Days of Elijah is the story
of the humbling work of
God in the life of Jerry
Selvidge while he was the
preacher in South Haven,
Michigan. The story is told
through the life of the

prophet Elijah who prayed
that it would not rain. In
answer to his prayer, the
rain stopped and Elijah
spent the next years of
his life being humbled at
the brook Cherith and
refined at the home of the
widow in the village of
Zarephath before his
great victory on Mt.
Carmel. Jerry Selvidge
also prayed a prayer. He
called it an exchange

prayer, where he was willing to exchange a fast growing church for wisdom to be better able to bless God's people. God answered that prayer with two years of preaching without a salary. Read how God took care of Jerry's family through the many stories he re-counts in the pages of *Days of Elijah*. See how God taught lessons that changed his life, even the miraculous saving of the Selvidge home that was in foreclosure. It is a tribute to the refining work of God in refining our

character through the disciplines of life. The book is especially appropriate in our hard economic times. God is most honored when his children find joy in the heat of the struggle. *Identity Wars* Flying Frog Publishing

A chance meeting leads the boys to discover that they have more in common than meets the eye. Both of them have encountered a strange presence in the forest, watching them, tracking them. Could the Madman of Piney Woods be real? In a tale brimming with intrigue and adventure, Christopher Paul Curtis returns to the vibrant world he brought to life in

Elijah of Buxton. Here is another novel that will break your heart—and expand it, too. This critically acclaimed story by National Book Award finalist Christopher Paul Curtis joins the Scholastic Gold line, which features award-winning and beloved novels. Includes extra bonus content! Praise for *The Madman of Piney Woods* “Humor and tragedy are often intertwined, and readers will find themselves sobbing and chuckling, sometimes in the same scene.” —Kirkus Reviews,

Starred Review “A delight, featuring the author’s obvious love for his characters, his skillful use of sentiment, and his often hyperbolic humor.” —Booklist, Starred Review “Heady stuff. Funny stuff. Smart stuff. Good stuff. Better get your hands on this stuff.” —School Library Journal “So suspenseful . . . Curtis deftly makes what might have been simply heart-rending hopeful and redeeming instead . . . A thrill ride of a plot.” —TheNew York Times

 Mr. Pegelow came from one of the wealthiest families in town, but he was dubbed the “bad boy” of the family. He thought the whole world had turned on him, so he turned to a bottle for a cave in which to hide. This book should stir your heart and inspire you to be a soul-winner as the author in his vision takes you down the highway of life into the realm of eternity and shows the fate of one who sold himself completely into

Satan's control. A truly captivating story testifying of the miraculous power of God that is able to rescue a soul from hell and make all things new!

Shadow Mountain Identity Wars is a journey

of self discovery. It's an invitation to learn your value in a purely relational context. Our lives are bombarded with a constant drone of messages telling us that success only comes from proving to ourselves and the world that we have what it takes, that we have the right stuff. It is a system that teaches us to only feel valuable and important when we achieve and perform to a certain standard. The results of this system are in and the evidence is not good. Millions are

depressed and 100's of people a day ending their lives in despair. I invite you to learn the true nature of the war we are in - an identity war of what defines our value and worth. The stakes are high because it is life and death. This book contains my journey and the principles I learnt along the way. Freedom is a relative thing but this book documents my road to freedom.

Why a Book on Elijah and Elisha? Because Christians

today confront the same issues Elijah and Elisha did: strong spiritual attacks from evil powers operating in the world, the temptation to sacrifice faith through compromise, and the tendency to concentrate on form rather than essence in spiritual life. Because Elijah and Elisha dealt with the key issues of the faith: Christian formation through listening and obeying God, true solitude, prayer, living by faith, compassion, justice, single-minded and wholehearted devotion to

God, and evangelism and mission. Pneuma Springs Bible Resources is a ministry of Youth With A Mission's Antioch Institute for International Ministries (www.ywam-aiim.org) designed to produce Bible study materials that equip disciples of Jesus Christ to know the truth in which they stand and to enable them to be God's instruments to extend the Kingdom of God throughout the world. Other available resources include the following books by David E. Ross: *A Table Before Me* (Xulon

Press 2007), Out of the House of Fear, Into the House of Love (Korea YWAM Publishing, www.ywam.co.kr, 2002), and God Loves North Korea (Korea YWAM Publishing, 1999). David E. Ross is a Presbyterian (PCUSA) pastor who together with his wife, Ellen, have more than fifty years of missionary experience and founded Youth With A Mission Korea and the Antioch Institute for International Ministries in Monroe, Washington. Their multi-cultural ministry includes

teaching and writing, mentoring long-term missionaries, mobilizing and training Koreans living outside Korea in the diaspora, and working for reconciliation between North and South Korea for the sake of world evangelization.

