landmark, prize-winning, international bestselling examination of how a gender gap in data perpetuates bias and disadvantages women, now in paperback Data is fundamental to the modern world. From economic development to health care to education and public policy, we rely on numbers to allocate resources and make

crucial decisions. But because so much data fails to take into account gender, because it treats men as the default and women as atypical, bias and discrimination are baked into our systems. And women pay tremendous costs for this insidious bias, in time, in money, and often with their lives. Celebrated feminist advocate

Caroline Criado Perez investigates this shocking root cause of gender inequality in the award-winning, #1 international bestseller *Invisible Women*. Examining the home, the workplace, the public square, the doctor's office, and more, Criado Perez unearths a dangerous pattern in data and its consequences on women's lives. Product designers use a "one-size-fits-all" approach to everything from pianos to cell phones to voice recognition software, when in fact this approach

is designed to fit men. Cities prioritize men's needs when designing public transportation, roads, and even snow removal, neglecting to consider women's safety or unique responsibilities and travel patterns. And in medical research, women have largely been excluded from studies and textbooks, leaving them chronically misunderstood, mistreated, and misdiagnosed. Built on hundreds of studies in the United States, in the United Kingdom, and

around the world, and written with energy, wit, and sparkling intelligence, this is a groundbreaking, highly readable exposé that will change the way you look at the world. Medical Questions Answered Narr Francke Attempto Verlag Highly controversial but impeccably researched, *The Real Messiah* explodes the myth that Jesus was the long-prophesied Messiah of the Jewish nation. Indeed, it argues that Jesus never claimed that role but thought of himself as

herald to the true Messiah: Marcus Julius Agrippa, the last King of the Jews and Jesus' contemporary. It was he who truly founded what became known as Christianity, and wanted to build a faith to which anyone could aspire. Though Marcus Agrippa was initially successful, with the passing of time those in charge of the new faith capitulated to the whims of successive Roman Emperors and centered their religion on Jesus instead.
DJ-culture Routledge

Learn the skills of the world's most famous detective in this how-to guide for Sherlock enthusiasts and amateur sleuths—from the author of the Miss Peregrine books This reader's companion to the casework of Sherlock Holmes explores the methodology of the world's most famous consulting detective. From analyzing fingerprints and decoding ciphers to creating disguises and faking one's own death, readers will learn how Holmes solved

his most celebrated cases—plus an arsenal of modern techniques available to today's armchair sleuths. Along the way, readers will discover a host of trivia about the master detective and his universe: • Why did Holmes never marry? • How was the real Scotland Yard organized? • Was cocaine really legal back then? • Why were the British so terrified of Australia? For die-hard Sherlockians and amateur investigators alike, this handbook is nothing less

than . . . elementary.
It's Never Too Late to Begin Again Simon and Schuster
 Named a Best History Book of 2019 by The Times (UK) The astounding true story of how thousands of ordinary Germans, overcome by shame, guilt, and fear, killed themselves after the fall of the Third Reich and the end of World War II. By the end of April 1945 in Germany, the Third Reich had fallen and invasion was underway. As the Red Army advanced, horrifying

stories spread about the depravity of its soldiers. For many German people, there seemed to be nothing left but disgrace and despair. For tens of thousands of them, the only option was to choose death -- for themselves and for their children. "Promise Me You'll Shoot Yourself" recounts this little-known mass event. Using diaries, letters, and memoirs, historian Florian Huber traces the euphoria of many ordinary Germans as Hitler restored national pride; their indifference as the

Führer's political enemies, Jews, and other minorities began to suffer; and the descent into despair as the war took its terrible toll, especially after the invasion of the Soviet Union. Above all, he investigates how suicide became a contagious epidemic as the country collapsed. Drawing on eyewitness accounts and other primary sources, "Promise Me You'll Shoot Yourself" presents a riveting portrait of a nation in crisis, and sheds light on a dramatic yet largely unknown episode

of postwar Germany.

