The God Dare Barbour Publishing

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

The God Dare. Where will you hear it? . . . Deep down inside, you know you're on this planet for a reason. God has a plan in mind just for you. In fact, He chose you for His plan before the foundation of the world. He designed you very specifically for this time and this place, and He's perfectly equipped you to accomplish His purpose in the earth. Through engaging and memorable true stories—both biblical and modern—author Kate Battistelli challenges and encourages you to discover how God has specifically designed you for this time in history, your place in the world, your role in His cosmic plan. Once and for all, let go of your fear, worry, pride and strife. . . All God ever needs is a willing vessel. Will you say yes?

First published in 1998, Carley collates twelve essays by an international group of contributors reflects the truly cosmopolitan nature of Delius's life and his music. They reveal the manner in which he absorbed the culture of the nations he came to know, their music, art and literature, and the influences they brought to bare on his own work. Also discussed are some of the often mixed, but rarely equivocal reactions that performances of his music have reactions over the years, with Lionel Carley's in-depth study of the first production of *Foleraadet* in 1897, and a wide ranging analysis by Don Gillespie and Robert Beckhard of the critical reception of Delius's music in the United States between 1909 and 1920.

Praying for Our Adult Sons and Daughters Good Press

'My object is to have you fit to live; which, if you are not, I do not desire that you should live at all.'

So wrote Lord Chesterfield in one of the most celebrated and controversial correspondences between a father and son. Chesterfield wrote almost daily to his natural son, Philip, from 1737 onwards, providing him with instruction in etiquette and the worldly arts. Praised in their day as a complete manual of education, and despised by Samuel Johnson for teaching 'the morals of a whore and the manners of a dancing-master', these letters reflect the political craft of a leading statesman and the urbane wit of a man who associated with Pope, Addison, and Swift. The letters reveal Chesterfield's political cynicism and his belief that his country had 'always been governed by the only two or three people, out of two or three millions, totally incapable of governing', as well as his views on good breeding. Not originally intended for publication, this entertaining correspondence illuminates fascinating aspects of eighteenth-century life and manners. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

South Africa revels in its reputation as a sport-loving country. Yet just beneath the surface lurks a dark underbelly that reeks of cheating and illicit shenanigans, where shady characters and willing athletes are prepared to do whatever it takes to come out on top. South African sport is awash with steroids, a habit that formed in the late 1980s and continues unabated today, with participants and champions alike opting to play dirty. *Guns and Needles* infiltrates an extraordinary environment that includes the story of the youngest athlete, who happens to be a South African, to ever test positive. With doping numbers far higher than the international average, prominent sportswriter Clinton van der Berg probes why this is so. Many of the stories have never been told, including that of the death of a young rugby aspirant and the bodybuilder who talks candidly of his thirty-year odyssey with steroids. *Guns and Needles* also unmask the rampant level of steroid use in schoolboy rugby and the prominent busts at senior and Springbok level, while examining the murky steroid underworld and related deaths, as well as the doping culture in boxing, athletics and other sports. This is a gripping read filled with drama, tragedy and scarcely believable stories.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Being a Distance Grandparent John Wiley & Sons

What's the one thing that defines your life and brings you the most good, the most love? Pat Gohn knows what her one thing is: "More than any single factor in my life, belonging to Jesus Christ and the Catholic Church has had the greatest impact on me. Faith gives meaning to everything in my life." In this passionate and unapologetic account of why her faith in Christ and the Catholic Church are the source of meaning and joy in her life, Gohn—popular speaker, retreat leader, catechist, and author of *Blessed, Beautiful, and Bodacious*—invites you to become more confident in the power of the Catholic faith to transform your life as well. Being a cradle Catholic, cancer survivor, wife, and mother are all a part of Gohn's story. But in this appealing, personal book, she shares why her relationship with Jesus and her confidence in his Church are so much bigger than her medical diagnosis, more powerful than her family history, and more significant than her career path. Gohn ardently shares why belonging to the Church will strengthen and nurture your relationship with God. It will keep you connected with Jesus and the sacraments—conduits of grace, forgiveness, healing, wisdom, and renewal. Belonging to the Church connects you to millions of others around the world, to the saints, and to your loved ones in heaven. These relationships are at the heart of Catholicism. In this time when life and society are so fragmented, the joy of belonging to a community—as imperfect as it can be—easily outweighs the agony of separation or isolation. Gohn's confidence in her faith emerged despite and even out of a struggle with disillusionment. Working in a parish when news of the sex abuse scandals broke in Boston, she confronted heartbreak and anger within herself and her fellow parishioners. Yet she never left the Church and relates how she found a way to dig deeper and discover reasons to stay faithful. Each of the nine chapters identifies a dimension of the Catholic faith that is a source of Gohn's confidence, including the Incarnation, God's plan, the Fatherhood of God, the friendship of the Holy Spirit, and the love of neighbor. Each chapter also features reflection questions to challenge you.

Ambiguous Loss Ave Maria Press

The only way to appreciate the legendary musician Mark E. Smith is to encounter the man in his own words. 'May be the funniest music book ever written' Observer The Fall are one of the most distinctive British bands, their music - odd, spare, cranky and repetitious - an acknowledged influence on The Smiths, The Happy Mondays, Nirvana and Franz Ferdinand. And Mark E. Smith IS The Fall. 47 members have come and gone over the years yet he remains its charismatic leader, a professional outsider and all-round enemy of compromise, a true enigma. There have been a number of biographies of the legendary Smith, but this is the first time he has opened up in a full autobiography. For the first time we get to hear his full, candid take on the ups and downs of a band as notorious for its in-house fighting as for its great music; and on a life that has endured prison in America, drugs, bankruptcy, divorce, and the often bleak results of a legendary thirst.
