### **We Are Wolves** Algonquin Books

Virginia Hall left her Baltimore home in 1931 to enter the Foreign Service and went to work for the British Special Operations Executive (SOE) when Hitler was building toward the peak of his power in Europe. She was assigned to France, where she helped the Resistance movement, escaped prisoners of war, and American Allied paratroopers. By 1942 she was considered so dangerous to the Gestapo that she had to escape over the Pyrenees mountains—on an artificial leg, no less. When she got to England, she was reassigned to France by the OSS, disguised as an old peasant woman. She helped capture 500 German soldiers and kill more than 150, while she sabotaged Nazi communications and transportation. Hitler's forces were hot on her trail, however, and her daring intelligence activities and indomitable spirit defied the expectations of even the Allies until the very end of the war. Her story was ignored for more than fifty years, and this book now brings Virginia Hall's story to patriots young and old.

Wolfsbane Doubleday Books for Young Readers

Summoned by an anonymous Prosecutor, ten contemporary ethnographers gather in an aging barn to hold a trial of Alice Goffman's controversial ethnography, *On the Run*. But before the trial can get underway, a one-eyed wolfdog arrives with a mysterious liquid potion capable of rendering the ethnographers invisible in their fieldsites. Presented as a play that unfolds in seven acts, the ensuing drama provides readers with both a practical guide for how to conduct immersive participant-observation research and a sophisticated theoretical engagement

with the relationship between ethnography as a research method and the operation of power. By interpolating "how-to" aspects of ethnographic research with deeper questions about ethnography's relationship to power, this book presents a compelling introduction for those new to ethnography and rich theoretical insights for more seasoned ethnographic practitioners from across the social sciences. Just as ethnography as a research method depends crucially on serendipity, surprise, and an openness to ambiguity, the book's dramatic and dialogic format encourages novices and experts alike to approach the study of power in ways that resist linear programs and dogmatic prescriptions. The result is a playful yet provocative invitation to rekindle those foundational senses of wonder and generative uncertainty that are all too often excluded from conversations about the methodologies and methods we bring to the study of the social world.

When the Wolves Bite Taylor & Francis

Zeus loves his job on the Mad Creek Search & Rescue team, and his inner Saint Bernard is finally being used to his full potential. When he sees a mysterious and wild-looking quickened-a-dog shifter-at an earthquake site in Alaska, Zeus is compelled to investigate. Zeus falls hard for the primal beauty of Timo and of Alaska itself. Both call to his deep canine soul. But the Qimmig pack's laws are as harsh as the Alaskan winters, and Timo is out of his reach. Timo's pack of dog shifters left their Inuit village generations ago and have lived wild ever since. Not trusting the "one-skinned," and with their numbers dwindling, the Qimmig are on the verge of extinction. Timo is shocked to discover a whole group of "two-skinned" working as a rescue team, and he is particularly

fascinated by Zeus, a gentle giant. He senses what Zeus feels for him... but it's forbidden. Can Mad Creek save this lost quickened clan? Perhaps-if they can learn how to run with the wolves.

**A Life of One's Own** National Geographic Books

Two of fantasy's hottest new talents deliver the story of Isolfr, a young nobleman, who is chosen to become a wolfdarling--a warrior who is bonded to a fighting wolf. Isolfr is deeply drawn to the wolves, and though as his father's heir he can refuse the call, he chooses to accept it.

**The Wolf Wilder** Penguin

The wolves are circling and a young king will face his greatest challenge in the explosive finale of the instant #1 New York Times--bestselling King of Scars Duology.

**Untie the Strong Woman** National Geographic Books

This thrilling sequel to the much-talked-about Nightshade begins just where it ended--Calla Tor wakes up in the lair of the Searchers, her sworn enemy, and she's certain her days are numbered. But then the Searchers make her an offer--one that gives her the chance to destroy her former masters and save the pack--and the man--she left behind. Is Ren worth the price of her freedom? And will Shay stand by her side no matter what? Now in control of her own destiny, Calla must decide which battles are worth fighting and how many trials true love can endure and still survive.

**On the Run** Harper Collins

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce

Quinlan had the perfect life--working hard all day and partying all night--until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose--to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion--one that could set them both free, if they'd only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom--and the power of love.

