edition of her classic, bestselling book, Karen Kingston draws on her wealth of experience as a clutter clearing, space-clearing, and feng shui practitioner to

show you how to transform your life by letting go of clutter. Her unique approach lies in understanding that clutter is stuck energy that has far-reaching physical,

mental, emotional, and spiritual effects. You'll be motivated to clutter clear as never before when you realize just how much your junk has been holding you back! You will learn: - Why people keep clutter - How clutter causes stagnation in your life - How to clear clutter quickly and effectively - How to live clutter-free Home Sanctuaries Earth Nation Pub "I need to say you are the best of all the

thousands of Feng Shui teachings I had ever seen." C.Y., Thailand Learn how to harness and activate intentionally-charged Chi God Particles (CGP_9) to radically improve anything and everything in your life and world! If you do only these 9 Intentional Acts: Taken from her 25 years of research in the field of Feng Shui consultations, experimentati ons and personal writings,

Gabrielle Alizay has focused the very complicated science and power of Feng Shui into a potent list of 9 Intentional Feng Shui Accomplishme nts to take in your home and office that will not only radically transform your personal reality but will also alter the condition of our planetary existence in optimistic, profound ways that you will experience. It does not matter what your God-source is, your

personal beliefs and styles, nor your previous alignments to Feng Shui. If you are an activist, a healer, a forward-looking person who believes that genuine, curative change comes from the inside-out and that authentic empowerment is the way to true health, love, and abundance for you, your loved ones, as well as the solution to the social, environmental and global crisis we are in-then this is

the book for you. The vision is so clear: A critical mass of people (the 100th Monkey Theory) follow these Intentional Living Feng Shui Accomplishments. We shall live in a different, much more positive world. Praise For The Sacred Role of Intentional Living Feng Shui "The Sacred Role of Intentional Living Feng Shui is a living blueprint for achieving supreme quality of life. If everyone

used the simple, magnificent tools Alizay gives us, our world would be one in which harmony and peace prevail. As you adhere to the daily practices outlined in the book, you will find yourself changing, evolving and co-creating a bright, dynamic new life. Become an Intentional Living activist and discover the Highest Good for yourself and the world around you." - Denise C. Osborne,

Author of the Feng Shui Mystery Series, Feng Shui Practitioner "I committed to do 1 Feng Shui cure to my home daily, and life just gets better! Thank-you a million times over!" - Deborah Beck, Marianna, Florida "I did a review on Amazon UK, anytime you need a testimonial let me know. Hopefully one day you'll be translated to French and I can do one in my native language. Good luck with

the British market." - C.M., Paris, France
The Feng Shui Connection to a Healthy Life Sterling Publishing Company, Inc. Today the art of Feng Shui, once shrouded in secrecy and superstition, is taking on new life as a powerful, practical method for enhancing one's career, health and personal growth. Unfortunately, these techniques, as taught in the U.S.A., tend to be filled with

incomplete, incorrect and unnecessarily complex information. Now Dr. Baolin Wu, renown Feng Shui practitioner and living master of the complete canon of Taoist arts, presents publicly, for the first time, the inner teachings of the White Cloud Monastery in Beijing, as passed to him from a 1,000 year old oral tradition. Unlike other books on Feng Shui, this volume explains the

inner reasons behind many common placement techniques, as well as detailing the exceptional meditation and Qi Gong exercises that have until now been held as hereditary secrets of the White Cloud monastery. *Feng Shui - Spiritual Peace, Harmony, Health, Prosperity, and Abundance.* Sterling Publishing Company, Inc. Transform your home into a calm, balanced and

harmonious oasis using architect Anjie Cho's helpful advice, drawing on her background in green design and feng shui. You don't have to get rid of all your possessions and become an ascetic to change your space and discover the benefits that living in a considered, organic way can bring. The easy suggestions in Holistic Spaces show you how to implement the principles of feng shui and

green design in your home. Written for the way we live today, as we move toward a more mindful approach to health, diet and the way that we choose the objects in our homes, this is the perfect guide to help you to clear and refresh your living environment. Learn how to make every room in your home serve its highest purpose, create eco-friendly spaces, bring nature indoors,

choose colours for maximum impact, select a space for meditation practice, and overall, create a peaceful and organic home. From the bedroom to the home office, these intuitive, straightforward tips will teach you to how improve your spaces to boost the flow of energy through your life.

