 The World of The Dark Crystal invites fans to delve into the creation and lore of the Jim Henson classic through the evocative illustrations of Brian Froud, concept designer on the original film. Since its original release in 1982, Jim Henson's brilliant film The Dark Crystal has gone on to become a beloved cult classic. The World of Dark Crystal—the original companion art book to the film—was created by Henson and internationally renowned artist Brian Froud to showcase the gorgeous conceptual artwork created for the film and delve deeper into the lore that underpins Thra, the magical world at

the heart of the film. Now, for the first time in over a decade, The World of Dark Crystal is back in print, featuring an abundance of striking art and all of the bonus material from the 2003 Collector's Edition. Also included in this exclusive volume is a fascinating essay by Froud on the creative process behind the making of the film and a facsimile of a booklet presented to the film's early backers—a gorgeous overview of the story so rare only a few original copies exist. Beautiful, imaginative, and powerful, The World of The Dark Crystal celebrates the landmark fantasy film that continues to win new fans more than three decades after its release. The essential biography of the influential and beloved filmmaker George Lucas. On May 25, 1977, a problem-plagued, budget-straining independent science-fiction film opened in a mere thirty-two American movie theaters. Conceived, written, and directed by a little-known filmmaker named George Lucas, the movie originally called The Star Wars quickly drew block-long lines, bursting box-office records and ushering in a new way for movies to be made, marketed, and merchandised. It is now one of the most adored and successful-movie franchises of all time. Now, the author of the bestselling biography Jim Henson delivers a long-awaited, revelatory look into the life and times of the man who created Luke Skywalker, Han Solo, and Indiana Jones. If Star Wars wasn't game-changing enough, Lucas went on to create another blockbuster series with Indiana Jones, and he completely transformed the world of special effects and the way movies sound. His innovation and ambition forged Pixar and Lucasfilm, Industrial Light & Magic, and THX sound. Lucas's colleagues and competitors offer tantalizing glimpses into his life. His entire career has been stimulated by innovators including Steven Spielberg and Francis Ford Coppola, actors such as Harrison Ford, and the very technologies that enabled the creation of his films-and allowed him to keep tinkering with them long after their original releases. Like his unforgettable characters and stories, his influence is unmatched. *The Dark Crystal: Age of Resistance* Boom! Studios

With the end of their quest within sight, Ordon and Fara finally have hope that they will be able to save their respective villages. But the journey home proves just as treacherous, and the two of them may arrive too late to stop the destruction of everything they love...

Jen and Kira's greatest fear has been realized as the Crystal is broken once more. The evil Skeksis have returned, eager to regain their cruel dominance over the world. But as the Gelfling and Skeksis battle for control of the Crystal Castle, Jen pursues those responsible for breaking the Crystal. On their own and on the run, Thurma and Kensho must stick together as they journey across the wildlands of Thra if they are to make it to the Fireling home deep beneath the planet's surface. While they come across faces new and old on their quest, they are unaware of the threat following their trail: The Chamberlain.

Written by Simon Spurrier (The Spire, X-Men Legacy) and Phillip Kennedy Johnson (Warlords of Appalachia) and lushly illustrated by Kelly and Nichole Matthews (Toil & Trouble), *The Power of the Dark Crystal* continues the bestselling sequel to one of Jim Henson's most revered creations.

With the Crystal healed and the Skeksis banished, Kensho and Thurma return to their separate worlds to enjoy the peace they fought so hard to ensure. But when Kensho arrives at the Crystal Castle, the Gelfling look to him to take the place of Jen and Kira as leader of Thra. Unsure if he, or anyone, is fit to rule, Kensho sets out into the wild to rectify the sins of the past and better understand the world he saved. Meanwhile, Thurma strives to rebuild the realm of Mithra as the newly-crowned Ember Queen. But her own quest to decide the future of her land is thrown into question when a Fireling from a noble bloodline makes a claim as the true heir to the throne. Written by Adam Smith (Long Walk to Valhalla) and gorgeously illustrated by Alexandria Huntington, *Beneath the Dark Crystal Volume One* dives deep into the worlds of the Gelfling and Firelings and examines the burden of responsibility that comes with heroism.

*Jim Henson's Beneath the Dark Crystal Vol. 1* Boom! Studios

On a faraway planet, Jen, the last of the Gelflings, is given the mission of restoring a missing shard to the great Crystal and preventing the tragedy of a Skeksis triumph when the Three Suns merge.
