POTTS ALEXIA

A Lost Lady Pan Macmillan
 There's a brand-new school for shifters... ..and it's rivaling Animage Academy for prestige. The new school wants Ava, and she visits out of curiosity, but ultimately decides to stay put. But some students are leaving for the newer, slicker shifter school... And it's tearing the academy apart. The new school is poaching all the most exotic and powerful shifters, and it's putting a major damper on morale at the academy. Especially since the multi-school skills challenge is coming up... How will Animage Academy compete without their top students? Ava, her friends, and her rivals, grudgingly unite so they can make a strong showing at the competition. But that doesn't mean there's still not drama-and secrets-at the school. Tarun has been acting especially strange and no one can figure out why, but it's clear he's hiding something that's tearing him apart. Will the students pull it together so they can compete in top form? Or will they suffer a humiliating defeat? Animage Academy Year Three is a young adult academy urban fantasy for people who love the

thrill of competition, a test of relationships and coming together for something bigger than oneself. Get Animage Academy Year Three now.

"When new boy in school, Alec, sweeps Zephyr off her feet, their passionate romance takes a dangerous and possessive turn when Alec begins manipulating Zephyr"--

Feral Bitten (Fur 'n' Fang Academy Book 3) Shifter Academy

#1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK • ONE OF GQ'S TOP 50 BOOKS OF LITERARY JOURNALISM IN THE 21st CENTURY • The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins--aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their

parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love, and hope.

The Inadequate Spy Independently Published

From New York Times bestselling author Rachel Vincent comes the first book in her The Shifters series, set in a world where the line between man and beast is blurred and the only constant is

attraction. I look like an all-American grad student. But I am a werecat, a shape-shifter, and I live in two worlds. Despite reservations from my family and my Pride, I escaped the pressure to continue my species and carved out a normal life for myself. Until the night a Stray attacked. I'd been warned about Strays—werescats without a Pride—constantly on the lookout for someone like me: attractive, female and fertile. I fought him off, but then learned two of my fellow tabbies had disappeared. This brush with danger was all my Pride needed to summon me back...for my own protection. Yeah, right. But I'm no meek kitty. I'll take on whatever—and whoever—I have to in order to find my friends. Watch out, Strays—'cause I got claws, and I'm not afraid to use them.... Previously published.

The Lost Girls: A Vampire Revenge Story HarperCollins

Classes are starting, but things are changing inside the WVV Academy. Merissa Montague just wants to finish her freshman year at the college for specials and go back home to prove to her pack that a female werewolf can be a strong alpha. Before she can do that, she has to finish her freshman year at Werewolf-Vampire-Witch Academy, where her vampire best friend is always pushing her to open up and have fun. Merissa wants to focus but it keeps breaking around one professor which are always followed by naughty fantasies. Feelings are growing but she's doing her best to keep her distance. Things go downhill when a werewolf professor is murdered, and all signs point toward the witches. The safety of the school is in jeopardy as Merissa proves her loyalty to her people while figuring out who is behind the murder. What she doesn't expect to find is the murder was just the beginning to an even bigger plan to divide the specials so another war can begin. Find out what happens in *Shifter 101* today.

I'm officially a member of Mateo's pack now, which means the panthers can't touch me. I thought joining his pack would mean that I would finally belong somewhere, but not everybody is welcoming. I'm still the odd one out--the runt who stole their future alpha. But those things don't matter. I have my mates, and I'm content. For the first time in my life, I am happy. When the truth comes out about my past, about who I really am, even my friends start to doubt me. Maybe they're right. Maybe I'm not a good person. Layla Rosewood--the unwanted panther. Still, I refuse to give up, no matter how bleak things may seem. If being the runt has taught me anything, it's how to survive. I'll show them all that I'm stronger than they think. The New Girl is the second book in the *Shifter Academy: United Trilogy*. It is a slow burn, reverse harem (RH), why choose, fast paced, action packed, young adult (YA) paranormal romance. From the international bestselling author of *In the Time of the Butterflies* and *Afterlife*, *How the García Girls Lost Their Accents* is "poignant...powerful... Beautifully captures the threshold experience of the new immigrant, where the past is not yet a memory." (The New York Times Book Review) Julia Alvarez's new novel, *The Cemetery of Untold Stories*, is coming April 2, 2024. Pre-order now! Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try find new lives: by straightening their hair and wearing American fashions, and by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new. Here they tell their stories about being at home—and not at home—in America. "Alvarez helped blaze the trail for Latina authors to break into the literary mainstream, with novels like *In the Time of the Butterflies* and *How the García Girls Lost Their Accents* winning praise from critics and gracing best-seller lists across the Americas."—Francisco Cantú, *The New York Times Book Review* "A clear-eyed look at the insecurity and yearning for a sense of belonging that are a part of the immigrant experience. . . Movingly told." —The Washington Post Book World

Animage Academy Year Three: The Shifter Academy Down Under J.R. Thorn

Regaining everything she was... ..Will cost her everything she is. Jade has a decision to make. Meanwhile, the lecturers are stepping up her workload, her magic lessons are more intense than ever, and someone's out for her blood. Her last year at Fur 'n' Fang was never going to be easy. The Alpha of Alphas has taken a personal interest in her - for all the wrong reasons. If she can't convince Draeven her loyalties lie with him, there'll be more than honour at stake. When one of her closest friends is caught up in the most heinous crime known to shifter kind, Jade faces her toughest challenge yet: save his life, and avert a bitter conflict that could destroy them all. Can Jade unite outcasts and alphas alike to stand against the greatest threat Fur 'n' Fang Academy has ever known, or must she make the ultimate sacrifice? You'll love this shifter academy adventure, because there comes a time when every victim becomes the hero. Get it now.