**Annie and the Wolves** Routledge

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish

nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

**Treat Us Like Dogs and We Will Become Wolves** Penguin

"An intellectual page-turner" set in a secretive countercultural community by the author of *The Beans of Egypt, Maine* (O, The Oprah Magazine). It's the height of summer 1999, when local Maine newspaper the Record Sun receives numerous tipoffs from anonymous callers warning of violence, weapons stockpiling, and rampant child abuse at the nearby homeschool on Heart's Content Road. Hungry to break into serious journalism, Ivy Morelli sets out to meet the mysterious leader of the homeschool, Gordon St. Onge—referred to by many as "The Prophet." Soon, Ivy ingratiates herself into the sprawling Settlement, a self-sufficient counterculture community that many locals suspect to be a wild cult. Despite her initial skepticism—not to mention the Settlement's ever-growing group of pregnant teenage girls—Ivy finds herself irresistibly drawn to Gordon. Then, a

newcomer—a gifted, disturbed young girl with wild orange hair—joins the community, and falls into a complicated relationship with the charismatic Prophet. When the Record Sun finally runs its piece on the leader of the Settlement, lives will be changed both within and beyond the community, in this novel by a writer described by the New York Times Book Review as "a James Joyce of the backcountry, a Proust of rural society."

*The Rise of Wolves* National Geographic Books

"George helped me understand the art of mindfulness. To be neither distracted or focused, rigid or flexible, passive or aggressive. I learned just to be." —Kobe Bryant Michael Jordan credits George Mumford with transforming his on-court leadership of the Bulls, helping Jordan lead the team to six NBA championships. Mumford also helped Kobe Bryant, Andrew Bynum, and Lamar Odom and countless other NBA players turn around their games. A widely respected public speaker and coach, Mumford is sharing his own story and the strategies that have made these athletes into stars in *The Mindful Athlete: The Secret to Pure Performance*. His proven, gentle but groundbreaking mindfulness techniques can transform the performance of anyone with a goal, be they an Olympian, weekend warrior, executive, hacker, or artist. When Michael Jordan left the Chicago Bulls to play baseball in 1993, the team was in crisis. Coach Phil Jackson, a long-time mindfulness practitioner, contacted Dr. Kabat-Zinn to find someone who could teach mindfulness techniques to the struggling team—someone who would have credibility and could speak the language of his players. Kabat-Zinn led Jackson to Mumford and their partnership began.

Mumford has worked with Jackson and each of the eleven teams he coached to become NBA champions. His roster of champion clients has since blossomed way beyond basketball to include corporate executives, Olympians, and athletes in many different sports. With a charismatic teaching style that combines techniques of engaged mindfulness with lessons from popular culture icons such as Yoda, Indiana Jones, and Bruce Lee, Mumford tells illuminating stories about his larger than life clients. His writing is down-to-earth and easy to understand and apply. *The Mindful Athlete* is an engrossing story and an invaluable resource for anyone looking to elevate their game, no matter what the pursuit, and includes a foreword by Phil Jackson. "Self-consciousness is when you're focused on how you're doing instead of what you're doing. We have to learn how to push and challenge ourselves, but not in an insensitive way. Honing your performance really comes down to being comfortable with being uncomfortable."—George Mumford

*At the Table of Wolves* HarperTrophy

A modern-day historian finds her life intertwined with Annie Oakley's in an electrifying novel that explores female revenge and the allure of changing one's past. Ruth McClintock is obsessed with Annie Oakley. For nearly a decade, she has been studying the legendary sharpshooter, convinced that a scarring childhood event was the impetus for her crusade to arm every woman in America. This search has cost Ruth her doctorate, a book deal, and her fiancé—but finally it has borne fruit. She has managed to hunt down what may be a journal of Oakley's midlife struggles, including secret visits to a psychoanalyst and the desire for vengeance against the "Wolves," or those who have wronged

her. With the help of Reece, a tech-savvy senior at the local high school, Ruth attempts to establish the journal's provenance, but she's begun to have jarring out-of-body episodes parallel to Annie's own lived experiences. As she solves Annie's mysteries, Ruth confronts her own truths, including the link between her teenage sister's suicide and an impending tragedy in her Minnesota town that Ruth can still prevent.

*The Mindful Athlete* HarperCollins

Lucy hears sneaking, creeping, crumpling noises coming from inside the walls. She is sure there are wolves living in the walls of her house.

*Julie of the Wolves* (Summer Reading Edition) Ballantine Books

This haunting, heart-stopping middle grade novel follows three of the Wolfskinder, German children left to fend for themselves in the final days of World War II, as they struggle to hold onto themselves and each other while surviving in the wild. Sometimes it's good to be wild. Sometimes, you have to be. When the Russian Army marches into East Prussia at the end of World War II, the Wolf family must flee. Being caught by the Russians or Americans would be the end for them. Liesl, Otto, and baby Mia's father has already been captured, and they get separated from their mother in a blizzard after only a few days on the run. Liesl promised Mama that she'd keep her brother and sister safe, no matter what. They'll forage in the forests if they have to. Little do they know at the start that there are hundreds of other parentless children doing the same thing. And they far too quickly learn that, sometimes, to survive, you have to do bad things. Dangerous things. Wild things. Sometimes you must become a wolf.

