debut Poppy Benjamin, Media Relations Director of Syracuse's storied NFL team, the Bobcats, fought tooth and nail for her career. Ever since her intern season fifteen years ago, it's been nothing but early mornings, late nights, barely-dodged inappropriate advances, and relationships lost with boyfriends who didn't get it. That's why Poppy relies on the Women Against Groping

Shitheads, a support network that knows her far better than her own family. In-house counsel for an NBA team, a celebrated reporter--all of the W.A.G.S. are high-ranking women in sports who need a release from the indignities and frustrations that come with navigating the ultimate boys' club. But on the very same morning that Poppy's legendary head coach is found dead in

his home, five notes threatening to tell the truth or pay the consequences hit the W.A.G.S. like 300-pound linemen. Who's aware of the little group they've tried their best to keep under wraps, and what reason would they have to threaten it? As long-buried secrets are brought to light, Poppy is forced to revisit a dangerous mistake from the start of her career that puts everything

she's built at risk. An unmissable novel about responsibility, regret, clouded moral compasses, and the ins and outs of professional football.

Solid State Chemistry

Amethyst

Books

When Thomas Cocoa

suddenly finds himself a very rich man he sets out on a goal that has burned in his memory since childhood.

That of being the most infamous serial killer in history. After a year of

meticulous planning he sets out on his quest. Rape and murder his new passion he leaves a trail of bodies across the nation. FBI special agent Ben Fletcher picks up the trail of bodies and quickly ties them to a single killer. The chase is on as Fletcher sets out to track down and bring to justice the man who leaves only a single red rose with his victims.

Solid State

Chemistry today is a frontier area of mainstream chemistry, and plays a vital role in the development of materials. The present work, consisting of a selection of Prof. C N R Rao's papers, covers most of the important aspects of solid state chemistry and provides the flavour of the subject, showing how the subject has evolved over the years. The book is up-to-date, and will be useful to

students, teachers, beginning researchers and practitioners in solid state chemistry as well as in the broader area of materials science.

Philosophical Transactions of the Royal Society of London

Lulu.com
A rich heritage that needs to be documented Beginning in 1869, when the study of homosexuality can be said to have begun with the establishment of sexology,

this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors. It covers a long history and a dynamic and ever changing present, while opening up the academic profession to new scholarship and new ways of thinking. A groundbreaking new approach While gays and lesbians have shared

many aspects of life, their histories and cultures developed in profoundly different ways. To reflect this crucial fact, the encyclopedia has been prepared in two separate volumes assuring that both histories receive full, unbiased attention and that a broad range of human experience is covered. Written for and by a wide range of people Intended as a reference for

students and scholars in all fields, as well as for the general public, the encyclopedia is written in user-friendly language. At the same time it maintains a high level of scholarship that incorporates both passion and objectivity. It is written by some of the most famous names in the field, as well as new scholars, whose research continues to advance gender studies into

the future. Dead Heat Penguin How to Raise Kids Who Aren't Assholes is a clear, actionable, sometimes humorous (but always science-based) guide for parents on how to shape their kids into honest, kind, generous, confident, independent, and resilient people...who just might save the world one day. On social media, in the news, and from the highest levels of government,

kids are increasingly getting the message that being selfish, obnoxious and cruel is okay. We know, of course, that young people have the capacity for great empathy, resilience, and action, and we all want to bring up kids who will help build a better tomorrow. But how do we actually do this? How to Raise Kids Who Aren't Assholes is a deeply researched, evidence-based primer that provides

a fresh, often surprising perspective on parenting issues, from toddlerhood through the teenage years. Science journalist Melinda Wenner Moyer outlines the traits we want our children to possess—including honesty, generosity, and antiracism—and then she provides scientifically-based strategies that will help parents instill those characteristics in their kids. Learn how to raise the kind

of kids you actually want to hang out with—and who just might save the world. Tough Jews iUniverse At the time of his death in 1998, Alfred Kazin was considered one of the most influential intellectuals of postwar America. What is less well known is that Kazin had been contributing almost daily to an extensive private journal, which arguably contains some of his best

writing. These journals collectively tell the story of his journey from Brooklyn's Brownsville neighborhood to his position as a dominant figure in twentieth-century cultural life. To Kazin, the daily entry was a psychological and spiritual act. To read through these entries is to reexperience history as a series of daily discoveries by an alert, adventurous, if often mercurial intelligence. It

