Written by the authors that brought you the best-selling book, *Go for No!* their next inspiring fable has finally arrived. *The Diamond Line* is a clever re-imagining of the motivational classic, *Acres of Diamonds*, by Russell Conwell, first published as a book in 1890. Russell Conwell not only believed it was possible for any person to become rich-he believed it was a person's duty to do so. Furthermore, Conwell felt that each of us is standing in the middle of our acres of diamonds-that everything we need to achieve success and personal wealth is right beneath our feet-if only we are able to recognize it. In *The Diamond Line*, You will be taken back to an imaginary moment in time before the book was

written, having the chance to meet some of the greatest icons in history, including PT Barnum, Andrew Carnegie, Frederick Douglass, and several other interesting and enlightening characters.
