The first English-language collection of a contemporary Russian master of the short story. Maxim Osipov, who lives and practices medicine in a town ninety miles outside Moscow, is one of Russia's best contemporary writers. In the tradition of Anton Chekhov and William Carlos Williams, he draws on his

experiences in medicine to write stories of great subtlety and striking insight. Osipov's fiction presents a nuanced, collage-like portrait of life in provincial Russia—its tragedies, frustrations, and moments of humble beauty and inspiration. The twelve stories in this volume depict doctors, actors, screenwriters, teachers, entrepreneurs, local political bosses, and common criminals whose paths intersect in unpredictable yet entirely natural ways: in sickrooms, classrooms, administrative offices and on trains and in planes. Their encounters lead to disasters, major and minor epiphanies, and—on occasion—the promise of redemption.

It is universally acknowledged that Leo Tolstoy, author of War and Peace and Anna Karenina, was as much a master of the short story as of the full-length novel. This original collection, which features some of his most hard-to-find tales, will enchant longtime enthusiasts of Tolstoy's work as well as new readers. "The Forged Coupon" traces how an act of deception leads to both murder and redemption. "After the Dance" depicts an army deserter's punishment and explores the subjective nature of opinions on good and evil. "Alyosha the Pot" profiles a simple

man content to live according to others' expectations. "A Prisoner in the Caucasus" undermines the romantic conceptions associated with the region in particular and with war in general. "The Bear Hunt" forms a cautionary tale of acting in anger; "Two Old Men" suggests that the best way to honor God is to love and care for other people; additional stories include "The Raid," "The Snow-Storm," and "The Godson."

*Russian Magic Tales from Pushkin to Platonov* Touri Language Learning

Presents fifteen illustrated scenes that portray common types of people, animals, places, and things along with the corresponding words for them in Russian, as well as a list of the Russian words and their English translations.

'She turned into a frog, into a lizard, into all kinds of other reptiles and then into a spindle' In these tales, young women go on long and difficult quests, wicked stepmothers turn children into geese and tsars ask dangerous riddles, with help or hindrance from magical dolls, cannibal witches, talking skulls, stolen wives, and brothers disguised as wise birds. Half the tales here are true oral tales, collected by folklorists during the last two centuries, while the others are reworkings of oral tales by four great Russian writers: Alexander Pushkin, Nadezhda Teffi, Pavel Bazhov and Andrey Platonov. In his introduction to these new translations, Robert Chandler writes about the primitive magic inherent in these tales and the taboos around them, while in the afterword, Sibelan Forrester discusses the witch Baba Yaga. This edition also includes an appendix, bibliography and notes. Translated by Robert Chandler and Elizabeth Chandler With Sibelan Forrester, Anna Gunin and Olga Meerson
