ELLEN VALENTINA

Biography and History of the Indians of North America Good Press
The "fascinating" #1 New York Times bestseller that awakened the world to the destruction of American Indians in the nineteenth-century West (The Wall Street Journal). First published in 1970, *Bury My Heart at Wounded Knee* generated shockwaves with its frank and heartbreaking depiction of the systematic annihilation of American Indian tribes across the western frontier. In this nonfiction account, Dee Brown focuses on the betrayals, battles, and massacres suffered by American Indians between 1860 and 1890. He tells of the many tribes and their renowned chiefs—from Geronimo to Red Cloud, Sitting Bull to Crazy Horse—who struggled to combat the destruction of their people and culture. Forcefully written and meticulously researched, *Bury My Heart at Wounded Knee* inspired a generation to take a

second look at how the West was won. This ebook features an illustrated biography of Dee Brown including rare photos from the author's personal collection.

Redface Brenda K. Davies

"Epic fantasy at its finest—an homage to storytelling and legend, richly told and endlessly engaging."—Andrea Stewart, author of *The Bone Shard Daughter* Don't miss the first novel in this stunning Silk Road-inspired epic fantasy series from R.R. Virdi—a saga of legends, lies, and the secretive storyteller who's spun them all. All legends are born of truths. And just as much lies. These are mine. Judge me for what you will. But you will hear my story first. I buried the village of Ampur under a mountain of ice and snow. Then I killed their god. I've stolen old magics and been cursed for it. I started a war with those that walked before mankind and lost the princess I loved, and wanted to save. I've called lightning and bound fire. I am legend. And I am a monster. My name is Ari. And this is the story of how I let loose the first evil. "Rich world-building, plenty of action, and devious twists abound. Very highly recommended!" —Jonathan Maberry, New York Times bestselling author of *V-Wars* and *Kagen the Damned* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Bound by Revenge (the Singham Bloodlines) Lancaster [Pa.] : G. Hills

In the mid-1970s, the Mashantucket Pequot tribe had only one member -- an elderly woman who pleaded with her grandson to

come live on the impoverished reservation and save it from falling into government hands upon her death. In *Revenge of the Pequots*, journalist Kim Isaac Eisler tells the remarkable story of how Richard "Skip" Hayward, then an unemployed ship-worker, granted his grandmother's dying wish, revived the moribund clan, and transformed the Pequots into the richest and most influential band of Native Americans in history. Established in 1992, Foxwoods Resort and Casino is the world's most profitable gambling establishment, grossing over \$1 billion a year at its sprawling complex in the backwoods of Ledyard, Connecticut. Making use of arcane laws and court decisions never intended to benefit Native Americans as they have, Hayward brilliantly laid the groundwork for this staggering economic empire. In a story rife with drama, he challenged a succession of Connecticut governors and such worthy adversaries as casino moguls Steve Wynn and Donald Trump, while forming alliances with Malaysian industrialist Lim Goh Tong, renegade Seminole chief James Billie, and President Bill Clinton. As a result of Hayward's strategizing, for one of the few times in history -- and in a truly ironic reversal -- the bizarre legal structure governing Native Americans actually worked to their advantage in a mainstream enterprise. But the Pequots' meteoric rise to fortune has left many wondering: Is this turnabout fair play? In this riveting rags-to-riches tale, Eisler deftly explores the wide-ranging issues that have framed the great Native American casino debate and the ramifications of the Native American casino boom in a nation still uneasy about its roots.

The Desert Route to India American Library Association

"Nothing, and no one--including you, can stop this from happening. You will become my wife by tonight." Anika Patel led a perfect life. She had a loving family, a bright career as a doctor, and a man who was her best friend with a possibility of turning into something more. But one phone call and an impulsive decision changed it all... She headed for a two week vacation to a place in India to meet with her late father's relatives. When she got there, what transpired was right out of her nightmares. Stuck in a land of no rules or law, where family honor meant everything, she was to be bound by revenge to a man who threatened to steal her soul and also her heart... Although a part of the series, this book can be read as a STANDALONE romance. WARNING: This is a fictional romance story that transports you to a different world that has no restraints or boundaries. Please proceed with caution as the book contains graphic violence and sexual content that is recommended for mature reading audiences with an open mind only! EXCERPT: "Turn around and look at me." The order was thrown in a chillingly calm tone. Trembling and worried about the consequences, Anika slowly turned, and raised her eyes toward the man in front of her. Her vision was still blurry from the residual moisture. She wiped her tears away and was met with the sight of the broad back of a tall man. He was turned away from her as he closed the door shut. Stepping back, she wrapped her arms around her protectively. She kept her wary eyes trained on his back, waiting for what, she didn't know. As soon as he turned, she felt like the air was sucked away from around them, making her gasp out loud. The man looked larger than life, and more importantly, he looked like he could easily kill her with a single blow. His eyes scanned the mess she had made in the room, before he turned to look at her face dispassionately. She expected to see anger, but there was none. He didn't say anything for a long moment, just kept his eyes firmly locked on her face. After an indeterminate amount of time, he broke the deafening silence. "So. You are my bride-to-be," he stated rather than ask in a deep voice. After an indeterminate amount of time, he broke the deafening silence. "So. You are my bride-to-be," he