Holy Bible (NIV)

Scholastic Inc. Michael O'Brien presents a thrilling apocalyptic novel about the condition of the Roman Catholic Church at the end of time. It explores the state of the modern world, and the strengths and weaknesses

of the contemporary religious scene, by taking his central character, Father Elijah Schäfer, a Carmelite priest, on a secret mission for the Vatican which embroils him in a series of crises and subterfuges affecting the ultimate destiny of the Church. Father Elijah is a convert from Judaism, a survivor of the Holocaust, a man once powerful in Israel. For twenty years he has been "buried in the dark night of Carmel" on the mountain of the prophet Elijah. The Pope and the Cardinal

Secretary of State call him out of obscurity and give him a task of the highest sensitivity: to penetrate into the inner circles of a man whom they believe may be the Antichrist. Their purpose: to call the Man of Sin to repentance, and thus to postpone the great tribulation long enough to preach the Gospel to the whole world. In this richly textured tale, Father Elijah crosses Europe and the Middle East, moves through the echelons of world power, meets saints and sinners, presidents,

judges, mystics, embattled Catholic journalists, faithful priests and a conspiracy of traitors within the very House of God. This is an apocalypse in the old literary sense, but one that was written in the light of Christian revelation.

There is a marked resemblance between our time and that of Elijah and Elisha. Theirs was a time of judgment; ours is as well. But there is a deeper resemblance. Their day was an age of syncretism, of radical compromise between the worship of

the Lord and Baal worship. The two had been blended together to make one religion, so that a refusal to see the necessity for uncompromising religion marked Israel. Israel rarely denied the Lord or professed open apostasy. Rather, it pursued a course of religious syncretism, using the name of the Lord but absorbing with their religion whatever other faith was expedient for them. Thus, they were not open pagans, but pagans who practiced their

unbelief under cover of the Lord's name. Syncretism is again our problem. Numerous forces, powers, and persons are accorded sovereignty over man. Today, Baal-worship is again prevalent in the name of the Lord. Humanistic statism is easily and readily submitted to by churchmen: children are placed in humanistic state schools, given into the hands of the enemies of God, and people are only indignant if you condemn this practice. The major

concern of most church members is not the Lord's battles, nor the urgency to make a stand against compromise, but, "How can I best enjoy life?" The similarity does not end there. Elijah and Elisha's day was one of prosperity, a false prosperity that was largely the product of inflation. Our age, too, has been marked by an inflationary prosperity, and the loosening of moral and religious standards is one result. People want things, not qualities or virtues. This mindset demands more

material wealth for men and diminishes the need for moral and educational performance and excellence. It is now a virtue to tolerate evil and to be intolerant of any material lack for man. In *Chariots of Prophetic Fire*, R J. Rushdoony challenges the Church of our day to resist compromise and the temptation of expediency, and realize that the power today does not lie in politics or governments but in God's men of faith. commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled

into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable

contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

Is there a secret cabal working to collapse the

international economy in order to usher in a global government and one-world currency? Noah Parker, like many in the United States, has been asleep at the wheel. During his complacency, the founding precepts of America have been slowly, systematically destroyed by a conspiracy that dates back hundreds of years. The signs can no longer be ignored and Noah is forced to prepare for the cataclysmic period of financial and political upheaval ahead. Watch through the eyes of Noah

as the world descends into chaos, a global empire takes shape, ancient writings are fulfilled and the last days fall upon the once great, United States of America. *The Days of Noah, Book One: Conspiracy*, by Mark Goodwin is a fast paced fiction thriller which looks at how modern conspiracies can play into Biblical prophecy concerning the end times. [The Elijah Factor](#) HarperOne Elijah in Jerusalem, the long awaited sequel to the acclaimed best-selling

novel, Father Elijah: An Apocalypse , is the continuing story of the priest, Fr. Elijah. A convert from Judaism, and a survivor of the Holocaust, he has for decades been a Carmelite monk on the mountain of the prophet Elijah. In the events of the preceding novel, Father Elijah, the central character confronted the President of the European Union, a man rising toward global control as President of the soon to be realized World Government. The Pope recognized in the

President certain qualities that are anti-Christ, and asked Fr. Elijah to call the man to repentance, though his attempts at this prove to be unsuccessful. In this sequel, now-Bishop Elijah, accompanied by his fellow monk Brother Enoch, enter Jerusalem just as the President arrives in the city to inaugurate a new stage of his rise to power. They hope to unmask him as the Antichrist prophesied by Scripture and to warn the world of the imminent spiritual danger to

mankind. As the story unfolds, people of many kinds meet the undercover priest, and in the process their souls are revealed and tested, bringing about change for the good or for evil. Elijah perseveres in his mission even when all seems lost. The dramatic climax is surprising, yet it underlines that God works all things to the good for those who love Him, testifying to the truth that in the end Wisdom will be justified and Satan confounded.
