How to Shit in the Woods Ulysses Press
 From the acclaimed Nobel Prize winner:
 Two girls who grow up to become women.
 Two friends who become something worse
 than enemies. This brilliantly imagined
 novel brings us the story of Nel Wright and
 Sula Peace, who meet as children in the
 small town of Medallion, Ohio. Nel and
 Sula's devotion is fierce enough to
 withstand bullies and the burden of a
 dreadful secret. It endures even after Nel
 has grown up to be a pillar of the black
 community and Sula has become a pariah.
 But their friendship ends in an
 unforgivable betrayal—or does it end?
 Terrifying, comic, ribald and tragic, Sula is

a work that overflows with life.

Savage Love tells (almost) all anyone needs to know about sex. Brutally honest and scathingly funny, Dan's advice will inform and shock the curious reader. Savage has the last word on everything from STDs and fetishes, to fundamentalism and orgasms (multiple, premature and faked). He gives advice on how to get into, out of and off on a relationship, explains what straight boys should do with women's genitals and why straight girls dig gay boys. From the queer who knows best, the book sets out to tell it like it is. Don't like my advice? Don't ask for it. Don't like my column? Don't read it. Got better advice? Get your own f**cking advice column.

Gathered in this volume readers will find more than fifty years of poems by the incomparable Jack Gilbert, from his Yale Younger Poets prize-winning volume to glorious late poems, including a section of previously uncollected work. There is no one quite like Jack Gilbert in postwar American poetry. After garnering early acclaim with *Views of Jeopardy* (1962), he escaped to Europe and lived apart from the literary establishment, honing his uniquely fierce, declarative style, with its surprising abundance of feeling. He reappeared in our midst with *Monolithos* (1982) and then went underground again until *The Great Fires* (1994), which was eventually followed by *Refusing Heaven* (2005), a prizewinning volume of surpassing joy and sorrow, and the elegiac *The Dance Most of All* (2009). Whether his subject is his boyhood in working-class Pittsburgh, the women he has loved throughout his life, or the bittersweet losses we all face, Gilbert is by turns subtle and majestic: he steals up on the odd moment of grace; he rises to crescendos of emotion. At every turn, he illuminates the basic joys of everyday experience. Now, for the first time, we have all of Jack Gilbert's work in one essential volume: testament to a stunning career and to his place at the forefront of poetic achievement in our time.

"With universal appeal (everyone poops, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a doctor) details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? . . . All the greatest hits are here: The Log Jam, The Glass Shard, The Deja Poo, The Hanging Chad ... the list goes on. Sidebars, trivia, over 60 euphemisms for number 2, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?"-- Publisher website (October 2007)

The BRI's 22nd all-new edition--Uncle John's Endlessly Engrossing Bathroom Reader--is like reading several books all rolled into one: a history book, a weird news anthology, a science text, a dictionary, a how-to manual, a sports magazine, a joke book...and the list goes on and on. Since 1987, the Bathroom Readers' Institute has led the movement to stand up for those who sit down and read in the bathroom (and everywhere else for that matter). With more than 11 million books in print, the Uncle John's Bathroom Reader series is the longest-running, most popular series of its kind in the world. Where else could you learn about the lost cloud people of Peru, the world's first detective, and the history of surfing? Uncle John rules the world of information and humor, so get

ready to be thoroughly entertained. Read all about... * Soda pop flops * Spider farms * England's Secret UFO Files * Real hillbilly recipes * Webster's least-wanted words * Super-trains * And much more!

The Poop Diaries Knopf

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

A travel guide with a difference, this title introduces a world where you are more likely to find a cockroach on your pillow than a complimentary mint, where you take your life in your own hands every time you get on a bus, where everything goes wrong, and you still end up loving every minute of it.

History of Shit Gallery Books

It's the feisty third edition of *How to Shit in the Woods*, jam-packed with new information for outdoor enthusiasts of every stripe. Hailed in its first edition as "the most important environmental book of the decade" by *Books of the Southwest*, and in its second as "the real shit" by the late, great, outdoor photographer Galen Rowell, this bestselling guide is often called the "backpacker's bible" and has sold more than 2.5 million copies in eight languages. Author Kathleen Meyer continues to pioneer the way with her inimitable voice—at once humorous, irreverent, and direct—examining the latest techniques for graceful backcountry elimination, and answering a desperate cry from nature concerning environmental precautions in our ever-shrinking wilds. World changes come fast and furious, and in the backcountry it is no different. The practice of "packing-it-out," adopted to protect high use areas and fragile ecosystems, is here to stay. We are now often urged to haul our poop home. Or with increasing frequency, the whole business is mandatory. To assist with all this responsible human waste disposal, Meyer's new edition features the latest in product innovations, from classy high-tech

to inexpensive do-it-yourself. She covers the most current solutions to the health risks of drinking straight from wilderness waterways; presents a raft of natural substitutes for the purist swearing off toilet tissue; and offers a wealth of new recommendations for ladies who must make do without a loo. This down-to-earth guide has been employed as a training aid for scout troops, outdoor schools, and wilderness programs for inner-city youth; for rangers with the U.S. Forest Service, National Park Service, and Bureau of Land Management; as well as for whitewater rafting guides, backcountry outfitters, and members of the military. In rowing hundreds of urbanites down whitewater rivers, Meyer honed her squatting skills and found she "wasn't alone in the klutz department." Her delightfully shameless discussion of a once-shameful activity, her erudite examination of its associated vocabulary, and her unapologetic promotion of its colorful vernacular make *How to Shit in the Woods* essential and vastly entertaining reading for anyone who's ever paused at the edge of the forest and pondered: "Where do I go to go?"