Since antiquity, people
have been asking
themselves what it means
to live a good life. How
should I live? What
constitutes a good life?
What's the role of fate?
What's the role of money?
Is leading a good life a
question of mindset, or is
it more about reaching
your goals? Is it better to
actively seek happiness or
to avoid unhappiness?
Each generation poses
these questions anew,

and somehow the
answers are always
fundamentally
disappointing. Why?
Because we're constantly
searching for a single
principle, a single tenet, a
single rule. Yet this holy
grail--a single, simple path
to happiness--doesn't
exist. Rolf Dobelli--
successful businessman,
founder of the TED-style
ideas conference Zurich
Minds, bestselling author,
and all-around seeker of
big ideas--has made
finding a shortcut to
happiness his life's
mission. He's synthesized

the leading thinkers and
the latest science in
happiness to find the best
shortcuts to satisfaction in
The Art of the Good Life,
his follow up to the
international bestseller
The Art of Thinking Clearly
(which has sold more than
2.5 million copies in 40
languages all around the
globe). The Art of the
Good Life is a toolkit
designed for practical
living. Here you'll find
fifty-two happiness hacks--
from guilt-free shunning
of technology to gleefully
paying your parking
tickets--that are certain to

optimize your happiness. These tips may not guarantee you a good life, but they'll give you a better chance (and that's all any of us can ask for).

Das Buch Hömma - da wisse bekloppt! Penguin Traumata sind belastende Erfahrungen, die das Leben eines Menschen tiefgreifend beeinflussen können. Sie können durch Unfälle, Missbrauch, Krieg oder andere traumatische Ereignisse ausgelöst werden und hinterlassen oft tiefe seelische Wunden. Doch es gibt Hoffnung, Traumata zu

überwinden und ein erfülltes Leben zu führen. Um Traumata zu überwinden, ist es entscheidend, das Trauma zu verstehen. Betroffene sollten sich bewusst machen, dass ihre Reaktionen auf das Trauma normal sind. Zu verstehen, was ein Trauma ist, was bei einem Trauma im Gehirn passiert und welche Folgestörungen ein Trauma auslösen kann, ist der erste Schritt einer Trauma-Verarbeitung. Die Zeit heilt nicht alle Wunden ist ein

umfassendes und informatives Buch, das Ihnen alles Wissenswerte über die Trauma-Folgen und der Methode EMDR vermittelt. Es ist ein hilfreicher Ratgeber für Menschen, die an den Folgen eines Traumas leiden und sich für die Methode EMDR interessieren. Dieses Buch soll nicht nur eine Auseinandersetzung mit den Schatten der Vergangenheit sein, sondern auch ein strahlendes Licht der Hoffnung, das Sie auf Ihrem Weg der Heilung

begleiten möchte. Vielfältige Trauma-Übungen und Möglichkeiten der Selbsthilfe, sollen Trauma Opfer helfen, sich vor und während einer Traumatherapie zu stabilisieren. Angehörige und Freunde von Trauma-Opfern erhalten Informationen und Hilfestellungen. Persönliche Erfahrungsberichte von Menschen, die mithilfe der EMDR-Therapie ihre traumatischen Erlebnisse bewältigt haben, sollen Trauma Opfern Mut

geben, sich auf eine Traumatherapie einzulassen, um ihre psychischen und körperlichen Wunden zu heilen. Dieses Buch soll nicht nur eine Auseinandersetzung mit den Schatten der Vergangenheit sein, sondern auch ein strahlendes Licht der Hoffnung, das Sie auf Ihrem Weg der Heilung begleiten möchte. *How We Desire* Little, Brown Spark From the first ever radio transmission in 1906, to the underworld New York

club parties of the sixties to the future concept of the DJ as cultural producer, the transition of the DJ from record-spinner to musician is the central theme of the book. *What You Can See from Here* Other Press, LLC A lighthearted meditation on the philosophical quandaries of the hit television show *The Big Bang Theory* Ever wonder what Aristotle might say about the life Sheldon Cooper leads? Why Thomas Hobbes would applaud the roommate agreement? Who

Immanuel Kant would treat with "haughty derision" for weaving "un-unravelable webs?" And—most importantly—whether Wil Wheaton is truly evil? Of course you have. Bazinga! This book mines the deep thinking of some of history's most potent philosophical minds to explore your most pressing questions about The Big Bang Theory and its nerdy genius characters. You might find other philosophy books on science and cosmology, but only this one refers to

Darth Vader Force-chokes, cloning Leonard Nimoy, and oompa-loompa-like engineers. Fo-shizzle. Gives you irresistibly geek-worthy insights on your favorite Big Bang Theory characters, story lines, and ideas Examines important themes involving ethics and virtue, science, semiotics, religion, and the human condition Brings the thinking of some of the world's greatest philosophers to bear on The Big Bang Theory, from Aristotle and Plato to

Nietzsche, Wittgenstein, Simone de Beauvoir, and more Essential reading for every Big Bang Theory fan, this book explores whether comic-book-wielding geeks can lead the good life, and whether they can know enough science to "tear the mask off nature and stare at the face of God."

