The Little Prince Walter Foster Publishing
 Get to know all about the best and brightest—and smelliest!—birds in Leslie Bulion's award-winning collection of avian science poetry. You won't even need binoculars! Ever wonder which bird has the loudest voice? Which one builds the biggest nest or has the most feathers? Get to know all about the best and brightest—and smelliest!—denizens of the bird world with this collection of nonfiction science verses. Award-winning science poetry author Leslie Bulion dedicates a variety of verse to these impressive birds and includes a science glossary, notes on poetic forms, and resources for more information in the back of the book. Witty drawings by Robert Meganck add another layer of fun to this humorous and informative gallery of the world's most accomplished birds. Ideal for cross-curricular learning, including units on animals, birds, nature, and poetry.
[Learn to Draw Amazing Birds Step by Step 3](#) Walter Foster Art has always been inspired by the wildlife around us. Since earliest times we have been continually fascinated by both wildlife and the challenge of representing it. This book sets the scene of how wildlife has been portrayed in art and guides the reader through the principles of practical drawing and painting wildlife. It covers recommended equipment, techniques, fieldcraft, composition and anatomy, and offers help for those wishing to exhibit their work. Suggests how to begin to draw wildlife and then to add colour; advises on how to draw a constantly moving subject and how to capture the moment; gives clear instruction on anatomy and composition; suggests how to paint outdoors and how to use photography and museum collections; gives inspiration and insights into printmaking and sculpture; gives practical advice on exhibiting and selling wildlife art; showcases inspiring images, in a range of styles, from over twenty leading artists. An authoritative guide to the principles of drawing and painting wildlife, this book will be of interest to all artists and everyone interested in wildlife - including botanical artists, print makers and sculptors, and is lavishly illustrated with 260 colour illustrations.

Worlds Within Worlds Mendon Cottage Books

With the *Birds & Butterflies Drawing & Activity Book*, learn how to draw 17 different bird and butterfly species with three methods: tracing, grid drawing, and step-by-step drawing! This interactive book is filled with 17 wonderful winged creatures you can learn to draw, from flamingos, owls, and toucans to monarch and peacock butterflies. Packed with fun facts, quizzes, and puzzles too, the *Birds & Butterflies Drawing & Activity Book* will provide hours of artistic entertainment! Inside, three different drawing methods are featured: tracing, grid drawing, and step-by-step drawing. Five tracing pages are included so you can trace. Then try the grid method—just copy the lines and shapes into the corresponding square on the blank practice grid provided. You will also learn the same step-by-step method used by professional artists: the basic shapes method. To draw birds and butterflies like a professional does, just follow the illustrations that show how each step builds upon the last to create a finished piece of artwork. Look closely at the new lines in each step and draw the bird or butterfly on the practice page provided after each basic shapes project. Find the technique that works the best for you, and draw your favorite birds and butterflies over and over again! There are plenty of practice pages and tracing paper inside, so you have all you need to get started right away. The simple instructions will guide you through each step, making it easy to follow along. Plus, learn some fun facts about the different birds and butterflies as you learn to draw them. Activities include a bird word search, a butterfly maze, a bird map match, spot the difference, and more. With fascinating facts, fun activities, and practice pages encouraging you to get started directly in the pages of the book, you can let your inner artist take flight with the *Birds & Butterflies Drawing & Activity Book*.
