“El punto de vista de María es poderoso y vital. Hace años, cuando In the Heights empezaba a presentarse en teatros off-Broadway, María corrió la voz en nuestra comunidad para que apoyáramos este nuevo musical que trataba sobre nuestros vecindarios. Ella ha sido una campeona de nuestros triunfos, una crítica de nuestros detractores y una fuerza clave para enfrentar y corregir los errores de nuestra sociedad. Cuando María habla, estoy listo para escuchar y aprender de ella.” —Lin-Manuel Miranda La periodista ganadora de cuatro premios Emmy y presentadora de Latino USA de NPR, María Hinojosa, cuenta la historia de la inmigración en los Estados Unidos a través de las experiencias de su familia y décadas de hacer reportajes, con lo cual crea un riguroso retrato de un país en crisis. María Hinojosa es una periodista galardonada que ha colaborado con las cadenas más respetadas y se ha distinguido por realizar reportajes con un toque humano. En estas memorias escritas con gran belleza, nos relata la historia de la política de inmigración de los EE.UU. que nos ha llevado al punto en que estamos hoy, al mismo tiempo que nos comparte su historia profundamente personal. Durante treinta años, María Hinojosa ha informado sobre historias y comunidades en los Estados Unidos que a menudo son ignoradas por los principales medios de comunicación. La autora de bestsellers Julia Álvarez la ha llamado “una de las líderes culturales más importantes, respetadas y queridas de la comunidad Latinx”. En *Una vez fui tú*, María nos comparte su experiencia personal de haber crecido como mexicanoamericana en el sur de Chicago y documentar el páramo existencial de los campos de detención de inmigrantes para los medios de comunicación que a menudo cuestionaban su trabajo. En estas páginas, María ofrece un relato personal y revelador de cómo la retórica en torno a la inmigración no solo ha influido en las actitudes de los estadounidenses hacia los extranjeros, sino que también ha permitido la negligencia intencional y el lucro a expensas de las poblaciones más vulnerables de nuestro país, lo que ha propiciado el sistema resquebrajado que tenemos hoy en día. Estas memorias honestas y estremecedoras crean un vívido retrato de cómo llegamos aquí y lo que significa ser una superviviente, una feminista, una ciudadana y una periodista que hace valer su propia voz mientras lucha por la verdad. *Una vez fui tú* es un llamado urgente a los compatriotas estadounidenses para que abran los ojos a la crisis de la inmigración y entiendan que nos afecta a todos. También disponible en inglés como *Once I Was You*. Simon and Schuster

From New York Times bestselling author Isabel Allende, “a magical and sweeping” (Publishers Weekly, starred review) love story and multigenerational epic that stretches from San Francisco in the present-day to Poland and the United States during World War II. In 1939, as Poland falls under the shadow of the Nazis, young Alma Belasco’s parents send her away to live in safety with an aunt and uncle in their opulent mansion in San Francisco. There, as the rest of the world goes to war, she encounters Ichimei Fukuda, the quiet and gentle son of the family’s Japanese gardener. Unnoticed by those around them, a tender love affair begins to blossom. Following the Japanese attack on Pearl Harbor, the two are cruelly pulled apart as Ichimei and his family—like thousands of other Japanese Americans—are declared enemies and forcibly relocated to internment camps run by the United States government. Throughout their lifetimes, Alma and Ichimei reunite again and again, but theirs is a love that they are forever forced to hide from the world. Decades later, Alma is nearing the end of her long and eventful life. Irina Bazili, a care worker struggling to come to terms with her own troubled past, meets the elderly woman and her grandson, Seth, at San Francisco’s charmingly eccentric Lark House nursing home. As Irina and Seth forge a friendship, they become intrigued by a series of mysterious gifts and letters sent to Alma, eventually learning about Ichimei and this extraordinary secret passion that has endured for nearly seventy years. Sweeping through time and spanning generations and continents, *The Japanese Lover* is written with the same keen

understanding of her characters that Isabel Allende has been known for since her landmark first novel *The House of the Spirits*. *The Japanese Lover* is a moving tribute to the constancy of the human heart in a world of unceasing change.

[Santa Evita](#) HarperCollins

A passionate tale of love, freedom, and conquest from the New York Times bestselling author of *The House of the Spirits*, Isabel Allende. Born into a poor family in Spain, Inés Suárez, finds herself condemned to a life of poverty without opportunity as a lowly seamstress. But it's the sixteenth century, the beginning of the Spanish conquest of the Americas. Struck by the same restless hope and opportunism, Inés uses her shiftless husband's disappearance to Peru as an excuse to embark on her own adventure. After learning of her husband's death in battle, she meets the fiery war hero, Pedro de Valdivia and begins a love that not only changes her life but the course of history. Based on the real historical events that founded Chile, Allende takes us on a whirlwind adventure of love and loss seen through the eyes of a daring, complicated woman who fought for freedom.

