A centuries-old vampire decides to bring his crushing-and-destroying skills to the ice in this hilarious story about the newest (and oldest) member of the local peewee hockey team. After centuries alone in his old castle, Vlad is ready to try something new. When he hears the local hockey team

After weeks of practice, he's finally ready for the big game...but can a hundreds-of-years-old vampire really learn new tricks? This hilarious, energetic picture book encourages teamwork, perserverance, and a love of hockey that will last a lifetime, even for an immortal being.

But even eternal nightlife can take on a chill without companionship. The unholy fiend-in-need seeks a down-to-earth, flesh-and-blood girl who's his...er type for a very long-term relationship. But where there are vampires, there are vampire hunters. Unfortunately their stakeout for an eccentric "nobleman" sends them chasing a mortal target named... KENT MONTANA He's the descendant of Scottish nobility, or so he claims. He's an out-of-work actor. He never gets a good script...but his life is more exciting than any science

 'Your children will die. Your community will die. To give me back my life.' The small rural community of Shettle has fallen into a decline. It is rife with crime and its inhabitants plagued by ill-fortune. When the Circus of Nights arrives the people are drawn to it like moths to a flame: it's as though they are bewitched. Only four men realise that there is something terribly wrong. And as the town is enclosed in a barrier of 'sickness' through which no one can enter or leave, they must do their utmost to protect their loved ones, before it's too late...

Alexander Roman wants nothing to do with the controlling rulers of his vampire breed, but as a new threat to the pureblood vampires emerges, Alexander's ties to the past are forced upon him, and without warning, he finds himself disoriented, terrified and near death at the door of a stranger. Dr Sara Donohue is dedicated to removing the traumatic memories of her patients - like those of the stranger at her front door. But what he tells her of his past is too astonishing to be anything more than the delusion of a madman. Then, as their worlds collide, Sara and Alexander are bound as one becomes hunter and the other prey. And Sara's only

chance of survival is to surrender to the final - and most unimaginable - desire of her life.

He is captivated by the one who saved him from death—until he finds out who she is...

When his lover is murdered by evil vampire-beast, Cruen, the grief-stricken Synjon Wise believes his life over. Enraged, he flashes her away to a remote spot in South America to give his beloved's body a proper burial. But when the sun blazes overhead and takes her body before his eyes, Synjon's mind completely unravels.

Mad with the need to join her, he walks into the sun a morphed male, prepared to die. He awakens to find himself amongst a breed known as Shifters. As he is nursed back to health by Petra, who saved his life, Synjon feels no gratitude—only anger and guilt that he is still alive. But this female is strong and refuses to let Syn waste away. For the bond that will form between them will be enduring: as nurse and patient, male and female, savior and saved. Betrayer and betrayed...

Vampire Circus

Hachette UK

The stunning conclusion to the Mark of the Vampire series from New York Times bestselling author Laura Wright. The

violent attack left Synjon destroyed and his lover dead—at the will of the evil vampire Cruen. Syn's passionate savior was Petra. When she became pregnant with his child, it should have been a blessing—until Syn vanished after discovering the truth: Petra was the daughter of the man he despised above all others. The daughter of Cruen. When Petra's health begins to decline, she contacts Syn to help save their baby. Though reluctant to see Petra, he cannot turn his back on his own innocent child. But night after night, as his feelings for Petra are rekindled, Syn becomes increasingly torn. Although everyone assumes that Cruen is dead, Syn is not convinced—and is

still hell-bent on finding and destroying him once and for all. But will his thirst for vengeance keep him from seeing what is really worth living for before it is too late? The Vampire University Press of Kentucky The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel

of mesmerizing beauty and astonishing force—a story of danger and flight, of love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

This definitive biography of the silver screen legend is “a moving, lively, witty, sad book that revives once more the long dead Count Dracula” (Kirkus Reviews). Bela Lugosi won immediate fame for his starring role in the 1931 film *Dracula*—the role that would forever define his persona. After a decade of trying to broaden his range, Lugosi resigned himself to a career as the world's most

recognizable vampire, often playing opposite his horror film rival Boris Karloff. When he died in 1956, Lugosi could not have known that vindication of his talent would come—his face would adorn theaters and his Hungarian accent would be instantly recognized across the globe. In 1974, silent film expert Arthur Lennig published *The Count*, a highly regarded biography of the unsung actor. Now Lennig returns to his subject with a completely revised volume more than twice the length of the original. *The Immortal Count* provides deeper insights into Lugosi's films and personality. Drawing upon personal interviews, studio memos, shooting scripts, research in

Romania and Hungary, and his own recollections, Lennig has written the definitive account of Lugosi's tragic life. *Eternal Demon Ace* Mark Jenkins's engrossing history draws on the latest science, anthropological and archaeological research to explore the origins of vampire stories, providing gripping historic and folkloric context for the concept of immortal beings who defy death by feeding on the lifeblood of others. From the earliest whispers of eternal evil in ancient Mesopotamia, Greece, and Rome, vampire tales flourished through the centuries and around the globe, fueled by superstition, sexual mystery, fear of

disease and death, and the nagging anxiety that demons lurk everywhere. In *Vampire Forensics*, Mark Jenkins probes vampire legend to tease out the historical truths enshrined in the tales of terror: sherds of Persian pottery depicting blood-sucking demons; the amazing recent discovery by National Geographic archaeologist Matteo Borrini of a 16th-century Venetian grave of a plague victim and suspected vampire; and the Transylvanian castle of "Vlad the Impaler," whose bloodthirsty cruelty remains unsurpassed. Jenkins navigates centuries of lore and legend, adding new chapters to the chronicle and weaving an irresistibly

seductive blend of superstition, psychology, and science sure to engross everyone from Anne Rice's countless readers to serious students of archaeology and mythology. The Mark of the Vampire Penguin THE INSTANT NEW YORK TIMES, USA TODAY, AND WALL STREET JOURNAL BESTSELLER From New York Times bestselling author Jay Kristoff comes *Empire of the Vampire*, the first illustrated volume of an astonishing new dark fantasy saga. From holy cup comes holy light; The faithful hand sets world aright. And in the Seven Martyrs' sight, Mere man shall end this endless night. It has been twenty-seven

long years since the last sunrise. For nearly three decades, vampires have waged war against humanity; building their eternal empire even as they tear down our own. Now, only a few tiny sparks of light endure in a sea of darkness. Gabriel de León is a silversaint: a member of a holy brotherhood dedicated to defending realm and church from the creatures of the night. But even the Silver Order could not stem the tide once daylight failed us, and now, only Gabriel remains. Imprisoned by the very monsters he vowed to destroy, the last silversaint is forced to tell his story. A story of legendary battles and forbidden love, of faith lost and friendships won, of the Wars of the Blood and

the Forever King and the quest for humanity's last remaining hope: The Holy Grail.

Oscar Greenberg is not your typical vampire. He doesn't drink human blood, for one. He's a successful author - albeit prone to writer's block. Their happily-ever-after might actually last forever - unless someone comes between them. Someone like Arthur Keaton: Vampire Hunter, who also happens to be Denise's brother!