stated rather than ask in a deep voice. The word 'bride' broke through her trance and made adrenaline course through her body. God, this is so messed up. Why am I cowering in fear? "I don't want this," she whispered, unable to work up a louder voice. She kept her eyes on his face, pleading. "Please stop this marriage." He didn't respond, and neither did he react. "I don't want this wedding," she repeated. "We can think of another solution. We should be able to come up with a reasonable..." her voice trailed off when she saw him compressing his lips into a thin, hard line as he began to walk toward her. Through trembling lips, she spoke again. "I'm not from your world. I don't belong here. Let me go back to my family," she reasoned. The man stopped in front of her until he was too close for comfort. His eyes were riveted on her face as his mouth stretched into a sneer full of hate and loathe. "We are getting married because your precious family has begged me to do so. So, if you or your fucking family tries to pull any stunt during our wedding today, and try to back out, I'm not going to spare anyone." He spat out the words 'your family' like they were a curse. Slowly and deliberately his eyes swept over her body clothed in traditional bridal attire. "Nothing and no one--including you--can stop this from happening. You will become my wife by tonight," he vowed. Listening to those words, her legs gave out from under her, and she collapsed on her knees unable to swallow the defeat. How could she let herself be trapped in this hellhole? Because of her one impulsive decision, she was going to lose everything.

Traditions of the North American Indians (Vol. 1-3) Simon and Schuster

The Goddess Test meets Dexter in an edgy, compelling debut about one teen's quest for revenge...no matter how far it takes her. Amelie Ainsworth is not alone in her head. Bound to a deal of desperation made when she was a child, Amelie's mind houses the Furies—the hawk and the serpent—lingering always, waiting for her to satisfy their bloodlust. After escaping the asylum where she was trapped for years, Amelie knows how to keep the Furies quiet. By day, she lives a normal life, but by night, she tracks down targets the Furies send her way. And she brings down justice upon them. Amelie's perfected her system of survival, but when she meets a mysterious boy named Niko at her new school, she can't figure out how she feels about him. For the first time, the Furies are quiet in her head around a guy. But does this mean that Amelie's finally found someone who she can trust, or are there greater factors at work? As Amelie's mind becomes a battlefield, with the Furies fighting for control, Amelie will have to decide which is worse: denying the only man she might ever love, or subjecting him to the fate the Furies want for him?

Life Among the Indians Tor Books

After her ex-boyfriend's betrayal, revenge propels Vicky to find and destroy the man who sold her into captivity. The minute she gets the chance to search for Duke alone, she seizes the opportunity. When her hunt leads her to cross paths with Nathan, she finds herself secretly aligning with the one man she's vowed to avoid. Determined to hunt the Savage who murdered his father, Nathan hasn't told anyone about his private search for Joseph. The night he runs into Vicky and learns she's on her own quest, he reluctantly agrees to join forces with her. Bound by their driving need for vengeance, they soon find themselves unable to deny the attraction growing between them. However, as leader of the hunters, Nathan knows they will never accept his relationship with a vampire. Can he walk away from Vicky and return to the only life he knows, or will their growing love destroy them both? ***The Alliance Series is a spin-off of the Vampire Awakenings series. Biography and history of the Indians of North America

Asian Educational Services

Considers the character of the "Stage Indian" in American theater and its racial and political impact Redface unearths the history of the theatrical phenomenon of redface in nineteenth- and twentieth-century America. Like blackface, redface was used to racialize Indigenous peoples and nations, and even more crucially, exclude them from full citizenship in the United States. Arguing that redface is more than just the costumes or makeup an actor wears, Bethany Hughes contends that it is a collaborative, curatorial process through which artists and audiences make certain bodies legible as "Indian." By chronicling how performances and definitions of redface rely upon legibility and delineations of race that are culturally constructed and routinely shifting, this book offers an understanding of how redface works to naturalize a very particular version of history and, in doing so, mask its own performativity. Tracing the "Stage Indian" from its early nineteenth-century roots to its proliferation across theatrical entertainment forms and turn of the twenty-first century attempts to address its racist legacy, Redface uses case studies in law and civic life to understand its offstage impact. Hughes connects extensive scholarship on the "Indian" in American culture to the theatrical history of racial impersonation and critiques of settler colonialism, demonstrating redface's high stakes for Indigenous and non-Indigenous alike. Revealing the persistence of redface and the challenges of fixing it, Redface closes by offering readers an embodied rehearsal of what it would mean to read not for the "Indian" but for Indigenous theater and performance as it has always existed in the US.

