BOWERS STEIN

Landmarks of the Deccan SBPD Publications

Presents a consolidated timeline of medieval India by taking into account the period that marked the end of ancient India, and focusing on the importance of the transitory centuries when Delhi had begun to surface as the new power center, triggering prominent trends in thought and institutions. This book analyzes the nature of social forces, complexity of causation and the interdependence of change and continuity in the light of the crucial transition from ancient to early medieval India, with the emergence of the Delhi Sultanate and the Vijayanagar-Bahmani kingdoms. Proceeding to detail the most effervescent period in Indian history - the era of the great Mughals - the text provides an insight into the ideological-philosophical basis of the times, focusing on the Sufi and Bhakti movements, and culminates with the rise of the Marathas, the advent of European companies, and the eventual establishment of the British in Bengal. Keeping in mind that the history of medieval India has not moved in a linear fashion, and that much of the period saw phases of expansion and realignment of political attributes, this book contributes to a deeper understanding of the much misread period of Indian history with a view that takes into account the resultant interface between the political, social, economic, religious and cultural elements and devotes to this crucial period the attention it deserves.

Mediaeval History of the Deccan RAJEEV BANSAL

In *Rebel Sultans*, Manu S. Pillai narrates the story of the Deccan from the close of the thirteenth century to the dawn of the eighteenth. Packed with riveting tales and compelling characters, this book takes us from the age of Alauddin Khilji to the ascent of Shivaji. We witness the dramatic rise and fall of the Vijayanagar empire, even as we negotiate intrigues at the courts of the Bahmani kings and the Rebel Sultans who overthrew them. From Chand Bibi, a valorous queen stabbed to death, and Ibrahim II of Bijapur, a Muslim prince who venerated Hindu gods, to Malik Ambar, the Ethiopian warlord, and Krishnadeva Raya on Vijayanagar's Diamond Throne they all appear in these pages as we journey through one of the most arresting sweeps of Indian history.
