The award-winning author "tackles the tribulations of an American family in crisis . . . Like Jonathan Franzen's *The Corrections* . . . a must-read" (Booklist). By way of Italy, the Felice family puts down new roots in Southern California, settling into a grand Victorian home and buying a share of the great American Dream. But for their five, first-generation children, an idyllic childhood didn't quite translate into success and happiness. Rather, the pressures of living up to expectations drove a wide rift through

the family. After decades apart, the five siblings find themselves together again at their ailing mother's bedside, caught in a deadlocked feud over her hospice care. Into the morass steps Murrone Teinetoa, one of their bastard children, who carries an idealistic hope of finally fitting in among her estranged relatives. In an interweaving narrative, Malae portrays the Felices in their formative years of the fifties; he excavates the personal lives of the siblings in the eighties and nineties; and he follows Murrone in the present as she raises her son as a single mother. A powerful and fiery multi-generational story, *Our Frail Blood* captures the beauty and horror, the strength and fragility, the selfishness and love comprising the threads of familial bonds. "This magnificent novel depicts dysfunction and dissolution across three generations . . . Malae taps an underground reservoir of grief and rage beneath our multicultural democracy that finally explodes in a terrible

geyser." —Anthony DiRenzo, author of *Trinacria: A Tale of Bourbon Sicily* "The novel's heart is true . . . Malae is at his best: depicting the throbbing pain and joy of an American family." —Publishers Weekly

Arizona. Kentucky. Indiana. It's astounding to think that three elite college basketball programs can trace their success back to one small-town high school coach, Blackhawk High's legendary John Miller. Coach John Miller was just following his heart's passion and channeling his unbreakable spirit when in the early 1970s he began to use basketball as a platform for developing young players and future leaders. Little could he have known that his two sons, Sean and Archie Miller, and their cousin, John Calipari, would grow up to lead historic basketball programs to national prominence. And over his career, he also inspired countless other

young players, who would grow up to become doctors, lawyers, and prominent CEOs. At his retirement in 2005, Coach Miller's record stood at 657-280 over his thirty-five-year career, making him one of the winningest coaches in high school basketball history. Today, Coach Miller's legacy extends from the tiny hamlet of Beaver Falls, Pennsylvania, to some of the most famous sporting venues in America. He is a legend in the sport, praised by greats such as Kobe Bryant, Thad Matta, Bucky Waters, and Jamie Dixon. Filled with original photos and behind-the-scenes stories, *Miller Time* is for every hardwood aficionado.

A haunting tribute to the heroic pioneers who shaped the American Midwest This powerful novel by Willa Cather is considered to be one of her finest works and placed Cather in the forefront of women novelists. It tells the stories of several immigrant families who start new lives in America

in rural Nebraska. This powerful tribute to the quiet heroism of those whose struggles and triumphs shaped the American Midwest highlights the role of women pioneers, in particular. Written in the style of a memoir penned by Antonia's tutor and friend, the book depicts one of the most memorable heroines in American literature, the spirited eldest daughter of a Czech immigrant family, whose calm, quite strength and robust spirit helped her survive the hardships and loneliness of life on the Nebraska prairie. The two form an enduring bond and through his chronicle, we watch Antonia shape the land while dealing with poverty, treachery, and tragedy. "No romantic novel ever written in America...is one half so beautiful as *My Ántonia*." - H. L. Mencken Willa Cather (1873-1947) was an American writer best known for her novels of the Plains and for *One of Ours*, a novel set in World War I, for which she was awarded the Pulitzer Prize in 1923. She was elected a fellow of the American Academy of Arts and Sciences in 1943 and received the gold medal for fiction from the

National Institute of Arts and Letters in 1944, an award given once a decade for an author's total accomplishments. By the time of her death she had written twelve novels, five books of short stories, and a collection of poetry.