Get the scoop on lady poop with this surprising and hilarious combination of feminism and fecal facts, a perfect bathroom book for any feminist. Everybody poops, and that means every body. Women are no strangers to time on the can, but for centuries women have been pressured to avoid mention, reference, and especially smell. It's time

to reclaim our right to let some sh*t go! - Did you know that women's colons are TEN CENTIMETERS longer than men's? - Did you know that your toilet is TOO TALL, built for the invented height of the average male? - Did you know that your period actually makes you poop MORE? *Women Don't Poop and Other Lies* offers a humorous look at the history and trivia around this most basic bodily function. From the pioneer days when women had to create pop-up port-a-Johns with their skirts to modern-day workday bathroom anxiety, this giftable book is packed full of surprisingly adorable and informative color illustrations and poop pub trivia. Nevertheless, we poop!

Everyone Poops Vintage

From potty-training expert and social worker Jamie Glowacki, who's already helped over half a million families successfully toilet train their preschoolers, comes a newly revised and updated guide that's "straight-up, parent-tested, and funny to boot" (Amber Dusick, author of *Parenting: Illustrated with Crappy Pictures*). Worried about potty training? Let Jamie Glowacki, potty-training expert, show you how it's done. Her six-step, proven process to get your toddler out of diapers and onto the toilet has already worked for tens of thousands of kids and their parents. Here's the good news: your child is probably ready to be potty trained EARLIER than you think (ideally, between 20-30 months), and it can be done FASTER than you expect (most kids get the basics in a few days—but Jamie's got you covered even if it takes a little longer). If you've ever said to yourself: -How do I know if my kid is ready? -Why won't my child poop in the potty? -How do I avoid "potty power struggles"? -How can I get their daycare provider on board? -My kid was doing so well—why is he regressing? -And what about nighttime?! Oh Crap! Potty Training can solve all of these (and other) common issues. This isn't theory, you're not bribing with candy, and there are no gimmicks. This is real-world, from-the-trenches potty training information—all the questions and all the answers you need to do it once and be done with diapers for good.

Memoirs of Louis XIV and His Court and of the Regency Delacorte Press

From the #1 New York Times bestseller author of *Sh*t My Dad Says*, Justin

Halpern, comes a laugh-out-loud funny and deeply touching collection of personal stories about relationships with the opposite sex, from a first kiss to getting engaged and all the awkward moments in between. Fans of biting, honor-infused memoirs such as *Me Talk Pretty One Day* and *Assassination Vacation* will find Halpern's *I Suck at Girls* an unforgettable journey into the best and worst moments of one man's adventures in romance. "Human beings fear the unknown. So, whatever's freaking you out, grab it by the balls and say hello. Then it ain't the unknown anymore and it ain't scary. Or I guess it could be a shitload scarier." Fans of the #1 bestseller *Sh*t My Dad Says* will recognize the always-patient voice of Justin Halpern's dad as it crackles through the pages of this hysterical new book. The story begins when Justin takes his dad out to lunch to announce that he's decided to propose to his girlfriend. "You've been dating her for four years," his dad replies. "It ain't like you found a parallel fucking universe." But eventually he gives Justin some advice: that he should take a day off and think back over everything he's learned in life about women, relationships, and himself before making his decision. And that's just what Justin does—revisiting everything from his disastrous childhood crushes to the night he finally lost his virginity while working as a dishwasher at Hooters. *I Suck at Girls* is full of his dad's patented brand of wisdom. But it's also full of new characters just as funny as his dad—from his brother, who provides insights into wedding night rituals ("You stand in one corner of the room, and she stands in the other. You each take off one piece of clothing at a time") to his first boss, who warns Justin to man up: "That's what a man does. He takes his shots and then he scrubs the shit out of some dishes." The result is a pilgrim's progress through the landscape of sex and love—by one of the funniest writers at work today. *Women Don't Poop and Other Lies* Simon and Schuster

According to the United Nations, more than one billion people now live in the slums of the cities of the South. In this brilliant and ambitious book, Mike Davis explores the future of a radically unequal and explosively unstable urban world. From the sprawling barricadas of Lima to the garbage hills of Manila, urbanization has been disconnected from industrialization, and even from economic growth. Davis portrays a vast humanity warehoused in shantytowns and exiled from the formal world economy. He argues that the rise of this informal urban proletariat is a wholly unforeseen development, and asks

whether the great slums, as a terrified Victorian middle class once imagined, are volcanoes waiting to erupt.

Stop changing diapers?start potting your baby. Over half the world's children are potty trained by one year old, yet the average potty training age in the United States is currently three years old. This leaves parents wondering: What did people do before diapers? and How do I help my own baby out of diapers sooner?Elimination Communication, also

known as EC, is the natural alternative to full-time diapers and conventional toilet training. Although human babies have been pottied from birth for all human history, we've modernized the technique to work in today's busy world.Go Diaper Free shows parents of 0-18 month babies, step-by-step, how to do EC with confidence, whether full time or part time, with diapers or without. "Diaper-free" doesn't mean a naked baby making a mess everywhere - it actually means free from dependence upon diapers. With this book, new parents can avoid years of messy diapers, potty training struggles,

diaper rash, and unexplained fussiness. Also helpful for those considering EC, in the middle of a potty pause, or confused about how to begin.This 6th edition includes a new section on The Dream Pee, a full text and graphic revision, more photos of EC in action, and a complete list of further resources.MULTIMEDIA EDITION: includes the book and access to private video library, helpful downloads, additional troubleshooting, and our private online support group run by our Certified Coaches. For less than the cost of a case of diapers, you can learn EC hands-on, the way it's meant to be learned.
