 This book
 provides an

informed and
 lively
 introduction to
 the Indian
 novel in
 English which
 is now a
 fixture on the
 international
 literary scene.
 It discusses
 the work of
 major writers
 including

Rabindranath
 Tagore, Mulk
 Raj Anand, RK
 Narayan,
 Salman
 Rushdie,
 Nayantara
 Sahgal,
 Amitav Ghosh,
 Arundhati Roy,
 and Vikram
 Seth.
The New
 Testament of

Our Lord and Saviour Jesus Christ According to the Authorized Version "New" Exoticisms
 If we ask the lay readers why they read newspapers, the obvious answer would be to get news. However, what keeps the newspaper endearing and, in a way, enduring are the longer stories about people behind the news, about the humorous everyday experiences we all have, or the closer look

at someone and the unexpected surprises we get in the process. In short, we call these features. In this substantially revised book on Feature Writing, the author with her vast experience discusses various aspects of Feature Writing. She focuses on different types of features found in newspapers—Humour and Satire, Brights, Human Interest

Features, Travel Features and News Features—and illustrates each of these. In addition, she provides a detailed description of Profiles, Interviews, and Online Features with examples, and gives a clear analysis of Feature Writing Techniques. Intended as a text for students offering courses in Journalism, this book would also be extremely useful for freelance

writers, and anyone who has a flair for writing. What is New to THE SECOND Edition Includes two new chapters on Obituary and Tribute, and Sports and new sections such as Blogs and Professionalism in Journalism. Provides more illustrations culled from recent newspapers. Gives explanatory notes on some key words used in the book, and a section on Vocabulary. What the

Reviewers Say In this delightful book on FW [Feature Writing], Meera Raghavendra Rao brings home to us that writing a story or a novel is one way of discovering sequence in experience, of stumbling upon cause and effect in the happenings of a writer's own life. In my view Meera Raghavendra Rao's book on FW is an exceptionally good and useful book not only for all

students of Journalism but also for all writers interested in FW. —V. Sundaram, News Today The author has used instances from her career spanning more than two decades to illustrate various situations in this book. —Deccan Chronicle The book is a rather exhaustive guide on ways to tell a feature story. Among the other pluses is the Indianness permeating the

book—most sample articles are home-brewn. —The Hindu, Metroplus Weekend Oxford University Press An American widow's intimate travel experiences and observations of India's cities and primitive rural life.

Random House Books for Young Readers Award-winning novelist, poet, and essayist, Lynne Sharon Schwartz returns with

what is perhaps her most personal book yet. These memoirs, gathered under the title of "Intimate Glimpses," are exactly that. Intimate recollections of her life, beginning with her serious heart-valve surgery and ranging back in time, from going to movies as a child, to her relationship with her complicated and challenging parents, her own difficulties with intimacy

and anger, thoughts about long friendships, and the pure delight of grandchildren. It will surprise none of her readers that after a lifetime of playing the piano and moving from place to place for her entire adulthood, she finds a different, richer sort of fulfillment as a middle-aged woman taking African drum lessons in Manhattan. every piece in this wonderful collection is an adventure. In this her twenty-fourth

book, Schwartz remains, as was said of her by Frederick Busch, "precise and unflinching." she is a writer of elegant style and captivating honesty, about herself, those around her, and the world at large. These reflections, certain to move and disturb, enlighten and entertain, affirm that Lynne Sharon Schwartz is one of the finest writers of her generation.

New Statesman Northwestern University Press Meet Anjali! She's the spunky star of this picture book with a timeless message about appreciating what makes us special and honoring our different identities. Anjali and her friends are excited to buy matching personalized license plates for their bikes--but Anjali can't find a plate with her name. She is often teased about her

"different" name, and this is the last straw. Anjali is so upset that she demands her parents let her pick a new name! When they refuse, Anjali decides to take a closer look at who she is--beyond her name--and why being different means being marvelous. Actress and activist Sheetal Sheth has penned a deeply personal picture book about the experience of feeling othered and the journey

toward embracing yourself.