The traditional Chinese

science and practice of FengShui works with vital currents that are influenced by heavenly bodies and which permeate the earth's surface and regulate its cycles of fertility. Modern concern about the threat to the earth's continued life and fertility has brought about a revival of interest in this science which was based on principles of cooperation between mankind and

nature. First published in 1873, Ernest J. Eitel's Feng-Shui remains the best classical treatise on the subject ever written. As such, it offers a unique perspective on a subject that has since been heavily commercialized in the West. This edition includes nine engravings of Chinese landscapes by nineteenth century artist Thomas Allom. Feng Shui Made Easy, Revised Edition Andrews McMeel

Through them we can interface with the universe." Everything in the universe is composed of constantly changing energy, including your home and its contents. This energy can profoundly influence your ability to be healthy,

loving, creative and abundant. By clearing and enhancing this energy you can transform your home into a sanctuary which radiates positive energy in ever-expanding circles. In this fascinating and unusual book, Denise Linn shows you how you can dramatically change your life by changing the environment in your home or office. She combines information from her own

Native American heritage with material she has personally collected from native traditions around the world to bring you practical, easy-to-use exercises for balancing the physical, emotional and spiritual energies in your home, including how to: * Diagnose and solve problems with stagnant home energies. * Use sacred sound, spirit smoke, mystic symbols and purifying fire for clearing

home energy.
 * Discover the personal numerology of your home. *
 Use the ancient art of Feng Shui for the placement of objects in your home. *
 Call house angels and totems as home protectors. *
 Use rituals to rid your home of unwanted spirits. *
 Instantly uplift the energy in your home.
 Your home can resonate, sing and pulse with Light energy that can touch the lives of everyone around you.

 Hundreds of practical tips and suggestions, insightful stories, and

life lessons provide just the guidance you need to implement the ancient principles of feng shui right where you live. Readers who love the books of Denise Linn, Karen Kingston, Nancy SantoPietro, Xorin Balbes, and Tsh Oxenreider will find this book a great companion of equal value. The Alchemy of Intention (From the Introduction) Where intention goes, energy flows.

Because of how energy functions, we are each engaged in co-creation with the life force. If you want your life to be sacred, you need to set the intention for it to be so. Setting an intention is like speaking to the Divine through a megaphone: It gets the message across more clearly. This is the true secret behind creating a home sanctuary. Altars and shrines are incredible

spiritual tools because they anchor our feelings and thoughts so we become very clear and specific about what we want. Ultimately, whatever we focus on appears in the material world. Creating a sacred space in your home is an opportunity to connect your intimate environment with the realm of the Divine so that your soul is supported and nourished and has freedom to express and flourish.

How to clear clutter from your body, mind, and spirit How to stay clutter-free
Sacred Space Hay House, Inc The first edition, released in 1995, was lauded by seasoned practitioners and beginners alike. And no wonder. While most of the early English-language books on feng shui were dauntingly mystical or relied on complex calculations or culturally specific design

practices, *Feng Shui Made Easy* took a more holistic approach, clearly explaining the fundamentals while guiding readers on an inner journey of understanding . Thoughtfully written and beautifully illustrated, the book is structured around an “architecture of consciousness ” that is really the inner landscape. The book explores each “house” of the bagua—the chart

representing one's journey through life; relationships with parents, loved ones, and community; creativity; spirituality; and connectedness to the source of life—and the symbolism of the corresponding I Ching trigram. Feng Shui Made Easy helps readers discover the nature of these connections,

as well as learn what obstructions must be removed to change fixed patterns of behavior and restore balance, harmony, and inner peace—a process that, when combined with external adjustments, results in increased success and lasting change in all areas of life. This revised edition expands on the author's intuitive

approach with new sections on health, children's environments, and ecological concerns and sustainable practices. The author also corrects misconceptions about feng shui and uses fascinating case studies to share valuable insights he gained from interactions with his clients and readers.
