TOWNSEND MICHAELA

Casino Gambling For Dummies Simon & Schuster
 The King of Las Vegas and America's premier sports gambler reveals a powerful program for breaking all the rules, beating all the odds, and achieving all your dreams. In *The King of Vegas' Guide to Gambling*, Wayne Allyn Root of Spike TV's *King of Vegas (TM)* demonstrates why it is vital to take risks in life—whether in the casino, on the playing field, or in the boardroom. Root lives an American dream: He makes money watching sports on television. In fact, as CEO of GWIN Inc., America's only publicly traded sports-handicapping firm, Root is a self-made millionaire with hundreds of thousands of sports-betting clients and fans. In this book, he reveals the spiritual principles behind his consistently winning hand. Turning the popular conception of the casino denizen on its head, Root shows readers how to concentrate on the risks they take and to cultivate tranquillity in the face of life-defining, stressful moments. Bringing a unique contrarian approach to gambling, Wayne Allyn Root states his maxim of never following the masses and always taking the lead in life, and guides the way to navigate successfully the many gambles life offers.

A professional gambler offers his secrets for winning at all major casino games, with tips on betting strategies, successful money management, and self-control under pressure. 64 illustrations.
American Casino Guide The Unofficial Guides
 The casino games seem simple, but every year, millions of people lose billions of dollars at casinos and other gaming

establishments. Why? Because they lack information, rather than luck. Beyond Las Vegas and Atlantic City, this book discusses riverboat and dockside gambling, as well as the boom in Indian Reservation gambling destinations and bingo parlors. In addition to the most popular card and dice games, readers discover the latest gambling craze -- virtual casinos found on the Internet. Basil Nestor delivers to the reader the kind of insider information that casinos, other books, or experts can't or won't tell them: * Thoroughly explains casino games, like blackjack, poker, craps, roulette, and more * Analyze odds and guaranteed advantages of certain types of play * Identifies sucker bets and expose scam betting systems that lose gamblers money * Clarifies casino security protocol and explicate state operations regulations * Teaches prospective gamblers to implement methods that increase winning potential
