Boys Will Be Boys Bellwether Media

The official 60th Anniversary book of the Dallas Cowboys
Swagger Rowman & Littlefield

For several hundred years, the West had been the land of dreams, an extraordinary region of hope, expansion and opportunity where European countries—and then the young USA itself—sent their finest explorers to plant seeds in a seemingly untapped, open landscape. This spirit captured the popular imagination in the Wild West, those raucous 30 years between the end of the Civil War and the beginning of a new century. Within these pages, readers will explore true tales of rebels and heroes such as General George Custer, Buffalo Bill, Billy the Kid, Jesse James, Annie Oakley, and Sitting Bull, among others. The Wild West was the American Dream on steroids. It was an age of gunfights and gold rushes, cowboys and Comanches, with the likes of Buffalo Bill, Jesse James and Billy the Kid making their names. It forged extraordinary legends and even bigger lies, with everything fueled by dime novels written back East that encouraged folks to grab their share of a promise that was difficult for this hard land to keep. This book looks at all these mythical characters, the start of the railroad across the nation, the cost it all dealt to the Native Americans whose land was lost, and the way Hollywood still keeps the dream alive. As historian Richard White says, “People could go west and no matter their failures elsewhere, they had an opportunity to remake themselves. It’s a symbol for a kind of individualism that actually doesn’t exist in the West, but mythically it does.”

Essays in Interactionist Sociology Anchor

A stirring portrait of the decade when the Steelers became the greatest team in NFL history, even as Pittsburgh was crumbling around them. In the 1970s, the city of Pittsburgh was in need of heroes. In that decade the steel industry, long the lifeblood of the city, went into massive decline, putting 150,000 steelworkers out of work. And then the unthinkable happened: The Pittsburgh Steelers, perennial also-rans in the NFL, rose up to become the

most feared team in the league, dominating opponents with their famed "Steel Curtain" defense, winning four Super Bowls in six years, and lifting the spirits of a city on the brink. In *The Ones Who Hit the Hardest*, Chad Millman and Shawn Coyne trace the rise of the Steelers amidst the backdrop of the fading city they fought for, bringing to life characters such as: Art Rooney, the owner of the team so beloved by Pittsburgh that he was known simply as "The Chief"; Chuck Noll, the headstrong coach who used the ethos of steelworkers to motivate his players; Terry Bradshaw, the strong-armed and underestimated QB; Joe Green, the defensive tackle whose fighting nature lifted the franchise; and Jack Lambert, the linebacker whose snarling, toothless grin embodied the Pittsburgh defense. Every story needs a villain, and in this one it's played by the Dallas Cowboys. As Pittsburgh rusted, the new and glittering metropolis of Dallas, rich from the capital infusion of oil revenue, signaled the future of America. Indeed, the town brimmed with such confidence that the Cowboys felt comfortable nicknaming themselves "America's Team." Throughout the 1970s, the teams jostled for control of the NFL—the Cowboys doing it with finesse and the Steelers doing it with brawn—culminating in Super Bowl XIII in 1979, when the aging Steelers attempted to hold off the Cowboys one last time.

Thoroughly researched and grippingly written, *The Ones Who Hit the Hardest* is a stirring tribute to a city, a team, and an era.

History of the NFL First 100 Year's You Sure Started Somethin' Centennial Books

Aaron Donald is a native of Pittsburgh, PA, where he starred on the offensive and defensive sides of the football. His efforts earned him all-state honors in the sport and a chance to play for his hometown college, the University of Pittsburgh. An All-American caliber career at Pitt led to the St. Louis Rams selecting him with the thirteenth pick in the 2014 NFL draft. As a Ram, Donald has become one of the most feared defensive tackles in the NFL, with an amazing ability to terrorize quarterbacks and produce tackles for loss. His All-Pro level play has helped rebuild the defense to turn the team into a Super Bowl contender. Each book in the *Gridiron Greats* series gives you the reader a close-up look at some of the very best of today's NFL stars. The statistical leaders and championship winners go under the spotlight in a fun-

to-read and visually interesting examination of the player's outstanding career.