**The Wolves of Isle Royale** Indigo

The inside story of the clash of two of Wall Street's biggest, richest, toughest, most aggressive players -- Carl Icahn and Bill Ackman -- and Herbalife, the company caught in the middle. With their billions of dollars and their business savvy, activist investors Carl Icahn and Bill Ackman have the ability to move markets with the flick of a wrist. But what happens when they run into the one thing in business they can't control: each other? This fast-paced book tells the story of the clash of these two titans over Herbalife, a nutritional supplement company whose business model Ackman questioned. Icahn decided to vouch for them, and the dispute became a years-long feud, complete with secret backroom deals, public accusations, billions of dollars in stock trades, and one dramatic insult war on live television. Wapner, who hosted that memorable TV show, has gained unprecedented access to all the players and unravels this remarkable war of egos, showing the extreme measures the participants were willing to take. *When the Wolves Bite* is both a rollicking, entertaining read--a great business story of money and power and pride.

Religion and Spirituality King of Scars Duology

ALONE. POWERLESS. HUMAN. Tendira is a world of beastly shifters and deadly monsters... except me. The Human Queen. When my home is taken over by an angry pack who wants me dead, I'm forced to run, so I go to the one place my attackers won't dare follow: The Blood Pack. But the Blood Alpha watches his territory more closely than I imagined. His people catch me, and drag me to their capitol. And instead of killing me, they decide to keep me. The problem? They have no idea who I am.

So now if I want to stay alive, I have to make the most ruthless pack in Tendira believe I'm one of them. That plan goes surprisingly well... until the Alpha decides he wants me as his mate. Then I'm a human pretending to be a shifter, a queen pretending to be powerless, and a woman pretending not to fall in love with the deadliest shifter that's ever existed. I'll die if I go back to my castle, but if the Blood Pack discovers my lies, I'll suffer a fate far worse than death. And with my survival on the line, I can't afford to lose anything to the Blood Alpha... Especially my heart. \*SOUL OF THE PACK is a full-length fantasy romance novel, book 1 in a rapid-release series recommended for readers who love books by Jaymin Eve, Linsey Hall, Jen L. Grey, and K.F. Breene. *Running with the Wolves* Macmillan + ORM

New York Times bestseller! From StacyPlays, creator of the mega-popular YouTube series Dogcraft, comes a thrilling illustrated novel about a girl raised by a pack of wolves and her quest to protect their shared forest home. The first in a new Minecraft-inspired fantasy adventure series! Stacy was raised by wolves. She's never needed humans to survive and, from what she sees of humans, they're dangerous and unpredictable. For as long as she can remember, Stacy's pack of six powerful, playful wolves—Addison, Basil, Everest, Noah, Tucker and Wink—have been her only family. Together, Stacy's pack patrols the forest to keep other animals safe, relying on her wits and each wolf's unique abilities to accomplish risky rescue missions. But as the forest changes and new dangers begin lurking, are Stacy and the wolves prepared for the perils that await them? Fans of DanTDM: Trayaurus and the Enchanted Crystal and the Warriors series—plus

shows like Ranger Bob—will love this Minecraft-inspired adventure.

*Wolves at the Door* National Geographic Kids

Tinker Tailor Soldier Spy meets Agent Carter meets X-Men in this classic British espionage story where a young woman must go undercover and use her superpowers to discover a secret Nazi plot and stop an invasion of England. In 1936, there are paranormal abilities that have slowly seeped into the world, brought to the surface by the suffering of the Great War. The research to weaponize these abilities in England has lagged behind Germany, but now it's underway at an ultra-secret site called Monkton Hall. Kim Tavistock, a woman with the talent of the spill—drawing out truths that people most wish to hide—is among the test subjects at the facility. When she wins the confidence of caseworker Owen Cherwell, she is recruited to a mission to expose the head of Monkton Hall—who is believed to be a German spy. As she infiltrates the upper-crust circles of some of England's fascist sympathizers, she encounters dangerous opponents, including the charismatic Nazi officer Erich von Ritter, and discovers a plan to invade England.

No one believes an invasion of the island nation is possible, not Whitehall, not even England's Secret Intelligence Service. Unfortunately, they are wrong, and only one woman, without connections or training, wielding her talent of the spill and her gift for espionage, can stop it.