The life and adventures of Joe Thompson, written by himself [or rather by E. Kimber].

Flying Officer Wayne Luthie of the RAF recounts his training and action in World War II. Shot down over Dunkirk, he is captured, tortured, but manages to escape. A first novel.

LITERATURE AS A SITE OF ACTIVISM: A SELECT STUDY OF

WOMEN WRITING IN INDIA

Macmillan
All civilisations have both feared and been fascinated by what lies beyond their limits, and have to a greater or lesser extent construed their “others” as exotics. Given that, even in its most consumerist fashion, the adoption of the exotic goes back a long way, what, then —if anything— is new in contemporary versions of

exoticism?

This volume attempts to offer some answers to this question. The first of its three sections serves as an extended introduction to the concept and practice of exoticism, considering the phenomenon from a number of theoretical and critical positions, explicitly examining —sometimes via significant examples— the particular attributes of exoticism. The second and third sections

are more strictly text-based, relying on the analysis of specific instances of film in the former and literature in the latter, in order to tease out some specific uses of the exotic—whether ethnic, gendered, sexual or other. This volume will be of interest to scholars and students working in the fields of representation, cultural theory, postcolonialism, gender, ethnicity,

sexuality, cinema and literature. *Sisters Under the Sari* Oxford University Press
A collection of critical essays on Salman Rushdie's work. [This Is Where We Came In](#) Infobase Publishing
Shakespeare and Ireland examines the complex relationship between the most celebrated icon of the British establishment and Irish literary and cultural traditions.

Addressing Shakespearean representation of Ireland as well as Irish writers' responses to the dramatist, it ranges widely across theatrical performances, pedagogical practices, editorial undertakings and political developments. The writings of Joyce, Heaney and Yeats are considered, in addition to recent nationalist discourses. In so doing, the collection establishes the multiple 'Shakespeares

' and competing 'Irelands' that inform the Irish imagination. *The New Yorker* Lulu.com Charles Mingus was one of the most innovative jazz musicians of the 20th Century, and ranks with Ives and Ellington as one of America's greatest composers. By temperament, he was a high-strung and sensitive romantic, a towering figure whose tempestuous

personal life found powerfully coherent expression in the ever-shifting textures of his music. Now, acclaimed music critic Gene Santoro strips away the myths shrouding "Jazz's Angry Man," revealing Mingus as more complex than even his lovers and close friends knew. A pioneering bassist and composer, Mingus redefined jazz's terrain. He penned over 300

works spanning gutbucket gospel, Colombian cumbias, orchestral tone poems, multimedia performance, and chamber jazz. By the time he was 35, his growing body of music won increasing attention as it unfolded into one pioneering musical venture after another, from classical-meets-jazz extended pieces to spoken-word and dramatic performances and television

and movie soundtracks. Though critics and musicians debated his musical merits and his personality, by the late 1950s he was widely recognized as a major jazz star, a bellwether whose combined grasp of tradition and feel for change poured his inventive creativity into new musical outlets. But Mingus got headlines less for his art than for his volatile and often provocative

behavior, which drew fans who wanted to watch his temper suddenly flare onstage. Impromptu outbursts and speeches formed an integral part of his long-running jazz workshop, modeled partly on dramatic models like Orson Welles' Mercury Theatre. Keeping up with the organized chaos of Mingus's art demanded gymnastic improvisational skills and

openness from his musicians-which is why some of them called it "the Sweatshop." He hired and fired musicians on the bandstand, attacked a few musicians physically and many more verbally, twice threw Lionel Hampton's drummer off the stage, and routinely harangued chattering audiences, once chasing a table of inattentive patrons out of the FIVE SPOT with a meat cleaver. But

the musical and mental challenges this volcanic man set his bands also nurtured deep loyalties. Key sidemen stayed with him for years and even decades. In this biography, Santoro probes the sore spots in Mingus's easily wounded nature that helped make him so explosive: his bullying father, his interracial background, his vulnerability to women and

distrust of men, his views of political and social issues, his overwhelming need for love and acceptance. Of black, white, and Asian descent, Mingus made race a central issue in his life as well as a crucial aspect of his music, becoming an outspoken (and often misunderstood) critic of racial injustice. Santoro gives us a vivid portrait of Mingus's development, from the racially mixed