The Life List Random House

A revolutionary approach to male sexuality offers the keys to achieving sexual fulfillment • Teaches how to retain semen for increased

vitality and longer lovemaking • Explains the relationship-strengthening benefits of deep, sustained penetration • Includes foreplay approaches and position sequences Fulfilling sex nourishes love, increases vitality, and boosts mental health. Unfortunately, prevailing attitudes about male sexuality and what is good sex work against these innate features by focusing on the excitement of ejaculation as the one and only goal. Using the tantric guidelines they have

practiced for more than 25 years, Diana and Michael Richardson show men how to move beyond their preconceptions of sex as a goal-oriented--and often unintentionally stressful--event so they can relax into sex as a meditative union of complementary energies. They explain how retaining semen allows for increased vitality and extended lovemaking sessions and show the relationship-strengthening benefits of deep, sustained penetration. They also explain how to

perform soft penetration and how to avoid premature ejaculation. Tantric Sex for Men includes tried-and-true foreplay approaches, diagrams of sexual position sequences, ways to increase sexual sensitivity through awareness, and how to have ecstatic experiences through reaching a woman's body on a sexually deeper level. The authors also demonstrate how the sexual organs can be used to heal both men and women physically, emotionally,

and spiritually.
The Sherlock Holmes Handbook Taylor & Francis

When three friends, fueled by an alcohol-induced dream to travel the world, clicked “buy” on an iconic London cab they name Hannah, little did they know what they were getting themselves into. Leaving the Big Smoke in their vintage taxi, Paul, John, and Leigh began a 43,000-mile trip that would take them off the beaten track to some of the most dangerous and deadly

places on earth. By the time they arrived home, they would manage, against all the odds, to circumnavigate the globe, and in doing so, break two World Records. It’s On the Meter is an honest account of what it’s like to drive a Black Cab around the world. From altercations with the Iranian Secret Police to narrowly escaping the Taliban, the trio’s adventure is filled with hair-raising escapades. The traveling trio will give an impression of each country the taxi passed

through and its people and will help readers understand how to survive fifteen months on the road. Feel the fear, frolic in the fun, and meet the hundred passengers the taxi picked up along the way, as the authors take you on their action-packed journey.

Tantric Sex for Men

Goldmann Verlag

"Das Glück ist ein unsteter Gesell" heißt der 16. Roman von Manfred Schloßer. Wieder erfährt sein literarisches Alter Ego Danny Kowalski so allerlei an Glück, Glück im

Unglück, Glück in der Liebe, Glück im Spiel und Glück in besonderen Momenten... ... was fast alle seiner Leser und Leserinnen selber schon erlebt haben. Das Glück, das Glück, mal hast du es, dann ist es wieder fort... ... ist ein rastloser Gesell und immer von Endlichkeit geprägt. Ähnlich wie die ewige Jagd nach der Traumfrau oder nach einem Traum-Mann. Viele finden sie oder ihn nie. Aber diejenigen, die sie mal zu fassen bekommen, zu sehen, zu erleben, zu berühren oder

gar zu lieben können..., die merken dann irgendwann, nach einem Jahr, oder drei oder sieben, dass aus der Traumfrau/Traum-Mann ein ganz gewöhnlicher Mensch geworden ist, mit allen Mucken und Fehlern, ein ganz und gar unsteter Gesell... Bei einer Reha in der Till Eulenspiegel-Stadt Mölln im Jahre 2011 gab der dortige Psychotherapeut dem bis dahin von Nackenschmerzen geplagten Danny den Ratschlag, statt minutiös sein Schmerztagebuch zu

führen, auf einen sogenannten Glückskalender umzusteigen. Das empfand Danny als eine hervorragende Idee, und er begann noch dort, sein ‚Glücks-Tagebuch‘ zu führen. Das machte er von 2011 bis 2017, als es nämlich voll war, und erfolgreich beendet wurde. In der Zwischenzeit hatte Danny immer wieder kleine Glücksmomente, die er dort aufschrieb. Doch der größte Glücksfall war der, als er im Sommer 2013 zum letzten Mal eine

Schmerz-Tablette gegen seine Nackenschmerzen nahm... .. und ganz stolz - heute, also 10 Jahre später - verkünden konnte, dass er seitdem nicht eine einzige Schmerztablette mehr genommen hat... Aber trotz des Titels, also das Glück als unsteter Geselle, ist dieses Buch kein Plädoyer für Skeptizismus, nach dem Motto "hat eh keinen Sinn"... .. nein, nein, im Gegenteil: Die Suche nach dem Glück sollte immer an oberster Stelle im Leben stehen. Nie solltest

du aufgeben, das Glück zu suchen, das Glück zu finden, das Glück zu erleben, damit es, das Glück in Erfüllung geht. Das große Glück in jungen Jahren, das kleine Glück der Zufriedenheit im Alter...

