 Cambridge University Press
 Updated to reflect questions found on the most recent ESL tests, this book presents 400 common phrasal verbs as they are used in everyday English. Phrasal verbs are verbs combined with prepositions or adverbs. Familiarity with phrasal verbs and understanding their use as nouns (breakup, showoff, etc.) or adjectives (spaced-out, broken-down, stressed-out, and many others) is essential to ESL students.

Updated information includes: the most commonly used phrasal verbs; activities and examples that reflect our current technology and the world around us; an expanded introduction for the teacher with a thorough breakdown and explanation of phrasal verbs; and, a discussion of separable and inseparable phrasal verbs in Unit I, and more. This book's hundreds of examples in context and hundreds of exercises will be extremely useful to ESL students who are preparing for TOEFL or who simply wish to improve their English.

Phrasal Verbs for English Language

Learners Walter de Gruyter

One Word Substitutions is a kind of a reverse dictionary. It intends to help aspirants of various competitive and recruitment examinations as a Valuable Helping and Learning Aid. Moreover, the knowledge of these words will also help the students and learners of English to enhance their writing, speaking and reading skills. One Word Substitutions questions are asked in to evaluate the students' command over English vocabulary. The questions on the basis of this ask the

students to answer by writing a single word which can be used appropriately in place of the given description. The book comprises of more than 2100 One Word Substitutes arranged in alphabetical order for easy reference, and Previous Years' Questions upto 2018 as well. To test proficiency level, structured exercises have been given. Knowledge of one word substitutions will help aspirants not only in scoring well in exams but also in achieving excellent proficiency in English language. The present book is a fairly good

collection of one word substitutes. Though it is not an exhaustive list, it is certainly an honest effort to explain highly useful words.