Watts where he mingled with artists and writers as well as mobsters, union toughs, and pimps to the artistic ferment of postwar Greenwich Village, where he absorbed and extended the radical improvisation flowing through the work of Allen Ginsberg, Jackson Pollock, and Charlie Parker. Indeed, unlike most jazz biographers, Santoro examines Mingus's extra-musical influences--

from Orson Welles to Langston Hughes, Farwell Taylor, and Timothy Leary--and illuminates his achievement in the broader cultural context it demands. Written in a lively, novelistic style, *Myself When I Am Real* draws on dozens of new interviews and previously untapped letters and archival materials to explore the intricate connections between this extraordinary man and the

extraordinary music he made. *The Indian English Novel* PHI Learning Pvt. Ltd. This book looks at language in unexpected places. Through a series of personal and narrative accounts, it explores aspects of travel, mobility and locality to ask how languages, cultures and people turn up in unexpected places. What renders the unexpected so and how might we

challenge our lines of expectation? *The Anointed One's Trilogy* Multilingual Matters In this collection of impeccably written essays, Schwartz tells us early on that she never thought of her life as a "continuous line" but rather a series of intertwined interrupted experiences. Hers is a life that has been bumped, tumbled, and smoothed by an endless stream of travel, fascinating

people, and books: writing them, pondering them, translating them. Her essays range from musings about the art of translation, the tribulations of major surgery dissected with biting wit, a quest for recovery from the 9 /11 attacks at a music school, and hours spent with friends arguing, drinking and smoking in a neighborhood bar. Her personal narratives range from

humorous childhood (an 8-year-old writer) and troubled revelations to learning to be an adult facing the difficulties of simultaneously writing and raising children. We see her as a daughter struggling to understand her parents through adolescent eyes, a mother startled at the all-consuming demands of motherhood and writing, and as an older adult grappling with mortality.

Throughout, she is painfully honest, funny, and unafraid of difficult truths. Relentlessly candid, subjecting herself to her own sharp scrutiny, Schwartz is willing to confront the confusions of maturing in a changing world. The Third Shore Delphinium Books "New" ExoticismsBRI LL **Language and Mobility** Troubador Publishing Ltd Prophecies

fulfilled, three are born to save two worlds. Evil has a name and has learned of the three gifts that will destroy him. Almighty's anointed ones must find these gifts or both worlds will be ruled by the Evil One. Tillie, Princess of Geiss, is sixteen and has no idea that her mother, Tess, has a secret that will change both their lives forever. The third anointed one, Fin, Prince of

Baume, has always felt like a part of him was missing. He must join Tillie to fulfill their destinies. Will Tillie embrace her destiny, or will she fight it? Will Tess get to Tillie in time to help her understand why she was meant to do great things? Will Fin be able to forgive those who have lied to him all these years? Can the anointed ones get over their fears before the Evil One gains full power?

Salman

Rushdie

Harvard Education Press
Re-Tyred is an evocation of India as the author has experienced it as a volunteer in rural areas and on the streets of Kolkata, with beautiful photographs throughout. In Himachal Pradesh, in magnificent scenery of snow-clad peaks and forested hillsides, the children were as poor as those in Rajasthan, and equally keen to learn. In Kolkata

exists the deep gulf between rich and poor, living side-by-side. The author recalls being impressed by the aspirations of street children she taught, but saddened by traumas suffered by children who had been rescued by the volunteer organisation. Despite their poverty, the energy and resilience of the village and street people was inspiring. The book touches upon the more sinister

