SLADE DAPHNE

Ballantine Books
52 Familiar Songs - Strictly by the Numbers - These songs have numbered melodies, lyrics and Roman numeral chords. Learn a scale on any instrument and play the melodies right away with this easy to learn "Universal Scale Tab" system. Instructions explain the notation and how to create simple or more challenging arrangements. Why use

numbers? Like do, re, mi, the numbers 1,2,3,4,5,6,7 provide a generic way of referring to the seven notes of the musical scale, in any key, on any instrument. Numbers are truly universal, recognizable in almost every language. Mr. Natural's method takes this system to the next level - including rhythm and harmony. Using numbers, musical patterns and music theory concepts become obvious. The introduction includes suggestions for teachers who want to incorporate this method into their teaching. The index lists songs by note range, number of chords

and meter. A keyboard guide, Mr. Natural's Major Scale Intervalometer, is included.

Really Easy Piano John Wiley & Sons
Really Easy Piano: Olly Murs features 18 easy Piano arrangements of Olly Murs songs, each accompanied by background notes and useful playing hints and tips. These arrangements are perfect for learning pianists who are looking to begin playing quickly, independently and accurately. Olly Murs shot to fame in 2009 as the runner-up in The X Factor, and released his debut single Please Don't Let

Etude Music Magazine Includes music. The Etude A monthly journal for the musician,

the music student, and all music lovers. Really Easy Piano: Olly Murs In his deservedly famous poem The Darkling Thrush Thomas Hardy looks out over a desolate landscape which seems to reflect his own forlorn sense of what the world has become. Against the gloomy backdrop he suddenly sees and then hears a decrepit bird, an old thrush, that holds forth in song. Its cheery note is so anomalous to his dark thoughts that it makes him think the bird must know something he does not. Hence my own title. Since, in a world gone to bloody hell, I find yet much to celebrate, my song is Known By the Darkling Thrush.

Known by the Darkling Thrush Hal Leonard Corporation

This book presents 60 songs and tunes from the American Civil War that were favorites with the soldiers and those at home, arranged especially for the 20-button C/G Anglo concertina. Inside are patriotic airs, marching songs, soldier songs, sentimental ballads and minstrel show songs adapted from the original sheet music, including popular works by Stephen C. Foster, George F. Root, Henry Clay Work and many others. All songs and

tunes include the melody in standard musical notation along with complete lyrics and chords so you can play them on any musical instrument. For those who play the 20-button Anglo concertina, every selection includes an Anglo concertina tablature system that makes it easy to learn and play simple and complex arrangements. The music is arranged for concertina in a variety of styles - single note, simple harmony, octaves, and full accompaniment. All 60 tunes also have a QR code that links to a YouTube video so you can hear and see exactly how each printed arrangement is played. Although the 20-button Anglo only has one row of buttons in the key of C and another row in the key of G, it is far less limited than you might think, and you will be surprised just how much music you can make with it and how so many of these wartime melodies seem to fit perfectly. This book will take you back a hundred and fifty years so you can experience the songs and music of the rallies, the camps, the battlefields and the homes.

Funk & Wagnalls New Standard Dictionary ... Hal Leonard Corporation

Irwin Chusid profiles a number of

"outsider" musicians - those who started as "outside" and eventually came "in" when the listening public caught up with their radical ideas. Included are The Shaggs, Tiny Tim, Syd Barrett, Joe Meek, Captain Beefheart, The Cherry Sisters, Daniel Johnston, Harry Partch, Wesley Willis, and others.