Sweetness Christian Faith Publishing, Inc.

Employment Law Update, 2020 Edition analyzes recent developments of interest to employment law practitioners representing plaintiffs, defendants, and labor unions. It comprehensively covers recent developments and case law in the rapidly changing employment and labor law field. Comprised of 7 chapters - each written by an expert in employment law - this updated edition provides timely, incisive analysis of critical issues. *Employment Law Update, 2020 Edition* provides, where appropriate, checklists, forms, and guidance on strategic considerations for litigation and other forms of dispute resolution. Highlights of coverage in this 2020 Edition include: Analysis of the proliferating state and municipal ordinances and statutes requiring employers to adopt predictable schedules. Case law under the Americans With Disabilities Act involving employees or applicants for employment who claim that their inability to relate well to others constitutes a statutory mental disability that must be accommodated. How the acquiring firm in an acquisition and the surviving firm in a merger can improve the chances of retaining preferred employees, including the likely impact of various equity and option arrangements. The rapidly changing legal landscape for covenants not to compete, including a review of basic common-law concepts and the reach of new statutes that limit the enforceability of covenants in several states. The possibility that employer rules may constitute unfair labor practices under the National Labor Relations Act, under the doctrine of *The Boeing Company* case, which allows employers to avoid liability by offering justification for rules such as those prohibiting employee use of camera in the workplace. The controversy over political speech by professional athletes and the legal framework defining the rights of players, teams, and leagues, considering that the First Amendment does not apply to the non-state actors. Guidance to multinational employers on how to conduct an internal investigation without running afoul of widely differing national laws on privacy and other employee rights. Note: Online subscriptions are for three-month periods. Previous Edition: *Employment Law Update, 2019 Edition* ISBN

Hail Mary? Triumph Books

New York Times bestseller From celebrated sports writer Jeff Pearlman, author of *The Bad Guys Won*, a rollicking, completely unabashed account of the glory days of the legendary Dallas Cowboys They were called America's Team. Led by Emmitt Smith, the charismatic Deion "Prime Time" Sanders, Hall of Famers Troy Aikman and Michael Irvin—and lorded over by swashbuckling, power-hungry owner Jerry Jones and his two hard-living coaches, Jimmy Johnson and Barry Switzer—the Cowboys seemed indomitable on the football field throughout the 1990s. Off the field the 'Boys were a dysfunctional circus, fueled by ego, sex, drugs, and jaw-dropping excess. What they achieved on game day was astonishing; what they did the rest of the week was unbelievable. *Boys Will Be Boys* is the story of the Dallas Cowboys in their prime—a team of wild-partying, out-of-control glory-hounds that won three Super Bowls in four years and earned their rightful place in sports lore as the most beloved and despised dynasty in NFL history.

Hail to the Redskins Sports Publishing LLC

Hail Mary? examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary, the mother of Jesus. Maurice Hamington explores the sources for three prominent Marian images: Mary as the "the blessed Virgin," Mary, the "Mediatix"; and Mary, "the second Eve." Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women. In challenging dominant, religious representations of Mary, Hamington surveys a variety of emerging reinterpretations of Mary. He then provides a framework for further study of "non-alienating" images of Mary.

The 50 Greatest Players in San Francisco 49ers History

Rowman & Littlefield

At last, the definitive account of the Washington Football Team's championship decade. A must-read for any fan, *Hail to the Redskins* is full of interviews with key inside sources to vividly recreate the plays, the players, the fans, and the opponents that shaped this unforgettable football dynasty. Based on more than ninety original interviews, here is the rollicking chronicle of the famed Washington Football Teams of the Joe Gibbs years—one of the most remarkable and unique runs in NFL history. From 1981

