Sheet Music for Album No. 1, Your Eyes Have Told Me Everything Jim Carter

This series answers the often-expressed need for a variety of supplementary material in many different popular styles. What could be more fun for an adult than to play the music that everybody knows and loves? When the books in the Greatest Hits series are assigned in conjunction with the Lesson Books, these appealing pieces reinforce new concepts as they are introduced. In addition, the motivation the music provides could not be better. The emotional satisfaction students receive from mastering each popular song increases their enthusiasm to begin the next one. With the popular music available in the Greatest Hits series

(Levels 1 and 2), the use of both books will significantly increase every adult's interest in piano study. Two selections from this book are featured on the Royal Conservatory of Music Popular Selection List (2007 Ed.): *The Rainbow Connection *Nadia's Theme

This volume focuses specifically on narrative inquiry as a means to interrogate research questions in music education, offering music education researchers indispensable information on the use of qualitative research methods,

particularly narrative, as appropriate and acceptable means of conducting and reporting research. This anthology of narrative research work in the fields of music and education builds on and supports the work presented in the editors' first volume in *Narrative Inquiry in Music Education: Troubling Certainty* (Barrett & Stauffer, 2009, Springer). The first volume provides a context for undertaking narrative inquiry in music education, as well as exemplars of narrative inquiry in music education and commentary from key international voices in the fields of narrative inquiry and music education respectively.

As seen on public television stations nationwide, a revolutionary new approach to playing non-classical music on the piano. Have you ever wished you could play the piano Well, now you can!

Scott "The Piano Guy" Houston teaches you to play the way the pros play, in a style enormously simpler than traditional classical piano and with an absolute minimum of note-reading. By focusing on playing the melody with the right hand (one note at a time) and simple chords with the left hand, Houston gives you the tools you need for a lifetime of musical enjoyment. Best of all, your tour guide to this adventure forces you to have fun along the way!
