Medical Paranormal

Suspense A&C Black

A young woman holds the key to solving the greatest heist of the last century. But she wasn't even alive when the money was stolen... As Eleri and Christina work the strangest case yet, the clues all lead to a string of robberies in the late eighties. But why is this a NightShade division case? And why is she being forced to work it when she should be looking for her partner? Her SAC has promised her all the resources of the FBI to help find Donovan, but none of them seem to be getting used. As she and Christina start to string together clues to both their own case and to whether or not Donovan is even still alive, they'll realize they aren't alone. Though the FBI isn't doing much to find Donovan, all of his friends are. Together, they'll uncover some surprising links between the string of robberies and an old enemy. Solving this case will reveal deep secrets inside their own organization, but it might just kill their missing agent. This 11th installment in the award-

winning NightShade Forensic Files may be the deadliest yet. Can Eleri and Donovan both survive? Fans of Michael Crichton books and the Temperance Brennan series will find themselves binge reading this series from a USA Today bestselling author!

If she contacts anyone, it will signal to the ones trying to trace her every move. They want the parchment, too. It's a deadly game to see who can assemble enough of an ancient spell—or curse—in order to cast it first. But the ones looking for her have witches far more powerful than any Christina has ever met. Can Eleri and Donovan outsmart a killer who leaves no evidence behind or even a discernable cause of death? How will they track down someone who is more intelligent than both of them together? Curie, Nebraska was designed as a research haven for the ultra-intelligent. In fact, applicants must pass a rigorous IQ test before they can call the strange town home. Nearly every

resident—including several child geniuses—is suspect and no one is safe. Going undercover as the new neighbors leaves the agents struggling to find even the most basic clues. Eleri and Donovan can barely maintain their false identities against their overly-curious and stunningly intelligent new friends, let alone solve a murder. Can they figure it out before the next body turns up? Or has the killer already found them... The Camelot Gambit is the seventh book in the NightShade Forensic FBI Files series by USA Today bestselling author A.J. Scudiere. This book can be read as a standalone, but readers who love paranormal investigations and FBI thrillers will want to read the entire series!

Lives of Shakespearian Actors, Part II, Volume 2 Griffyn Ink

Someone is stalking them. A murdered girl matches the MO of a serial killer already in jail. Missing pages form a message that the wolves need to decipher before Miranda Industries get their hands on it. Eleri and Donovan have one case but more problems than they can count. Too many links call them back to old cases and bring up new questions about their

boss. Whose side is he on anyway when all his agents distrust him? Is he pulling threads only he can see? Or is something more sinister guiding his directives? Threats come from every direction... even in their dreams. Eleri and Donovan won't survive this one easily. If at all. This is the twelfth book in the NightShade Forensic FBI Files series. Beneath Memory: A Procedural Paranormal Thriller Griffyn Ink

Your favorite NightShade agents are back, only Eleri and Donovan are now on their own. This time they aren't working with the FBI, and the case is as personal as it can get... FBI Agent Eleri Eames was there the day her sister disappeared at eight years old. However, Eleri is the only one who knows that her sister is already dead and has been for quite some time. When a skeleton is unearthed in New Orleans, Eleri is convinced it belongs to Emmaline. The age and ancestry of the remains are a match, and there's something telling Eleri that New Orleans is the place where her sister lived and died. As Eleri hunts for answers, demons—old and new—begin following her. The Lobomau have been

entering the city in ever-increasing numbers, and that might just have something to do with the Dauphine sisters and their long family history of witchcraft and voodoo. Eleri desperately needs her partner Donovan on this case with her, but can he risk his own job to help her? Eleri's ancestry may have imbued her with some powers, but compared to her own great-grandmother and the Dauphines, she's untrained and untested at best. When the bones turn out not to belong to her sister, Eleri has to ask how a case so similar to Emmaline's even exists...and is it an arrow pointed to her own twisted family history? *Garden of Bone* is the sixth book in the *NightShade Forensic FBI Files* series by USA Today bestselling author A.J. Scudiere. This book can be read as a standalone, but readers who love paranormal investigations and FBI thrillers will want to read the entire series! *The Swarm: An Action Packed Medical Thriller Suspense* Griffin Ink 50 WESTERNS (Vol. 2) stands as a monumental collection that unveils the rugged beauty, daunting challenges, and audacious spirits that have come to
