Easy To Crochet Vintage Scrap Afghans Penguin

Add some color to your life with this step-
by-step guide to crafting vibrant afghans
and throw blankets. Amanda's bold and
inspiring use of color and pattern gives
stunning results that are deceptively easy
to achieve. This colorful book contains
illustrated block-by-block guides to
creating ten stunning blankets, with color
variations providing twenty further

creations. Each of the ten blankets is constructed from a series of simple motifs, including squares, hexagons, and triangles: creating a large and sumptuous blanket is simply a matter of piecing together colorful motifs into wonderful arrangements. The book contains basic instruction on yarns and hooks, explains how to join motifs and sew in ends, and provides a brief guide to using color. For each blanket there is an index of motifs used, accompanied by the instructions for how to make them: both in written form and as a chart. The blocks include a range of shapes and are accompanied by the "fillers" needed to fill the gaps between them. Each project has a full color chart and takes the reader block by block through the entire construction process.

"Hello! We're Tiffany and Hannah, the mom and daughter behind Daisy Farm Crafts, and this book is a quick reference guide for our favorite crochet stitches! Since we are often designing baby blankets, we really wanted to create a simple book where we could easily access pictures and instructions of our favorite stitches, and we thought you might enjoy one, too! We did our best to explain these stitches in a way we hope makes sense, but if you do find yourself needing some more visual help, you can find videos for all the stitches in this book on the Daisy Farm Crafts YouTube Channel. All the stitch instructions in this book are also available for free on daisyfarmcrafts.com."
