“Revealed: The Kingdom of Locs Nazirite Vow Continues - Volume 2” is truly a fulfillment Step into the hallowed halls of history as you embark on a riveting journey that unfolds like a gripping court case in "Revealed: The Kingdom of Locs Nazirite Vow Continues - Volume 2." Imagine yourself as the judge, presiding over a case that will reshape your understanding of faith, self-governance, and the indomitable spirit of a nation. The plaintiff, the enigmatic HH Empress Queen Christina Clement, takes the stand with an unwavering resolve to present her case. She stands as a representative of the Loc Nation, a community intricately tied to the sacred Nazirite vow. With her authoritative voice, she lays out the argument that this vow is more than a mere relic of the past—it's a living testament to a global struggle, a beacon of self-governance, and a call to action that resonates across borders. The courtroom buzzes with anticipation as Clement builds her argument brick by brick, her words resonating like the pounding of a gavel. Drawing evidence from

the annals of history, she masterfully weaves together the threads of the Nazirite vow's connection to biblical scriptures, shedding light on its profound significance. She delves into the shadows of a dark era—the illegal slave trade—a global atrocity that shook the foundations of humanity. With every carefully curated piece of evidence, she invites you, the judge, to ponder the depths of this historical interplay. As you listen to the proceedings, you'll be introduced to a staggering number: 1.4 trillion Loc Nationites and 4.2 million Black individuals worldwide. Their stories and experiences are the crux of the evidence presented. Their voices echo in the courtroom, a collective chorus that reverberates through time, begging for recognition and justice. But the courtroom drama doesn't end there. The rule book is laid bare, contributions of the International Jurists Commission a prestigious entity within the legal world—the principles of justice, the declaration of self-governance, and the pursuit of truth. You, the reader, are summoned to render your judgment. Will you stand with the plaintiff, recognizing the Nazirite vow as a beacon of hope and change and should be recognized as artifact of faith? Who is responsible for the illegal slave trade church, government or both? Should Loc nation and African Americans be properly compensated for the extreme years of wicked acts all nations have experienced and proclaimed self governance? What

would be the fair remedy? Or will you take a different stance, swayed by the intricate dance between history, faith, and personal conviction? "Revealed: The Kingdom of Locs Nazirite Vow Continues - Volume 2" is not merely a book—it's a court case that beckons you to join the pursuit of justice, to explore the tangle of narratives that bind the past and the present, and to make a decision that resonates with the heartbeat of humanity. Enter the courtroom of history, take your seat as the judge, and immerse yourself in the pages of this monumental work that challenges you to answer the ultimate question: What would be your judgment?

**Revealed The Kingdom of Locs Nazirite Vow Continues Volume 2: Change is Nature and it Starts with a Loc** Harmony

"It is an easy read with a plethora of stories outlining the journey of hair locking. Topics such as colorism, racism, beauty standards and other social issues are candidly discussed by the writer. What is most unique about this book is that the writer prepares you for the emotional/spiritual aspects of hair locking." -- Back cover.

[Life Lessons & Locs](#) Generations Soar

In "western" cultures, some people have chosen a dreadlock hairstyle, despite many in mainstream society looking at it in a negative light. This book deals with contradictions surrounding the hairstyle such as often representing a protest against the prevailing right-wing political systems, yet also emphasizing the white person's power to appropriate any style. Based on interviews and close observations in social media, the book offers insights into the culture(s)

surrounding dreadlocks and ultimately interprets the phenomenon as a postmodern form of individuality.

**My Loc Reflective Journal: a Meditation on My Locing Journey** Yolanda Johnson  
 Locs like mine takes you on journey of a young boy discovering that people wear their hair differently. Even though he gets teased for wearing his hair in locs, he feels strong, powerful and unique. His hope is that others will feel unique too, no matter how they wear their hair.  
 Artisan Books

Do you currently struggle with maintaining your natural hair? Do you want to grow healthy locs but don't know where to start? What if you were viewed as different because of the hair that naturally grows from your head? What if deep-rooted misconceptions twisted your self-perception, making it difficult to love the skin you're in? A TRUE STORY through the lens of a brown-skinned girl with tightly coiled hair addresses these often overlooked issues through an emotional natural hair and loc journey. Offering practical tips and working solutions to natural hair obstacles, Naturally Motivated Lady shares personal experiences to help you to avoid unnecessary mistakes. She also shares how to skillfully approach choosing between 8 different ways of starting and growing healthy locs. Naturally Motivated Lady provides an eye-opening perspective into relatable and timeless life lessons that most people would never imagine learning from their hair. Whether you have locs, loose natural hair, or relaxed hair, you can benefit from this unique perspective that digs into truths and biases about afro-textured hair that affect our self-perception as well as how we view others. This book provides insight on nurturing locs and natural hair, gaining confidence, and learning powerful lessons that can enhance people's lives.

[Locs, Life and Love Pt 2: The Knotty Chroniclez](#) Keisha's Self-Love and Happine

Have you always admired women with flowing hair? Do you long for a wash-and-go style? In Nice Dreads, Lonnicc Brittenum Bonner, the author of the classic Good Hair, shares her secrets and personal stories about dreadlocks—from cultivating buds to keeping those locks looking their best! Perfect for women who want dreadlocks but aren't sure how to start, or for those who've already started and want to know the best ways to keep hair healthy, Nice Dreads can help you grow your own lovely locks. From preparing for the haircut to everyday maintenance, Lonnicc Brittenum Bonner tells you exactly what to expect, while photographs illustrate each stage of growth and showcase mature dreads in all their glory. The author (who sports locks herself) knows firsthand the challenges of caring for this hairstyle; those intimidated by a drastic cut or shy about showing off the stages of early growth will find personal encouragement from someone who knows exactly how they feel—and how great they'll look! Learn how to overcome your reservations and wear your style with pride.
