Certain Girls Little, Brown Spark

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a groundbreaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry

Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. The Things They

Carried won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

The Bad Seed Flatiron Books

A Terrible Thing to Waste

Big Brown Bear and Little Bear shared a cosy cave. They shared each other's company and they shared each other's food. Little Bear liked eating edges and Big Brown Bear munched up all the middles. This worked very well until, one autumn day, Little Bear woke up feeling EXTRA hungry and Big Brown Bear woke up

feeling MONSTROUSLY hungry...

A Bad Case of Stripes

packed adventure through his beloved virtual universe, and jolts us thrillingly into the future once again.

Giraffe Problems

Abrams

From the acclaimed author of *Good in Bed*, *All Fall Down* and the forthcoming *Who Do You Love*, a witty and heartbreaking look at love and loneliness. A young married woman happens upon her ex-boyfriend's wedding registry and wonders what life would have been like if she'd ended up with him after

all - only to wake up and find out her dream, for better and worst, has come true. In *Tour of Duty*, a young man visits an ivy league college with his mother who does not know how to tell him that his father has left and is moving out during their weekend away. And in *Kidnapping Nana* two sisters travel to a beach resort and kidnap an older woman so they have a place to stay while they're there - and find an unexpected bond with the older woman in the process.

Billy Twitters and His Blue Whale Problem

HarperCollins

Dark, raw, and very funny, *Problems*

introduces us to Maya, a young woman with a smart mouth, time to kill, and a heroin hobby that isn't much fun anymore. Maya's been able to get by in New York on her wits and a dead-end bookstore job for years, but when her husband leaves her and her favorite professor ends their affair, her barely-calibrated life descends into chaos, and she has to make some

choices. Maya's struggle to be alone, to be a woman, and to be thoughtful and imperfect and alive in a world that doesn't really care what happens to her is rendered with dead-eyed clarity and unnerving charm. This book takes every tired trope about addiction and recovery, "likeable" characters, and redemption narratives, and blows them to pieces. Emily Books is a publishing project and ebook subscription service whose focus is on transgressive writers of

the past, present and future, with an emphasis on the writing of women, trans and queer people, writing that blurs genre distinctions and is funny, challenging, and provocative. Jade Sharma is a writer living in New York. She has an MFA from the New School.

The Skunk Simon and Schuster

Everyone's favorite pranksters are at it again! School's out, and Miles and Niles are running wild in the woods outside town: climbing trees, exploring caves, and, yes, pranking. But these leafy, lazy days of mischief darken when bully Josh Barkin and his cadets from a nearby kids' boot camp discover the merrymakers—and vow to destroy them. Are our heroes' sharp minds any match for these hooligans' hard fists? The latest installment of the witty, on-target illustrated

I'm Glad My Mom Died

Roaring Brook Press
 From the author of *Cog* and *Voyage of the Dogs*, *Weird Kid* is a hilarious and heartfelt homage to everyone who feels like they don't belong. Perfect for fans of Gordon Korman and Stuart Gibbs. Jake Wind is trying to stay under the radar. Whose

radar? Anyone who might be too interested in the fact that he has shapeshifting abilities he can't control. Or that his parents found him as a ball of goo when he was a baby. Keeping his powers in check is crucial, though, if he wants to live a normal life and go to middle school instead of being homeschooled (and if he wants to avoid being kidnapped and experimented on, of course). Things feel like they're going his way when he survives his first day of school without

transforming and makes a new friend. But when mysterious sinkholes start popping up around town—sinkholes filled with the same extraterrestrial substance as Jake—and his neighbors, classmates, and even his family start acting a little, well, weird, Jake will have to learn to use his powers in order to save his town. "The short page count, humor, and action make this a good choice for reluctant readers. A solid purchase for school and public libraries." —School Library Journal