to 1992, Gibbs coached the franchise to three Super Bowl victories, making the team the toast of the nation's capital, from the political elite to the inner city, and helping to define one of the sport's legendary eras. Veteran sportswriter Adam Lazarus masterfully charts the Washington Football Team's rise from mediocrity (the franchise had never won a Super Bowl and Gibbs's first year as head coach started with a five-game losing streak that almost cost him his job) to its stretch of four championship games in ten years. What makes their sustained success all the more remarkable, in retrospect, is that unlike the storied championship wins of Joe Montana's 49ers and Tom Brady's Patriots, the Washington Football Team's Super Bowl victories each featured a different starting quarterback: Joe Theismann in 1983, the franchise's surprising first championship run; Doug Williams in 1988, a win full of meaning for a majority African American city during a tumultuous era; and Mark Rypien in 1992, capping one of the greatest seasons of all time, one that stands as Gibbs's masterpiece. *Hail to the Redskins* features an epic roster of saints and sinners: hard-drinking fullback John Riggins; the dominant, blue-collar offensive linemen known as "the Hogs," who became a cultural phenomenon; quarterbacks Williams, the first African American QB to win a Super Bowl, and Theisman, a model-handsome pitchman whose leg was brutally broken by Lawrence Taylor on Monday Night Football; gregarious defensive end Dexter Manley, who would be banned from the league for cocaine abuse; and others including the legendary speedster Darrell Green, record-breaking receiver Art Monk, rags-to-riches QB Rypien, expert general managers and talent evaluators Bobby Beathard and Charley Casserly, aristocratic owner Jack Kent Cooke, and, of course, Gibbs himself, a devout Christian who was also a ruthless competitor and one of the sport's most adaptable and creative coaching minds.

Official Playing Rules of the National Football League Harper Collins

It's difficult to imagine today—when the Super Bowl has virtually become a national holiday and the National Football League is the country's dominant sports entity—but pro football was once a ramshackle afterthought on the margins of the American sports landscape. In the span of a single generation in postwar America, the game charted an extraordinary rise in popularity, becoming a smartly managed, keenly marketed sports entertainment colossus

whose action is ideally suited to television and whose sensibilities perfectly fit the modern age. *America's Game* traces pro football's grand transformation, from the World War II years, when the NFL was fighting for its very existence, to the turbulent 1980s and 1990s, when labor disputes and off-field scandals shook the game to its core, and up to the sport's present-day preeminence. A thoroughly entertaining account of the entire universe of professional football, from locker room to boardroom, from playing field to press box, this is an essential book for any fan of America's favorite sport.

The Ones Who Hit the Hardest Open Road Media

Harris and Waters share anecdotes about their experiences as Dallas Cowboys during the teams heyday, when they appeared in 5 Superbowls.

With the subhead *An NCAA Championship and Two Super Bowl Wins--Now Will You Leave Me Alone* Jimmy Johnson's outspoken football autobiography has been revised and updated to include the 1993-94 season. The ultimate insider's look at football--from one of the true masters of the sport. 16-page photo insert.

Dallas Cowboys Penguin

In *The 50 Greatest Players in Chicago Bears History*, sports historian Robert W. Cohen ranks the top 50 players ever to perform for one of the NFL's most historic franchises. This work includes quotes from the subjects themselves and former teammates, photos, recaps of memorable performances and greatest individual seasons, as well as a statistical summary of each player's career with the Bears. The Bears' best are profiled here in what is bound to be a much discussed book among the team's broad fan base. An added bonus are the "honorable mentions," the next 25 players who have contributed to the Bears' astounding run as one of America's great sports teams. *Focus On: 100 Most Popular African-American Players of American Football* e-artnow sro

National Bestseller: The "powerful novel" about the hidden side of pro football, written by a former NFL player (Newsweek). On the field, the men who play football are gladiators, titans, and every

other kind of cliché. But when they leave the locker room they are only men. Peter Gent's classic novel looks at the seedy underbelly of the pro game, chronicling eight days in the life of Phil Elliott, an aging receiver for the Texas team. Running on a mixture of painkillers and cortisone as he tries to keep his fading legs strong, Elliott tries to get every ounce of pleasure out of his last days of glory, living the life of sex, drugs, and football. Adapted for the screen in 1979, this novel, written by ex-Dallas Cowboy Peter Gent, is widely considered the best football novel of all time.