aspects of life in poorer areas such as child marriage, violence and lack of opportunity, and in stark contrast describes the colourful and exuberant celebrations of middle-class neighbours in Kolkata, after the author spent four weeks living with a bourgeois Indian family in Jaipur. Re-Tyred paints a vivid and enticing picture of India as a country teeming with life and

enormous vitality, a place where happiness doesn't depend on having everything you want or need, appealing to readers of travel writing and memoirs. *A New General Collection of Voyages and Travels* Vintage Trans Talmud places eunuchs and androgynes at the center of rabbinic literature and asks what we can learn from them about Judaism and the project of transgender

history. Rather than treating these figures as anomalies to be justified or explained away, Max K. Strassfeld argues that they profoundly shaped ideas about law, as the rabbis constructed intricate taxonomies of gender across dozens of texts to understand an array of cultural tensions. Showing how rabbis employed eunuchs and androgynes to define proper forms of masculinity,

Strassfeld emphasizes the unique potential of these figures to not only establish the boundary of law but exceed and transform it. *Trans Talmud* challenges how we understand gender in Judaism and demonstrates that acknowledging nonbinary gender prompts a reassessment of Jewish literature and law. **Saris of India** Houghton Mifflin Harcourt

Samanth Subramanian has written about politics, culture, and history for the *New York Times* and the *New Yorker*. Now, Subramanian takes on a complex topic that touched millions of lives in *This Divided Island*. In the summer of 2009, the leader of the dreaded Tamil Tiger guerrillas was killed, bringing to an end the civil war in Sri Lanka. For nearly thirty years, the war's fingers had reached everywhere,

leaving few places, and fewer people, untouched. What happens to the texture of life in a country that endures such bitter conflict? What happens to the country's soul? Subramanian gives us an extraordinary account of the Sri Lankan war and the lives it changed. Taking us to the ghosts of summers past, he tells the story of Sri Lanka today. Through travels and conversations, he examines how people

reconcile themselves to violence, how the powerful become cruel, and how victory can be put to the task of reshaping memory and burying histories. **After Dunkirk** Astra Publishing House An anthology of prose, selected by the editors, written by women authors from countries that were previously referred to as Eastern Europe, who were born after 1945 and had their texts

published after 1989. **Merry on Little Things** Routledge Time Magazine's Best Book of the Year Booker Prize-winning author Salman Rushdie combines a ferociously witty family saga with a surreally imagined and sometimes blasphemous chronicle of modern India and flavors the mixture with peppery soliloquies on art, ethnicity, religious fanaticism, and the terrifying

power of love. Moraes "Moor" Zogoiby, the last surviving scion of a dynasty of Cochinese spice merchants and crime lords, is also a compulsive storyteller and an exile. As he travels a route that takes him from India to Spain, he leaves behind a tale of mad passions and volcanic family hatreds, of titanic matriarchs and their mesmerized offspring, of premature deaths and curses that

strike beyond the grave. "Fierce, phantasmagorical...a huge, sprawling, exuberant novel."--New York Times From the Trade Paperback edition. *The Moor's Last Sigh* WestBow Press THE GALLERY pursues the question of what it takes for a woman to stand up for herself, through the intertwined lives of Minal and Ellora Sahni, wife and daughter of a successful New Delhi

lawyer, and Maitrye and Tashi, wife and daughter of the office peon at the Sahni law practice. In her new novel, Manju Kapur brings together themes of independence, identity and womanhood by focusing on a set of principal characters who are connected through work and physical proximity, yet separated by class and power. As the women navigate their own desires, they are

forced to re-examine marriage, as well as to consider the role of art as property, value and self-expression. The titular gallery that	Minal opens becomes a powerful symbol of both autonomy and constraint. Set in Delhi and Nepal, The Gallery surveys the	lives of two families over three decades, becoming, in the process, an exploration of sexual freedom and the world of art.
