As Fay copes with the death of her mother and loss of her childhood home, she seeks solace by visiting the bridge her mother took her to as a child. There she meets Hopkins, who walks the bridge as a balm for his own grieving. JUMP is a play full of flickering lights, vapes that fall from the sky, and the magic of hope in the midst of loss.

Distant Corner

Presents the numerous themes that weave their way through modern drama and highlights the variety of thought that exists in response to them.

In this rollicking, hilarious comedy, the Doublewide, Texas, gang is back and life in

their tiny town has gotten crazier than ever! Just when things are looking up—the population has grown to seventeen mobile homes and a weekend farmers’ market—the rug is pulled out from under the residents yet again. It seems their vacation rental trailer has drawn unwanted attention from a mega-corporation in Austin. Suddenly the corporation is interested in Doublewide. Waaaay too interested. Mayor Joveeta Crumpler is the only one suspicious enough to sound the alarm, but no one is listening. Her mother, Caprice, is too self-involved with her “career” as a local celebrity to sense the growing threat, or to even realize that grumpy old Haywood

Sloggett is increasingly drawn to her—and Sloggett is fighting those romantic feelings tooth and nail. Caprice is also hell-bent on keeping her neighbor and rival, Big Ethel Satterwhite, from horning in on her domain—the Stagger Inn bar. Big Ethel has her hands full trying to teach the town’s good-ol’-boy police chief, Baby Crumpler, how to dirty-dance for a countywide competition. But Baby’s got as much chance of winning as Georgia Dean Rudd has of not jinxing her relationship with Nash Sloggett—she’s twisting herself into knots trying to dodge his constant marriage proposals. And as the danger to the town grows, Joveeta can’t even count on the

usually reliable and sweet health fanatic Lark Barken—because she’s currently under the spell of a demon she’s only recently discovered: caffeine. But as the tentacles of the corporation envelope them all, can the citizens of this little Texas town put aside their problems and unite behind Joveeta to fight “the big guys” and turn the tide in *Doublewide? A heap of hilarity with a whole lot of heart—and a stand-alone play in its own right—HONKY TONK HISSY FIT* is the third comedy in the trilogy that begins with *Doublewide, Texas* and continues with *A Doublewide, Texas Christmas*. By the triumphant finale of this ferociously funny Jones Hope Wooten comedy (Could there

be a double wedding in *Doublewide?*), you’ll be throwing fits, alright—fits of laughter that’ll make your sides ache!

Kill Move Paradise

"Le jeu de l'amour et de la mort" est le morceau d'un tout, d'une grande oeuvre, "le Théâtre de la Révolution", qui prétend traduire, en "une geste dramatique", l'âme tumultueuse de la révolution française.

Outstanding Short Plays, Volume Two

Heinemann

Educational Books Curated and edited by the artist Ina Otzko, *100 Norwegian Photographers* is a magnificent volume of photos from today's Norwegian photography scene.

With several double pages for each photographer, the book is a vivid archive of Norwegian photography, uniting the most diverse genres, from landscapes to portraits, experimental photography to snapshots. It provides an extensive overview of the mysterious country in the north, the land of glaciers and fjords, showing it in brilliant facets--witty, absurd, poetic,

In 1967, Berkeley grad student Frank Chan and his artist-activist girlfriend Kathy Ching are staging a revolution. Amid the backdrop of ongoing war in Vietnam and a peak in the Civil Rights movement, they devise a wild, impulsive theatrical trip through the history of Asians in America, from the ancestral railways of their forebears to the shameful legacy of Charlie Chan stereotypes, all in pursuit of establishing a brand new political identity they've decided to call "Asian America." CHARLES FRANCIS CHAN JR.'S EXOTIC ORIENTAL MURDER MYSTERY is a harmless sing-song

orientalist minstrel show that ends in a grotesque carnival of murder!!!

Galletti's Telugu Dictionary Evolution Education Around the Globe

It closes with the sudden collapse of Seattle's economy in the Panic of 1893 and the ensuing depression that halted the city's building boom, saw the closing of a number of architects' offices, and forever ended the dominance of Romanesque Revival in American architecture."

Everyone's Fine with Virginia Woolf

Dramatists Play Service, Inc.
A sharp-witted parody of a celebrated American drama, **EVERYONE'S FINE WITH VIRGINIA WOOLF** is, in turns, loving

homage and fierce feminist takedown. Kate Scelsa's incisive and hilarious reinvention of Edward Albee's classic *Who's Afraid of Virginia Woolf?* slyly subverts the power dynamics of the original play's not-so-happy couple. In the end, no one will be left unscathed by the ferocity of Martha's revenge on an unsuspecting patriarchy.

Heinemann Educational Books
A sequel to Jane Austen's *Pride and Prejudice* set two years after the novel ends, **MISS BENNET** continues the story, only this time with bookish middle-sister Mary as its unlikely heroine. Mary is growing tired of her role as dutiful middle sister in the face of her

siblings' romantic escapades. When the family gathers for Christmas at Pemberley, an unexpected guest sparks Mary's hopes for independence, an intellectual match, and possibly even love.

The Irrigated Lands of the State of Washington Dramatists Play Service, Inc.
For too long, evolution has been denied its place in the science curriculum. School policies driven by misunderstanding or fear regularly displace widely recognized principles of science. But without understanding evolution, students--no matter what their religious beliefs--will never achieve the level of scientific literacy they need to make sense of even everyday practicalities like how human viruses work. In *The Missing Link*, Lee Meadows has crafted an approach to

teaching evolution that helps students understand its explanatory power whether they accept its principles or not. All students are invited to engage in inquiry, where questions, evidence, and exploration supplant values-based debates over right and wrong answers. Teachers will find the tools and resources they need to develop a unit on evolution including: an overview of inquiry-based science teaching outlines for lesson plans a plethora of internet resources. An appendix also provides a refresher course for teachers who may want to sharpen their content knowledge of evolution. And a study guide makes this ideal for book study groups. Bring The Missing Link

to your teaching and keep the doors to science open for all your students.
