** A New York Times Bestseller ** NAMED ONE OF THE BEST BOOKS OF THE YEAR BY: Time • The New Yorker • NPR • GQ • Elle • Vulture • Fortune • Boing Boing • The Irish Times • The New York Public Library • The Brooklyn Public Library "A complex, smart and ambitious book that at first reads like a self-help manual, then blossoms into a wide-ranging political manifesto."—Jonah Engel Bromwich, The New York Times Book Review One of President Barack Obama's "Favorite Books of 2019" Porchlight's Personal Development & Human Behavior Book of the Year In a world where addictive technology is designed to buy and sell our attention, and our value is determined by our 24/7 data productivity, it can seem impossible to escape. But in this inspiring field guide to dropping out of the attention economy, artist and critic Jenny Odell shows us how we can still win back our lives. Odell sees our attention as the most precious—and overdrawn—resource we have. And we must actively and continuously choose how we use it. We might not spend it on things that capitalism has deemed important ... but once we can start paying a new kind of attention, she writes, we can undertake bolder forms of political action, reimagine humankind's role in the environment, and arrive at more meaningful understandings of happiness and progress. Far from the simple anti-technology screed, or the back-to-nature meditation we read so often, How to do Nothing is an action plan for thinking outside of capitalist narratives of efficiency and techno-determinism. Provocative, timely, and utterly persuasive, this book will change how you see your place in our world.

[Dawn Caravan](#) Headline Accent

Designed for courses taught at the introductory level in Canadian universities and colleges, this new anthology provides a rich selection of literary texts. In each genre the anthology includes a vibrant mix of classic and contemporary works. Each work is

accompanied by an author biography and by explanatory notes, and each genre is prefaced by a substantial introduction. Pedagogically current and uncommon in its breadth of representation, The Broadview Introduction to Literature invites students into the world of literary study in a truly distinctive way. *Stephan Schiffman's 101 Successful Sales Strategies* Christian Faith Publishing, Inc.

Believe in the power of miracles... "A special little book, an antidote to the stress, fury, and unfeelingness of many people's hurried, everyday lives." --Newsday "Judith Leventhal and Yitta Halberstam amaze and inspire with their incredible-but-true story collections...of wondrous true coincidences." --People "Small Miracles is a book you'll love and cherish for a long time to come. It will make you aware of similar events that are happening to you--those touches of grace that, when we think to look for them, bless us all." --Belle

[O My America!](#) Simon and Schuster

What starts as a surface mapping expedition to Antarctica changes into a voyage of historical and scientific discovery. However, their excitement quickly disappears, changing into an effort to simply maintain their integrity, professional reputations, and the truth. The team races against time to save their data and proof of their discovery while the government, in the name of national security, tries to silence them and place a lid on their discovery.

[Yes, You Can Talk about Mental Health at Work](#) AuthorHouse

What does the Bible say about periods? The average woman has 500 periods in her lifetime. And whether yours are mildly annoying, utterly debilitating or emotionally complicated, most of us have at one time or another asked: Why?! This warm, light-hearted, real, honest and at times surprising book gives a biblical perspective on menstruation, as well as a whole lot more. Beginning with periods, Rachel Jones takes readers on an adventure in theology, weaving together wide-ranging reflections on the nature of our bodies, the passing of time, the purpose of pain, and the meaning of life. One thing is for sure: you've never read a Christian book quite like this one. Whether you're in need of hope and help, or are just downright curious, you'll be refreshed and encouraged by this book. As Rachel puts it,

"Whoever you are, my aim is that you reach the end of this book celebrating who God has made you, how God has saved you, and the fact that he speaks liberating and positive truth into all of life's experiences (even periods)".

The Adventures of Poppy and Lord Tim: The First Summer CRC Press

A delightfully funny and moving novel about the singular life of a cantankerous Jewish-American writer and anarchist troublemaker, as remembered by his daughter In 1972, sixty-four-year-old Ezra Slavin's heart gives out at an anti-war rally. A contentious and irascible Jewish-American writer, anarchist, and inadvertent guru to discontented youth, he leaves behind a large extended family of ex-wives, lovers, and children, most of whom had cut all ties with the infuriating intellectual provocateur years earlier. Out of the entire family, only one daughter, Merry, a journalist, can remember her father with her own critical, conflicted understanding, a saddened sympathy approaching love. As the day of his memorial approaches, she attempts to make sense of the puzzle of Ezra's life before all of its disparate, discordant elements come crashing together at the service. The award-winning author of *Other People's Lives*, Johanna Kaplan creates a vivid cast of unforgettable characters who reveal the disparity between Ezra's long-suffering, neglected family, his admiring friends, and the youthful hangers-on—and, most notably, in the outrageously enigmatic Ezra himself. At once hilarious and poignant, *O My America!* offers a fascinating evocation of a time and place in America, a satiric history of the immigrant Jewish experience, and a wonderful portrait of an exasperating yet endearing anti-hero pursuing his unique vision of the American dream.

Strident Publishing

The author, a computer science professor diagnosed with terminal cancer, explores his life, the lessons that he has learned, how he has worked to achieve his childhood dreams, and the effect of his diagnosis on him and his family.

Report of the Committee Appointed to Inquire Into the Scientific and Statistical Investigations Now Being Carried on in Relation to the Fishing Industry of the United Kingdom The Good Book Company

Matthew had fallen for Georgia the moment he sat opposite her on a train. Accidentally walking off with the wrong mobile phone gave him the ideal opportunity to see her again. After her late husband had left her with a pile of debts, Georgia had a phobia about having a man in her life. Matthew Fraser might have been rich, he might have been wonderful with her kids, he might have continually come to her rescue... But no, she wouldn't be swayed; she wouldn't let this man under her skin. But Matthew was a patient man, and equally determined...