Una vez fui tú (Once I Was You Spanish Edition) Harper Collins

'A terrific novel' Angela Carter Koko won't do what is expected of her. Defying her family's wishes, she has brought up her eleven-year-old daughter alone in her apartment. And now, after a casual affair, she is unexpectedly pregnant again. What will this mean for her already troubled relationship with her daughter? As she faces the future, memories of her own childhood loss flood into her consciousness, threatening to overwhelm her. Combining the beauty and unease of a dream, this haunting novel is an unflinching portrayal of a woman's innermost fears and desires. 'As relevant today as when it was published ... at once powerfully uplifting and achingly sad' Japan Times [Zorro](#) Simon and Schuster

Ema *The Captive*, César Aira's second novel, is perhaps closest in style to his popular *An Episode in the Life of a Landscape Painter* and *The Hare* In nineteenth-century Argentina, Ema, a delicate woman of indeterminate origins, is captured by soldiers and taken, along with her newborn babe, to live as a concubine in a crude fort on the very edges of civilization. The trip is appalling (deprivations and rapes prevail along the way), yet the real story commences once Ema arrives at the fort, where she takes on a succession of lovers among the soldiers and Indians, leading to a brave and grand entrepreneurial experiment. As is usual with Aira's work, the wonder of the book is in the details of customs, beauty, and language, and the curious, perplexing reality of human nature.

El amante japonés / The Japanese Lover Simon and Schuster

Summer Reissues with P.S. The engrossing story of one man's quest for love and for his soul from bestselling author Isabel Allende, now available with P.S. Isabel Allende's first novel to be set in the United States and to portray American characters, *The Infinite Plan* is a vivid tale of one man's search for love, and his struggle to come to terms with a childhood of poverty and neglect. As he journeys from the Hispanic barrio in Los Angeles to the killing fields of Vietnam to the frenetic life of a lawyer in San Francisco, Gregory Reeves loses himself in an illusory and wrongheaded quest. Only when he circles back to his roots does he find the love and acceptance he has been searching for. *A New Reference Grammar of Modern Spanish* Houghton Mifflin

_____ 'An autobiographical meditation on feminism, power and womanhood ... Full of Isabel's wisdom and warm words' - *Grazia* 'In her small, potent polemic . . . Isabel Allende writes about the toxic effects of "machismo", combining wit with anger as she picks apart the patriarchy' - *Independent* 'Allende has everything it takes: the ear, the eye, the mind, the heart, the all-encompassing humanity' - *New York Times* *An Independent, Guardian and Grazia Highlight for 2021* _____ The wise, warm, defiant new book from literary legend Isabel Allende - a meditation on power, feminism and what it means to be a woman When I say that I was a feminist in kindergarten, I am not exaggerating. As a child, Isabel Allende watched her mother, abandoned by her husband, provide for her three small children. As a young woman coming of age in the late

1960s, she rode the first wave of feminism. She has seen what has been accomplished by the movement in the course of her lifetime. And over the course of three marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality. So what do women want? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over their bodies and lives, and above all, to be loved. On all these fronts, there is much work to be done, and this book, Allende hopes, will 'light the torch of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.' _____ 'Her thoughts, language and ideas traverse fluidly through ideas of gender, historic injustices, her marriages and bodily experiences and literary references . . . Allende's love for women is palpable' - Sydney Morning Herald

The Infinite Plan Simon and Schuster

Violeta [English Edition] Ballantine Books

NEW YORK TIMES BESTSELLER • This sweeping novel from the author of *A Long Petal of the Sea* tells the epic story of Violeta Del Valle, a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century. "An immersive saga about a passion-filled life."—People ONE OF THE BEST BOOKS OF THE YEAR: PopSugar, Real Simple, Reader's Digest Violeta comes into the world on a stormy day in 1920, the first girl in a family with five boisterous sons. From the start, her life is marked by extraordinary events, for the ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Through her father's prescience, the family will come through that crisis unscathed, only to face a new one as the Great Depression transforms the genteel city life she has known. Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country. There, she will come of age, and her first suitor will come calling. She tells her story in the form of a letter to someone she loves above all others, recounting times of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Her life is shaped by some of the most important events of history: the fight for women's rights, the rise and fall of tyrants, and ultimately not one, but two pandemics. Through the eyes of a woman whose unforgettable passion, determination, and sense of humor carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional.

The Sum of Our Days HarperCollins

A child of two worlds -- the son of an aristocratic Spanish military man turned landowner and a Shoshone warrior woman -- young Diego de la Vega cannot silently bear the brutal injustices visited upon the helpless in late-eighteenth-century California. And so a great hero is born -- skilled in athleticism and dazzling swordplay, his persona formed between the Old World and the New -- the legend known as Zorro.

The practical, how-to-live talks in this volume show how each of us can discover the limitless inner resources already present within our souls, and bring greater harmony to ourselves, our families, our communities, our world. Topics include: How to Cultivate Divine Love Do Souls Reincarnate? How to Free Yourself from Bad Habits The Yoga Art of Overcoming Mortal Consciousness and Death Practicing Religion Scientifically.

