" so that you may start off slowly implementing new rules when either an infraction of that particular rule is encountered and needs to be dealt with by agreeing to adhere to the new rule, or say when the submissive has too many minor infractions and because of that a new rule needs to be added to the submissive list of rules they will need to adhere to. Kind of like you do something bad then you have a new rule in your life. It can be quite a lot of fun, just sitting down and reading a rule and each time a new rule is added the submissive life can change dramatically because of it. How you implement the rules or not, is entirely up to you, these are just guidelines, things that we have found have been fun and work well in our relationship, feel free to alter or change a rule to fit your own situations. We have even included a number of pages for you to add your own specific rules that you may have that is not included in our own rules. What you have in the end is pretty much an owner's manual for your submissive husband, what better fun can there be for a submissive husband to know that in his house is a book of rules that he must follow else he may be punished by his Dominant wife. I personally like to leave the book lying around the house just so my submissive husband can see it and know that it is there.

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

The #1 thing men secretly desire of women, yet typically won't admit it. Are you the one who likes to be in control, especially when it comes to making decisions for you and your partner? Do you and your significant other naturally fall into the dominant female and submissive male roles in your relationship, yet do not feel as if you utilize this couple dynamic to its fullest potential? Have you heard of or seen your friends in a female led relationship, the idea peaking your interest, but do not know how to implement this lifestyle into your own daily routine? Through years on end, men have always been the dominant one in relationships, telling the woman what to do, taking care of finances, and typically taking the lead in the bedroom. Because women are quickly becoming more and more aware of the influence they can have on the world and thus breaking out of their shells, female led relationships are becoming increasingly popular in today's modern times, and for a good reason. According to Her Way, having the woman be the dominant partner in a relationship has many benefits, some of which include: A better sex life Improved communication Less pressure on the man to make sure his wife or girlfriend is happy Increased satisfaction in the relationship A relationship based on female dominance isn't solely about the control, but also about how it sets a stronger foundation for both sides of the party. In Female Led Relationship Guide, you will discover: Why a female led relationship doesn't necessarily mean BDSM, and how you can make it work for both you and your partner The key to finding the right balance between the dominant and submissive, and if it's even possible How this couple dynamic can be the solution to intimacy issues, as well as build the foundation for a healthy relationship The #1 thing you must do before beginning a female led relationship, or else it will do you and your partner more harm than good The major

topics of concern to address with your significant other, and how to go about discussing them The shocking reason why men seek out dominant women to take charge in a relationship -- it may not be what you think! The varying degrees of dominance that can cater to anyone's comfort zone and lifestyle And much more. Don't worry, if you and your partner are interested in adopting a relationship built on female dominance but don't want this aspect of your life to be public, you don't have to. How you approach this lifestyle is completely up to you, whether it be something you do only behind closed doors or something you carry out regardless of where you are. Ladies, even if you're unsure about being the dominant one in the relationship and don't know if it suits your personality, the degree in which you dominate your partner depends on your wants and needs. Female led relationships aren't black or white, you can easily form your own perfect combination that will satisfy any and all of your desires. Do your relationship a favor and join the modern version of relationships where women are the ones who take charge. Keep up -- the times are changing! In 1996, Christina Abernathy condensed her considerable wisdom and experience on the topic of consensual erotic owner/slave relationships into a slim, elegant little manual: Miss Abernathy's Concise Slave Training Manual. In 1998, in response to consumer demand, she laid out a detailed program for training the erotic slave in various aspects of service, obedience and proper values, and published it as Training With Miss Abernathy. With more than 30,000 copies in print, these two books have become essential guidebooks to practitioners of consensual dominance and submission. Now, for the first time, they are available in a single, deluxe volume. Featuring a foreword by famed erotic author Laura Antoniou (creator of the "Marketplace" series), and with updated resources and references, Erotic Slavehood will take its place among the basic BDSM reference manuals for anyone with an interest in erotic dominance, submission, slavehood or mastery.

Nothing will prepare you for a life of submission in the same way as your formal training. Submissive training isn't just a "good idea" when it comes to creating a BDSM relationship. It is essential. "Submissive Training: 23 Things You Must Know About How To Be A Submissive" is designed to help you know what to expect when you go through training with a new Dom. Every couple is unique and every Dom may have different ways of teaching you the systems of service he prefers. However, these are the basics all trained subs and slaves learn and employ in daily life. Rushing into a relationship or service contract with a Dom without training puts the future of your time together at risk. All of the arguments, resistance, misunderstandings and hurt feelings that go with a new submissive's experiences can be eradicated by a period designated for learning, listening, trial and error. Even if you have been with a previous Dom you will need to go through an abbreviated training time to ensure your patterns and understandings match one another. Training is a way to "get in the same rhythm" and find the perfect groove. If you are a Dom, this guide is the perfect gift to give to your new sub. If you are a sub, this guide will teach you how to go through your submissive training. As you go through these things on the journey to become the woman you were made to be, you will be tested but you will also be proud, joyful and, perhaps for the first time in your life, you will be at peace.
