For today's youth, life is filled with new choices, new decisions, new feelings, new perspectives, and new freedoms. During this time, teens are forming the belief systems that will influence their adult faith, and their ideas about the nature of God, the Bible, and the church. Will teen involvement in church youth programs provide them with a framework for making important choices? Will this time nurture values and encourage their emerging identities to be deeply Christian? Something wonderful can happen when you mix teenagers, the Bible, and an enthusiastic teacher together. Many teenagers are hungry to learn about the Bible, what it means, and how it can be applied to their lives. Traditionally, this type of education happens in Sunday School. Unfortunately, too many Youth Sunday School teachers are not prepared or feel inadequate when it comes to teaching teens. They do their best, but all they are doing is surviving the Sunday school hour. Help! I Teach Youth Sunday School offers the Sunday

school teacher specific tips and hints to prepare for and care for teens. Real-life stories are mingled with information on Youth and their culture, common myths about Sunday school, a new way of preparing the Sunday school lesson, creative teaching ideas, ways to think about growing a class, and how to reach out for new members while reaching in to old members.

Dr. JM Carroll's "The Trail of Blood" is a great historical premise concerning the beginnings of the church from "Christ it's founder, till the current day". Written in the early 20th century, Dr. Carroll details the history and plight of TRUE bible believers throughout time. Still as relevant today as it was almost 100 years ago, this timeless classic is a must-have part of any Christian's personal reading collection.

Thousands of small groups, community groups, life groups, Bible studies, and Sunday School classes meet weekly all over the world. Most of these groups are led by lay people who have jobs, children, and other responsibilities leaving them little time to prepare for a weekly study. Most of the participants also encounter the same time constraints. Hence, these study groups have a need for high-quality study materials that require little preparation time for both leaders and participants. The No-Prep Bible Study Series was designed to meet that need. This book, Jesus' Most Popular Parables, has five focused lessons that require basically no preparation on the part of anyone in the group. Simply read the passages, read the short text, and let everyone answer the questions. The guided nature of the study tends to keep the more exuberant members from dominating and gets the less talkative members to become involved. And every lesson can be wrapped up in 45 minutes! Kenny Beck's unique perspectives and interesting lines of questioning lead to discussions that are impacting, thought-provoking, and ultimately life changing!

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

*Bible Truths* David C Cook

More teens are turning away from the faith than ever before: it is estimated that 75 to 88 percent of Christian teens walk away from Christianity by the end of their freshman year of college. Something must be done. Family Driven Faith equips Christian parents with the tools they need to raise children biblically in a post-Christian, anti-family society. Voddie Baucham, who with his wife has overcome a multi-generational legacy of broken and dysfunctional homes, shows that God has not left us alone in raising godly children. In his Word he has given us timeless precepts and principles for multi-generational faithfulness. Baucham's celebrated guide for godly, healthy families is now available in paperback, with study questions added. Parents will find this a critical resource for the spiritual nourishment and protection of the next generation.

You will learn how to improve the listener's comprehension and understanding, but more importantly, you will learn how to help listeners accept and obey the truth. As you learn to replace informational or educational lessons with life-altering transformational ones, you will fulfill the Great Commission by teaching individuals to obey the Bible (Matthew 28:20).

Life's inevitable difficulties and disappointments can discourage us from praying, but our response should be to pray anyway and keep praying.

Whatever we seek, God invites us to come to Him with confidence, believing that He is able to answer—and He will answer. We can pray for:

Forgiveness like David Wisdom like Solomon Healing like Hezekiah A child like Hannah Deliverance like Jonah Mercy like the 10 lepers Salvation like the thief on the cross But are you convinced that prayer works, even when you don't get the answers you want? In *It Happens After Prayer*, Pastor HB Charles, Jr. motivates and encourages us to respond to the challenges of life with prayer, to pray without ceasing, and to pray with great expectations. Are you ready for a new level of earnest, passionate, God-size prayers? Don't let another day go by without praying and seeking the face of God, because it happens after prayer.