is also to encounter an array of interesting and notable personalities. Sketches of friends, mistresses, family figures, and other intellectuals are woven in with commentary on Kazin's childhood, early religious interests, problems with parents, bouts of loneliness, dealings with publishers, and thoughts on the Holocaust. The journals also highlight his engagement with the

political and cultural debates of the decades through which he lived. He wrestles with communism, cultural nationalism, liberalism, existentialism, Israel, modernism, and much more. Judiciously selected and edited by acclaimed Kazin biographer Richard Cook, this collection provides the public with access to these previously unavailable writings and, in doing so, offers a

fascinating social, historical, literary, and cultural record.
Driving the Deep Yale University Press
 The bestselling author of *Secret Sanction* returns -- and this time, Army lawyer Sean Drummond is loaned out to a law firm whose #1 client may have ties to a vicious serial killer and a massive international crime ring. Wherever Sean

Drummond goes, it seems that the JAG officer leaves a trail of political fallout in his wake. So when his superiors get an opportunity to loan him to a prestigious law firm, they jump on it, hoping he'll soak up the nuances of civilian lawyering. But almost immediately, dark clouds appear when Sean's predecessor in the loan-out program is murdered. Then Sean begins to sense something

amiss with the firm's biggest client, a telecom behemoth with large defense contracts. Now, he must survive in D.C.'s buttoned-down lawyer culture long enough to stop the killer, and long enough to discover why his firm and its top client are willing to kill anyone who gets in their way. *Balancing Act* Bucket Shop Stories A mother under police suspicion fights to find

her missing daughter in this heart-stopping novel of family suspense in the tradition of Lisa Scottoline and Lisa Unger *The Rosebud Report* Simon and Schuster The work of Michel Foucault is much read, widely cited, and occasionally misunderstood. In response to this state of affairs, this collection aims to clarify, to contextualize, and to contribute to Foucauldian scholarship in

a very specific way. Rather than offering either a conceptual introduction to Foucault's work, or a series of interventions aimed specifically at experts, After Foucault explores his critical afterlives, situates his work in current debates, and explains his intellectual legacy. As well as offering up-to-date assessments of Foucault's ongoing use in fields such as literary studies,

sexuality studies, and history, chapters explore his relevance for urgent and emerging disciplines and debates, including ecology, animal studies, and the analysis of neoliberalism. Written in an accessible style, by leading experts, After Foucault demonstrates a commitment to taking seriously the work of a key twentieth-century thinker for contemporary academic

disciplines, political phenomena, and cultural life.

Adulthood for

Beginners

McFarland
The colorful, morally complex life of Matthew Fleming, an actor of rare talent, from an impoverished but work-filled decade in Off-Broadway theaters through his 'overnight' success on Broadway - then on to international acclaim as a charismatic movie star - is the 'stuff of

this gripping novel. Matt is haunted by the belief his leap from obscurity to fame wasn't due to his gift alone but also to the death of a wealthy lover, Andrea Whittaker. He is convinced her drowning, considered accidental, was, in fact, a murder and that he knows the perpetrator. Yet for reasons he's long repressed, he never sought justice for the killer. A lesser anguish gnawing at Matt Fleming's

emotional core is his need to express himself on stage before live audiences. To make the break from his domineering manager/partner, David Whittaker - Andrea's widowed husband - who insists he stick with movies, and Laura Fleming, his glamor-struck wife who would never leave Malibu with Harry, their young son, to return to gritty N. Y., he jumps at an offer to make an 'art'

film in England. He hopes it will provide the distance he needs in order to decide how he can rid himself of real and imagined demons... The narrative begins and ends in the winter of 2000. A youthful forty, Matt is playing Prince Hal in director Kenneth Branagh's version of Shakespeare's Henry IV. A role he's always aspired to, his London experience is further buoyed by a

serious, surreptitious love affair with Beth Winters, the Lady Percy of the film. But he dare not make her privy to the dilemmas which by now are causing him to have terrifying nightmares. Re-enter Charley Sutter. A retired New York Homicide detective turned insurance investigator, he first met Matt ten years before when assessing whether Andrea's death possibly could have