God Untamed

Createspace Independent Publishing Platform
Laugh aloud even as you look at life anew with these stories from the bestselling author of Who Ordered This Truckload of Dung? In 108 brief stories with titles like "The Bad Elephant," "Girlfriend

Power," and "The Happiness License," Ajahn Brahm offers up more timeless wisdom that will speak to people from all walks of life. Drawing from his own experiences, stories shared by his students, and old chestnuts that he delivers with a fresh twist, Ajahn Brahm shows he knows his way around the humorous parable, delighting even as he surprises us with unexpected depth and inspiration.

Neologismen Abrams
Egal, wie alt wir werden,

unsere Sorgen werden nicht weniger. Wir weinen wegen unserer zusätzlichen Pfunde, weil wir verdrängt haben, dass wir als Teenies mit Möchtegern-Kim-Wilde-Frisur, blauem Lidschatten und Knoten-T-Shirt auch nicht viel besser aussahen. Wir glauben, TikTok sei das mit den zwei Kalorien. Unsere Punk-Helden von damals machen jetzt Werbung für die Deutsche Bahn oder Rollkoffersets. Wir kriegen regelmäßig cholerische Anfälle, weil wir es nicht schaffen, ein Stück

Frischhaltefolie unfallfrei aus der Packung zu friemeln. Die Kinder werden flügge, und die eigene Hüfte war auch schon mal weniger porös. Im Job fühlen wir uns nicht mehr wertgeschätzt, obwohl wir eine 3,5-Zoll-Diskette perfekt formatieren können. Und zu allem Übel werden wir noch ständig genötigt, unser Liebesleben aufzupimpen. Bestsellerautorin Sabine Bode ist sich zu schade für noch mehr Alterssorgen und verweist diese mit neuen, aber

gewohnt unverblümt-charmanten Storys in ihre Schranken. Denn Humor lässt uns gelassener älter werden und bietet für alles eine Lösung – außer für das mit der Frischhaltefolie. Thirteen Wadsworth Publishing Company Using his skills as a journalist, historian, and memoirist, Sebastian Haffner (author of *The Meaning of Hitler*) traces the development of the German Empire (1871-1945) and the central role of warfare that characterized the

Reich. Haffner contends that Germany's unfavorable geographic position had much to do with the state's belligerence and that, from its inception, created the conflicts that culminated in two world wars. "The fruit of decades of study, the moving and sometimes very personal testament of an author whose works more than any others have influenced public opinion and challenged academic historians." — Die Zeit "A brilliant work from the top hat of a

powerful historical magician." — Rudolf Augstein, Der Spiegel "A thoroughly successful work." — Wiener Tagblatt "A book with more historical insights than a whole pile of learned volumes." —Münchner Abendzeitung "The history of the Third Reich in just 43 pages? Impossible to do more than discuss a few features superficially. But not with Sebastian Haffner. This brilliant thinker — a journalist turned historian — reveals the fundamental lines of

development in a way that anyone can follow. The pages bristle with questions and unexpected answers. The 300 pages of 'The Ailing Empire' contain more clever and original insights into German history between 1871 and 1945 than many a weighty tome." — Dieter Wunderlich "This illuminating survey by a German journalist focuses on the continuities and discontinuities of the modern German Reich ... Haffner argues that the founding of the state was never regarded as a

climactic achievement but rather as a springboard for expansion, and that Germany's unfavorable geographic position had much to do with the state's armed belligerence. The author also contends that the Reich was self-destructive almost from the beginning, creating a host of enemies who brought it to its knees in two world wars and eventually divided it. He describes how Hitler accelerated the catastrophic finish of the Reich by inopportunistically taking on both the

Russians and Americans, then tried to turn military defeat into the annihilation of the German people with his Nero Directive of March 18-19, 1945." — Publishers Weekly "[The Ailing Empire] tells the story of yesterday's Germans who made today. It is a story Americans must understand." — San-Diego Union "Sebastian Haffner has written a book that traces the path of Germany's political self-destruction, and offers a realistic account of the

war's real causes ... It is a highly readable analysis of the road from Bismarck to Hitler ... This book, based on many previously unpublished accounts, is a devastating portrait of human society." —Chattanooga Times "This is a highly readable analysis of German history over the last century. A long-time journalist, Haffner asserts that the foundations of the German Reich were an inadequate basis for a modern nation state and contained the seeds of its own destruction. Though