Wolf Moon Simon and Schuster

A fancy ski resort, a ghost from her past, a deadly flight, and a whole shitload of trouble. Elena Jensen's world, as she knew it, no longer exists. In the aftermath of the attack on Alpha Wolf Academy, she feels more alone than she ever has. She can't trust her family or The Sisterhood, and Connor, the wolf chosen as her personal guard, brings up a painful part of her past, one she'd prefer to forget. When she and half the students of AWA are shipped to a shifter-exclusive ski resort for winter break, Elena starts to think things aren't so bad. She has a boyfriend that makes her rethink the existence of soulmates, a friend who makes her feel safe, and a new influential mentor. Elena's tentative foundation is destroyed when disaster strikes on the return flight, leaving Elena stranded in the middle of the wilderness with ten other students, a dead pilot, a wounded teacher, and Connor. When it's life and death, you dig deep to keep yourself and others alive... or you die trying. Fans of Vampire Academy and Legacies will want to sink their teeth into Alpha Wolf Academy!

Lost Girl (Book One of The Lost Trilogy) Harlequin

Slip into the Secret World of Shifting Beasts and Witness Their Pursuit of Love and Supremacy in the Ensuing Supernatural Battles to Come... His eyes drop to my lips and I know what he's about to do. I smile as he leans closer and presses his lips to mine. Instantly, a fire is lit inside us both and passion consumes us. Madison James always felt different than other kids, finding herself left out and the target of bullies from an early age. But she was about to find out why on her 18th birthday. Her life would never be the same again. Waking up in the middle of the night covered in dirt, footprints led across her bedroom floor to an open window. She couldn't remember a thing, but these mysterious incidents kept happening. Finally revealing these occurrences to her

grandmother, she found out about her emerging powers as a wolf shifter. No longer safe to stay, Madison is sent away to an academy to cultivate her powers with other supernatural students. In her new environment, she encounters powerful, new rivals, but strong allies, too, to help her on her journey. The Moreau cousins, hottest boys in school, are mysteriously drawn to her... and this sparks a dangerous attraction to one of them. Acting on this newly awakened desire and forbidden love and coming into her new power as a wolf shifter opens a new world to her. It's what she's been hoping for her whole life, but this dream comes at price...as she'll soon find out. The world is counting on Madison. Some people carry the blood of demons. They often appear normal. They may even be unaware of it themselves. Until the curse activates. When a monster awakens, someone usually ends up dead. But not all hope is lost. All monsters are welcome at Nightshade Academy. Eighteen-year-old Nova Ray didn't have big plans for the future. She was comfortable living life quietly and unseen with her mother, but all of that changed the night a mysterious man triggered her curse and revealed her vampire nature. Nova would have killed someone that night, maybe even her human mother, if she hadn't been found and taken to Nightshade Academy first. But her troubles are far from over. Nova's in lockdown. Nightshade Academy is supposed to rehabilitate monsters. The goal is to teach them how to control their monster natures so they can rejoin human civilization. But Nova's bloodlust is insatiable and picky. She's fixated on a star student: Kian Salazar. He wants to help her, but she can't stop thinking about drinking his blood. It's all too much. What if she kills him? If the curse consumes Nova, she'll truly be a monster. And there's no going back from that. This book contains Nightshade Academy Episodes 1-5.

One little party turned my world upside down. After I challenged the Blood Council's four shifter heirs at a college party, the last thing I expected was to receive a full scholarship and an admittance letter from the exclusive Wolf Moon Academy. Despite never desiring to be an alpha, this was an opportunity of a lifetime... or so I thought. I soon learned that there was more behind my admission to the Academy than my education. I was there to be a lesson to the heirs -- in particular, the sexiest and strongest one, Liam Hale. As if that wasn't bad enough, it turns out that he is my true mate. A fact that should be treasured, but he makes it clear that we will never be together. However, things aren't always what they seem, and we all have secrets- some bigger than others. When the truth comes out it'll either set me free or set me up for disaster. If you can't get enough of books by K.F. Breene, Kelly St. Claire, Annette Marie, Shannon Mayer, Leia Stone, Jaymin Eve, and Laura Thalassa, then you'll love this paranormal romance. Scroll up and one click SHADOW MATE today. ***Please note this is not reverse harem and there are instances of bullying.

Secret Wolves Algonquin Books

Set amidst the devastation of climate change and global pandemics, Lost Girl is a dystopian nightmare from the master of horror Adam Nevill. How far will he go to save his daughter? How far will he go to get revenge? It's 2053 and climate change has left billions homeless and starving - easy prey for the pandemics that sweep across the globe, scything through the refugee populations. Easy prey, too, for the violent gangs and people-smugglers who thrive in the

crumbling world where 'King Death' reigns supreme. The father's world went to hell two years ago. His four-year-old daughter was snatched from his garden when he should have been watching. The moments before her disappearance play in a perpetual loop in his mind. But the police aren't interested; amidst floods, hurricanes and global chaos, who cares about one more missing child? Now it's all down to him to find her, him alone . . .
