The Crochet Answer Book, 2nd Edition Hachette UK Bake Knit Sew showcases a year of creativity in baking, knitting, and sewing. Each month, an original baking recipe is partnered with a knitting pattern or sewing project, made with the seasonally-inspired ingredients and materials. These twelve baking recipes, seven knitting patterns, and five sewing projects are yours

to make your own.

Written by Evin O'Keeffe, author of the popular blog EvinOK. Inspired by her Irish-American Grandma's recipe box and craftiness, this book showcases a year of creativity in baking, knitting, and sewing. Whether it is sparkly snowflakes and fleecy mittens in the Winter, brave new leaves in the Spring, dandelion clocks flying in the Summer breeze, or golden leaves and honeycomb in the Autumn, the seasons await you with new opportunity for creativity.

In this age of mass consumption and branding, there is magic in being able to create something unique and special. Something all your own, from the heart. The materials were carefully chosen from local artisans in Ireland and Nova Scotia who sell globally online, most of whom are woman-owned and operated. The recipes were perfected over generations, then given a modern twist and tested by volunteers. Each knitting and sewing pattern was tried and

tested as well. Finally, this book was funded by an enthusiastic crowd of Kickstarter backers. A complete year of projects! Over 50 full-color photographs shot on location in scenic Cork, Ireland make this book a feast for the eyes as well as an inspiration in the kitchen and at the craft table. You'll be pleasantly surprised at how simple it is to make and create these functional projects from scratch.

Lace gets a whole new look! Lace has traditionally been knit in finer weight yarns to create airy, delicate

designs. But when knit in bulky yarns, lace becomes bold, graphic, and dramatic. Working with thicker yarns also makes the projects move along more quickly and the lace repeats shorter, so it's easy to learn new stitches and techniques. For those new to bulky yarns, Barbara Benson shows you how these yarns work best in lace designs and provides tips and tricks for reading and executing lace patterns. Then you are ready to knit any of the 20 patterns for beautiful lacy shawls,

mitts, hats, cowls, blankets, and more. Gorgeous photography by Gale Zucker shows the pieces to their full, stunning effect. Get those big needles and chunky yarn ready to roll! [Coastal Knits](#) Search Press Ltd