Governance and Best Practice in Workplace Pension Provision The Stationery Office

This book is for anyone who wants to understand why we need to talk about mental health at work... and how to have constructive dialogue in the workplace.

Endangered Species Protection Melville House

Why waving goodbye to Mr Wonderful may be the wisest folly of all... Alice Evans has got a GSOH, GFCH (gas-fired central heating), a cat and a Mitsubishi colour portable. People have told her she can look pretty if she tries. She's thirty-eight and single, so will someone please pass the message on? What Alice thinks she needs is Mr Wonderful. A man like her pottery teacher, James Mitchel, who's warm and wise and gorgeous. But as one long, hot summer disappears with no sign of her snaring the man of her dreams, Alice is forced to consider the alternatives. Should she settle for Mr Mediocre, her dull but dependable ex boyfriend Eamon, and spend the rest of her days trying to like golf? Or could there be another way for a woman to ditch all the longing - and really start living her life?

Department of the Interior and Related Agencies Appropriations for Fiscal Year 1978 Welbeck Balance

A Trilogy of Contemplative Christian Devotionals is a topical devotional with an overall theme of faith and trust in a loving God. The author uses poetry in *Dine with the Master* to seek and

find answers for concerns such as identity, forgiveness, hope and waiting. Topics of poems in *Moments with My Lord* transition from "Being Deceived" and "Searching for Truth" to wanting more of His presence and focusing on Jesus. In *Life with My Beloved* the author uses ordinary life situations and stories from Scripture to show how God leads, guides, counsels, encourages and cares for each one of us. To help facilitate meditation, Scriptures are listed with each devotional and some are accompanied by a prayer.

Ever More Routledge

Poppy is an extraordinary young girl who loves spending time with her grandparents and Lord Ted, a truly magical teddy bear. Following a school trip to the Tower of London, Poppy and Lord Ted hear that the crown jewels have been stolen and that warder, George Featherbottom, has been kidnapped. The hunt is on for Chief Inspector Pickles-Cunningham and his team to solve the crime of the century and to return the crown jewels to the Queen. Unaware of the danger before her, Poppy soon finds herself entangled in the mystery and races to save the day.

Year of Yes Dorrance Publishing

Each preceding book in the *Living Therapy* series provides a demonstration of the application of the person-centred approach to counselling and psychotherapy to clients presenting with particular issues. To complement these, this book focuses more on the supervisory element of the therapeutic process. It brings together examples of supervision sessions from the *Living Therapy* series, and presents each one as an example of person-centred supervisory practice of person-centred counselling. The supervision sessions deal with a range of issues that arise when working with clients who are seeking counselling in order to resolve difficulties from a wide range of difficult human experience. Each supervision session is introduced with a summary of the background, and points for discussion are included at the end of each chapter to stimulate further thought and debate. The book does not attempt to demonstrate a definitive way to apply person-centred principles to supervision, but does demonstrate core principles. It will prove valuable to experienced and novice supervisors, and to those uncertain about supervising counsellors working in areas outside their own professional experience. It should also be read by counsellors in training who are preparing to be supervised, for whom the book offers insights into this collaborative process.

A Trilogy of Contemplative Christian Devotionals Simon and Schuster

Follow a path cut by a country doctor who examines the lives of men and women who choose to live close to work to pursue a dream, a lifestyle, or even a practical reality. When people make the decision to work close to home, they say good-bye to the hassles of commuting, but along with that, all other aspects of life change. Family and community become enhanced with a strong sense of belonging through compromises that require a redefinition of success. A person finds him or herself frequently in a peer group of one, walking a sharper edge and more susceptible to the bipolarities of life. Anyone contemplating work closer to home will find much of value in this book. See how a community, regardless of location, functions as a community. Enter the intimate lives of these people. Crowd them into mind and hold them in thought and discover the courage to do things never thought possible.

Sessional Papers A Brief Theology of Periods (Yes, really)

Book 4 in the mind-bending Craig McIntyre series. In cities across North America people are dying in seemingly impossible ways. Is history's most outrageous serial killer on the loose? Craig McIntyre is used to being hunted. Now he is the hunter. And thousands could die if he fails to track down the killer.

The Broadview Introduction to Literature Open Road Media
Following the events of 'Palladium' - the sacred statue born of ancient Greece, has been found. The knights of the White Dragon wield both the Palladium and the Necklace of Harmonia once again, a power strong enough to both create and topple empires. The world however, remains largely unchanged since the Red Dragon encountered their foes at Tintagel, leaving them to wonder exactly what their former brethren of the Round Table have planned. Meantime, a legendary relic entwined to both factions has had its own calling, with one Knight in particular having to rise to the challenge.

The Last Lecture Grosvenor House Publishing

After this night, dawn can't come fast enough. For Ben Vecchio, everything has changed. His eyes. His diet. His new aversion to sunlight. But after a long sojourn in China, Ben realizes that the world he left behind hasn't changed as much as he feared. He wants to leave his old life in the past, there's one job remaining that just won't leave him alone. Radu's mystery is too

interesting—and too profitable—to ignore. The problem? Taking on this commission puts Ben in the path of his old partner, the one woman he's spent years avoiding. Tenzin has been following Ben at a distance, hoping his ire might wane, but when he heads to Romania, her patience runs out. Ben is a new power in their

world, and more than one vampire will be eager to test him. Ben and Tenzin need to work together if they want to find the truth behind Radu, his mysterious clan, and the treasure at the heart of the Dawn Caravan. One last job, then it's finished between them. Right? Dawn Caravan is the fourth book in the Elemental Legacy, a paranormal mystery series by USA Today bestselling author,

Elizabeth Hunter.