been a suicide. Despite their brief encounters since Matt moved to L. A., a strong father-son bond developed between the two men. It is to Sutter he finally confesses his weighty secret, flying to New York for an intense weekend with him. At first shocked by Marts charge of murder and who he intuitively believes to be the killer, bit-by-bit the sage cop buys into the actors

far-fetched notion, while remarking the odds are against ever proving the case. Sutter then raises a more daunting question: if Matt pursues his accusation and even succeeds in what must be a major public trial, wont his long, inexcusable silence mean the end of his storied career? Matts love of his art, Beth and Harry are all at stake if he permits his conscience to dictate his next step. What

judgement will prevail to take him into the third act of this compelling drama...? *Private Sector* Macmillan At the age of 10, Siddanth Rao, a rural boy, attended school in a torn uniform. By the time he turned 21, he had emerged as the country's most prominent fashion icon, swiftly becoming an overnight millionaire. However, his unfulfilled desire for 'fame & success' drove him to pursue

unbounded recognition. Motivated by the allure of fame, Siddanth became entrapped in a dangerous web of lust, greed, and deceit. His world was shattered by a sudden and unforeseen incident, compelling him to confront his inner demons and rediscover the true meanings of success, happiness, and love. As a 21-year-old who had achieved so much at a young age,

Siddanth faced crucial decisions. What would he choose to live for in the remaining years? How does one survive when someone renounces friends, family, love, and the so-called fame? Where does this journey ultimately lead him? Jump into Siddanth's arousing coming-of-age adventure that goes beyond glamour and glitters but is filled with strong yet unpredictable

drama.

behind the
legend of
infamous
criminal
enforcers
Murder, Inc.
and
contemplates
the question:
Where did the
tough Jews
go? In 1930s
Brooklyn,
there lived a
breed of men
who now exist
only in legend
and in the
memories of a
few old-
timers: Jewish

gangsters,
fearless thugs
with
nicknames
like Kid Twist
Reles and
Pittsburgh Phil
Strauss.
Growing up in
Brownsville,
they made
their way from
street fights to
underworld
power,
becoming the
execution
squad for a
national crime
syndicate.
Murder Inc.
did for
organized
crime what
Henry Ford did
for the
automobile,
and Tough
Jews is the
first in-depth
portrait of
these men, a

thrilling
glimpse at the
muscle that
made possible
the success of
gangster
statesmen
such as Bugsy
Siegel, Meyer
Lansky, and
Lucky Luciano.
For Rich
Cohen, who
grew up in
suburban
Illinois in the
1980s taunted
by the
stereotype of
Jews as book-
reading rule
followers, the
very idea of
the Jewish
gangster was
a relief; for
once, a Jew in
jail did not
have to be a
white collar
criminal. With
a clear eye

and a comic sensibility, Cohen looks beyond the blood and ultimately encounters each of these ruthless killers' matzo-ball heart. Tough Jews shows what can happen when a member of the tribe combines brains, heart, and a dangerous determination never to back down. Alfred Kazin's Journals iUniverse Drinkina rye and water with Grandma. Guns in False Creek. Frat

boy homies from the North Delta ghetto. Samuel L. Jackson. Phantom Lord & Metallica. A kid whoa s got the hots for his moma Hunh? Thata s right. Ita s all here in this collection of immediate, lean and visceral short fiction from Clint Burnham." Dancing with the Devil Macmillan In the New Mexico pre-dawn hours, the sexy Rikki Lockett and her lover hear a splash. The following morning she

and another detective discover Sonny Sixkiller at the bottom of Conchas Lake. Normally, that would be considered a simple skydiving accident. The fortune in cash and diamonds on him, however, makes Sonny anything but a nice guy who meets up with tragedy. Meanwhile, there is a jewel thief in the desert city who operates while being invisible. That is baffling to the Albuquerque

Police Department. Rikki's police work would have been normal, if it weren't for an escaped convict who is out to kill her. She is surrounded by insatiable lovers, high risk and ever-present danger. This tale of world-wide intrigue, feminine love, money and murder is

based on a true story. There are no victims, only volunteers. "A sexy thriller." Dr. M. Neil Browne "High drama and suspense!" the Detroit Free Press "Captivating! A real page turner." The Deep South Review