The Izumi Shikibu Diary New Directions Publishing

From one of Latin America's finest writers comes a mesmerizing novel about life of the legendary Eva Peron, the famed wife of an Argentine dictator, told backwards from death to childhood. • Now a 7-part Limited Series on Hulu. Bigger than fiction, Eva Peron was the poor-trash girl who reinvented herself as a beauty, snared Argentina's dictator, reigned as uncrowned queen of the masses, and was struck down by cancer. When her desperate but foxy husband brings Europe's leading embalmer to Eva's deathbed to make her immortal, the fantastical comedy begins. "Finally, this is the novel I always wanted to read." —Gabriel Garcia Marquez

From the NEW YORK TIMES Bestselling author, a gripping murder mystery about a serial killer on the loose in San Francisco. Indiana Jackson is 33 years old and works in an alternative medicine clinic in San Francisco that attracts all sorts of characters, some of them skeptics, who fall for her candor and humility. Her teenage daughter, Amanda likes noir literature and hopes to attend MIT, where she will be with Bradley, an old friend that she plans to marry, with or without his consent. In her free time, she plays Ripper, an online role playing game that involves solving real-life mysteries and crimes using information collected by Amanda's father, the Chief Inspector of the San Francisco police.

Amanda plays the game via Skype with adolescents from all over the world and with her best friend, her grandfather Blake. Each player in the game has a virtual personality: Amanda is the game master, and Blake is her henchman; the others are Sherlock Holmes, Colonel Paddington, Esmeralda, and the psychic Abatha. When Ripper's latest murder mystery—"the case of the misplaced bat"—begins to touch their real-world lives, Amanda and her friends know they must solve the case and find the murderer before he can strike again. RIPPER is a true thriller, with the twists, surprises, well-placed clues, and revelations that lead to a climatic finale. A rich and generous novel, filled with humor but increasingly dark, it's a fast-paced read that grabs you right from the start and keeps you glued to the page.

Malinche Tuttle Publishing

New York Times and worldwide bestselling author Isabel Allende returns with a sweeping novel that journeys from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil that offers "a timely message about immigration and the meaning of home" (People). During the biggest Brooklyn snowstorm in living memory, Richard Bowmaster, a lonely university professor in his sixties, hits the car of Evelyn Ortega, a young undocumented immigrant from Guatemala, and what at first seems an inconvenience takes a more serious turn when Evelyn comes to his house, seeking help. At a loss, the professor asks his tenant, Lucia Maraz, a fellow academic from Chile, for her advice. As these three lives intertwine, each will discover truths about how they have been shaped by the tragedies they witnessed, and Richard and Lucia will find unexpected, long overdue love. Allende returns here to themes that have propelled some of her finest work: political injustice, the art of survival, and the essential nature of—and our need for—love.

The Sexiest Man Alive HarperCollins

A highly personal memoir of exile and homeland by bestselling author Isabel Allende In *My Invented Country* Isabel Allende evokes the magnificent landscapes of her country, a charming, idiosyncratic Chilean people with a violent history and indomitable spirit, and the politics, religion, myth and magic of her homeland that she carries with her even today. The book circles around two life-changing moments. The assassination of her uncle, Salvador Allende Gossens, on September 11, 1973, sent her into exile and transformed her into a literary writer. And the terrorist attacks of September 11, 2001, on her adopted homeland, the United States, brought forth from Allende an overdue acknowledgment that she had indeed left home. *My Invented Country*, whose structure mimics the workings of memory itself, ranges back and forth across that distance accrued between the author's past and present lives. It speaks compellingly to immigrants, and to all of us, who try to retain a coherent inner life in a world full of contradictions.

California Crazy Self Realization Fellowship

An extraordinary retelling of the passionate and tragic love between the conquistador Cortez and the Indian woman Malinalli, his interpreter during his conquest of the Aztecs. Malinalli's Indian tribe has been conquered by the warrior Aztecs. When her father is killed in battle, she is raised by her wisewoman grandmother who imparts to her the knowledge that their founding forefather god, Quetzalcoatl, had abandoned them after being made drunk by a trickster god and committing incest with his sister. But he was determined to return with the rising sun and save her tribe from their present captivity. When Malinalli meets Cortez she, like many, suspects that he is the returning Quetzalcoatl, and assumes her task is to welcome him and help him destroy the Aztec empire and free her people. The two fall passionately in love, but Malinalli gradually comes to realize that Cortez's thirst for conquest is all too human, and that for gold and power, he is willing to destroy anyone, even his own men, even their own love.

Ripper Harper Collins

Erika Hiura leads a strange double life as both a normal high school student and a secretly powerful necromancer whose services are sold to the highest bidder. Her interest in exorcist odd couple Hiyakawa and Mikado seems innocent, but when they're called in to investigate a missing-persons case, the connections between the three may be deeper than any of them realize. Meanwhile, the relationship between Hiyakawa and Mikado continues to evolve in ever more intimate, and disturbing, directions. -- VIZ Media