Field of Schemes Mason Crest Publishers

Don Perkins led a life as one of the most honored athletes in the history of the University of New Mexico and the Dallas Cowboys. But Perkins's life was far more complex and, at times, controversial. He experienced the traumas of racial discrimination, death, divorce, football-related injuries, and a never-ending search for his own identity. In his search, Perkins ventured into sportscasting, public speaking, community relations, big-rig trucking, government work, and even amateur theater, where he portrayed Frederick Douglass and other famous Black leaders. Through it all, he remained a kind, unassuming, charismatic man, universally admired by family members, friends, and millions of fans. *Don Perkins: A Champion's Life* is the final tribute he so richly deserves.

Tales from the Dallas Cowboys Hachette UK

An insider history of the Dallas Cowboys at the NFL draft. A singular, transcendent talent can change the fortunes of a football team instantly. Each year, NFL teams approach the draft with this knowledge, hoping that luck will be on their side and that their extensive scouting and analysis will pay off. In *On the Clock: Dallas Cowboys*, Calvin Watkins explores the fascinating, rollercoaster history of America's Team at the draft, from Roger Staubach through Emmitt Smith and beyond. Readers will go behind the scenes with top decision-makers as they evaluate, deliberate, and ultimately make the picks they hope will tip the fate of their franchise toward success. From seemingly surefire first-rounders to surprising late selections, this is a must-read for Cowboys faithful and NFL fans eager for a glimpse at how teams

are built.

The Dallas Cowboys Story Triumph Books (IL)

This is a book that accounts for the epic history of the New England Patriots, one of the most successful franchises in the NFL. From their humble beginnings as a founding member of the AFL in 1960, to their dynasty era of six Super Bowl championships in the 21st century, the Patriots have produced some of the greatest players, coaches, and moments in the football history. Whether you are a die-hard fan or a casual observer, this book will certainly take you on a thrilling journey through the highs and lows of the Patriots' remarkable journey. You will discover why the Patriots are not just a team, but a way of life for millions of loyal fans across the world.

Don Perkins Archway Publishing

The San Francisco 49ers have one of the best records in NFL history, with 20 division championships, seven conference titles, and five Super Bowl championships. On a team with outstanding talent each year, who among its past and present players could be ranked as the 50 greatest? Who would occupy the coveted #1 spot? Jerry Rice? Ronnie Lott? Joe Montana? Steve Young? Robert Cohen has his own take on the matter and, in a book that is bound to inspire conversation if not controversy, ranks who he believes are the greatest players from 1 to 50, with 25 honorable mentions.

We Want Bama University of New Mexico Press

A lively chronicle of how the 2020 Crimson Tide became Nick Saban's "ultimate team." Was Alabama's Crimson Tide in 2020 the greatest team of all time? The squad went 13-0 in a pandemic year, scored a combined 107 points against SEC powerhouses LSU and Florida, crushed Ohio State in a National Championship Game 52-24 in a contest that wasn't even that close, and followed it up with another top-rated signing class. Nick Saban called his boys the "ultimate team," but it wasn't just because they kicked the ever-living hell out of everyone on the football field. It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism

that a populist president was exploiting to divide the nation. At a time when Americans needed real leaders in the face of so much hate, the sports world answered the call and fought back for the soul of the country. In the summer of 2020, the Tide players left their training facility and, led by their celebrated coach, marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity. The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's "Segregation forever!" with a different message, written by one of the players: "All lives can't matter until Black lives matter." There have been some great football teams through the years, and they all deserve respect. But here's what we know for sure: They all would have been appreciative of what this Alabama team represented, and proud of what it accomplished. The Crimson Tide in 2020 captured something special that moved it beyond the conversation of best ever, and into the place reserved for most important of all time.

The Dallas Cowboys Routledge

The NFL's best players, all in one action-packed volume. Over a century after the formation of the American Professional Football Conference, the precursor to the National Football League, pro football continues to excite and captivate millions of fans across the globe.