Asiatic Journal and Monthly Register for British and Foreign India, China and Australasia Columbia University Press

In 'History, Manners, and Customs of the Indian Nations Who Once Inhabited Pennsylvania,' John Gottlieb Ernestus Heckewelder delves into the rich cultural heritage of the indigenous peoples of Pennsylvania. Written in a scholarly and informative style, Heckewelder explores the traditional customs, social structures, and daily lives of these native tribes. Drawing on his personal interactions with the Lenape and other tribes, Heckewelder provides a comprehensive overview of their history and way of life. This book serves as an invaluable resource for anyone interested in Native American studies and early American history. Heckewelder's meticulous attention to detail and deep respect for the subject matter make this book a must-read for scholars and enthusiasts alike.

An Analytical Digest of the Laws of the United States ... 1789-1857 (1857-1869). Good Press

This eBook has been formatted to the highest digital standards and adjusted for readability on all devices. From the Introduction: "The reader of the following pages, having already seen what has induced me to come forward with an historical account of the Indians, after so many have written on the same subject, will perhaps look for something more extraordinary in this than in other works of the kind which he has seen. Not wishing any one to raise his expectations too high, I shall briefly state that I have not written to excite astonishment, but for the information of those who are desirous of knowing the true history of those

people, who, for centuries, have been in full possession of the country we now inhabit; but who have since emigrated to a great distance."

[An Analytical Digest of the Laws of the United States from the Adoption of the Constitution to the End of the 34th Congress, 1789-1857](#) NYU Press

In 'Traditions of the North American Indians' (Vol. 1-3), James Athearn Jones explores the rich cultural heritage of indigenous tribes through a collection of traditional stories, beliefs, and practices. Jones' writing style is both scholarly and engaging, as he delves into the oral traditions of various Native American tribes and provides insightful commentary on their significance. The books are a valuable resource for understanding the literary and cultural context of Native American traditions. Jones skillfully weaves together folklore, mythology, and historical accounts to paint a vivid picture of the diverse and complex societies of the North American Indigenous peoples. Readers will appreciate the meticulous research and attention to detail that Jones brings to his exploration of Native American traditions. Jones, a respected anthropologist and historian, dedicated his career to studying and preserving the cultural heritage of indigenous peoples. His passion for the subject shines through in the meticulous scholarship and respectful treatment of the material. 'Traditions of the North American Indians' is a must-read for anyone interested in Native American culture and history, offering a comprehensive and fascinating glimpse into the world of indigenous traditions.

An ENTHRALLING conclusion to THE SINGHAM BLOODLINES series. A love story that brings it all together. Ruthless and Brutal were the words used to describe him. He was a natural and every goon wanted him to pull a job for them. Who is he? A hitman. Not just any hitman, he was the best and it earned him the title 'The Hunter' Who is his next prey? Narmada Senani. The one time he makes an exception to not kill and his life changes forever... Something about her wants him to protect her, kill for her. The mafia has always wanted him, the Senanis want him and most of all the Singhams want him. Nothing or Nobody will stop him from

getting to his target, a target he has been chasing for years. He is bound by his own duty...A STANDALONE romance and BOOK 3 of the BESTSELLING series--THE SINGHAM BLOODLINES. WARNING: This is a fictional romance story that transports you to a different world that has no restraints or boundaries. Please proceed with caution as the book contains content that is recommended for mature reading audiences.

The New Monthly Magazine and Universal Register

The Columbia Guide to American Indian Literatures of the United States Since 1945 is the first major volume of its kind to focus on Native literatures in a postcolonial context. Written by a team of noted Native and non-Native scholars, these essays consider the complex social and political influences that have shaped American Indian literatures in the second half of the twentieth century, with particular emphasis on core themes of identity, sovereignty, and land. In his essay comprising part I of the volume, Eric Cheyfitz argues persuasively for the necessary conjunction of Indian literatures and federal Indian law from Apess to Alexie. Part II is a comprehensive survey of five genres of literature: fiction (Arnold Krupat and Michael Elliott), poetry (Kimberly Blaeser), drama (Shari Huhndorf), nonfiction (David Murray), and autobiography (Kendall Johnson), and discusses the work of Vine Deloria Jr., N. Scott Momaday, Joy Harjo, Simon Ortiz, Louise Erdrich, Leslie Marmon Silko, Gerald Vizenor, Jimmy Santiago Baca, and Sherman Alexie, among many others. Drawing on historical and theoretical frameworks, the contributors examine how American Indian writers and critics have responded to major developments in American Indian life and how recent trends in Native writing build upon and integrate traditional modes of storytelling. Sure to be considered a groundbreaking contribution to the field, The Columbia Guide to American Indian Literatures of the United States Since 1945 offers both a rich critique of history and a wealth of new information and insight.
