English in Mind Level 1 Student's Book with DVD-ROM Cambridge University Press  
 Playway to English is a four-level course for teaching English to very young children from beginner level upwards. Playway to English uses the SMILE approach: - Skill-oriented learning - Multi-sensory learner motivation - Intelligence-building activities - Long-term memory storage of the language through music, movement, rhythm and rhyme - Exciting sketches, stories and games Children learn to use English confidently through listening and speaking, before they are taught to read or write. Language is presented through video (or audio cassette/CD where video is not available), picture cards, story cards, songs, rhymes and stories. The range of

components and the carefully organised sequence of activities make this a course that teaches English while effectively contributing to children's overall intellectual development, their basic motor skills, and their social and emotional awareness.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. Popular course features have been refreshed with new content, including the imaginative reading and listening topics, 'Culture in Mind', and 'Everyday English' sections. New for the second edition is a DVD-ROM with the Level 1 Student's Book containing games, extra exercises and

videos featuring the photostories' characters as well as a 'Videoke' record-yourself function. There is a full 'Vocabulary bank' at the back of the book which expands upon lexical sets learned in the units.