lacking documentation, Haffner's first-hand recollections of the Nazi era are most interesting. Particularly noteworthy are his observations on daily life during the regime and his judgment regarding those literary and artistic 'antis' who chose 'internal emigration' within the Hitler state." — Library Journal
The Art of the Good Life
 Pushkin Press
 Wie und warum bilden wir neue Wörter? Wird das von Textfunktion und Sprecherintention

mitbedingt? Im Rahmen eines praktisch orientierten Überblicks über die Neologismenforschung beantwortet der Band diese Fragen exemplarisch anhand von Texten aus journalistischer, Kinder-, Sach- und Unterhaltungsliteratur. Die einzelnen Kapitel behandeln zunächst verschiedene theoretische Aspekte wie Lexikographie, Lexikologie, linguistische, methodische und empirische Grundlagen

sowie Probleme der Wortbildung. Es folgen zahlreiche Beispielsanalysen, die als Grundlage eigener Arbeiten dienen können. Begleitet werden die einzelnen Kapitel von Übungsaufgaben und Hinweisen zu weiterführender Literatur. Der Band versteht sich als Lehrwerk und Begleitlektüre zu Seminaren im Hauptstudium. Er hilft beim Einstieg, bei den Vorüberlegungen und bei den ersten eigenen empirischen Erhebungen.

The Big Bang Theory and
Philosophy Bantam

This is the first book to systematically track postwar changes in family formation in Western Europe and the United States. Cohabitation and motherhood outside of marriage have become more widespread at the same time that women's social roles are evolving. Women are attaining higher levels of education, marrying at an older age, more frequently working outside the home, and have more reproductive freedom due to new

advances in contraception. In this original collection of essays, sociologists and demographers from eight Western European countries and the United States use longitudinal data to compare national variations and explain the connection between the new role of women and family formation in postwar society. The contributors provide a thorough review of the social demographic literature to advance a variety of hypotheses about the relationships

between changing women's education and family formation outcomes, which are empirically examined and compared across countries.

Red Love Hachette Books
"I loved this novel truly, madly, deeply." —Nina George, bestselling author of *The Book of Dreams* and *The Little Paris Bookshop* In this international bestseller by the award-winning novelist Mariana Leky, a heartwarming story unfolds about a small town, a grandmother

whose dreams foretell a coming death, and the young woman forever changed by these losses and her loving, endearingly oddball community. On a beautiful spring day, a small village wakes up to an omen: Selma has dreamed of an okapi. Someone is about to die. Luisa, Selma's ten-year-old granddaughter, looks on as the predictable characters of her small world begin acting strangely. Though they claim not to be superstitious, each of her neighbors newly grapples

with buried secrets and deferred decisions that have become urgent in the face of death. Luisa's mother struggles to decide whether to end her marriage. An old family friend, known only as the optician, tries to find the courage to tell Selma he loves her. Only sad Marlies remains unchanged, still moping around her house and cooking terrible food. But when the prophesied death finally comes, the circumstances fall outside anyone's expectations. The loss forever changes

Luisa and shapes her for years to come, as she encounters life's great questions alongside her devoted friends, young and old. A story about the absurdity of life and death, a bittersweet portrait of small towns and the wider world that beckons beyond, this charmer of a novel is also a thoughtful meditation on the way loss and love shape not just a person but a community. Mariana Leky's *What You Can See from Here* is a moving tale of grief, first love, reluctant love, late love,

and finding one's place in the world, even if that place is right where you started.

When Sadness Comes to Call Goldmann Verlag
Challenge to get out of our spiritual comfort zones to reach a disengaged generation Powerful. Almighty. Sovereign. Magnificent. Fearsome. This is the God we encounter in the Bible and in prayer--a God who astounds. Yet, Johannes Hartl argues that this is an astonishment that many have lost in the West today. A challenging

rejection of 'feel-good' Christianity, God Untamed explores the deep crisis of faith that effects the Western world. At a time where the need for spirituality is great, yet churches are losing more and more members; in the face of a generation with so many opportunities and so little direct threat, yet who are so anxious, depressed and disenchanted--Hartl speaks of the voice that can still oceans. God, as he encounters us, is not simply 'nice' and certainly not trivial or comfortable.

He is fascinating and intimidating at the same time. Hartl calls us to rediscover this sense of wonder and reimagine what it is to have a fear of God--not founded in a whimper at the unknown, but a respect borne out of watching his visible power in the nature of our world. Without this fear, Hartl warns that the church is in danger of weakening under the immense pressures of our times. God Untamed is a compelling charge to get out of our spiritual comfort zones to find a

real, truly fulfilled and fulfilling faith.
