Teria de escolher: a coroa ou ela... Antonietta sempre se orgulhou de ser uma empregada discreta e tinha vergonha da atração inadequada que sentia pelo novo hóspede do hotel onde trabalhava como camareira. Não fazia ideia de que o misterioso signor Dupont era na verdade o príncipe Rafael de Tulano. Tudo o que ela sabia era que os seus beijos e as suas carícias a faziam derreter como o sol derreteria a neve. Da sua parte, Rafe, que se tinha tornado cínico devido à hipocrisia daqueles que o rodeavam, nunca teria esperado conectar-se dessa maneira com ninguém. A única coisa que ele poderia oferecer a Antonietta era um romance por alguns dias antes de retomar os seus deveres como príncipe herdeiro, mas quando ela lhe deu a sua virgindade, tudo mudou.

*Agua Viva* HarperCollins UK

Tinha de a pedir em casamento por uma questão de honra e dever! O príncipe Rafiq de Couteville acreditava que Alexa Considine era amante de um criminoso e que usá-la para vingar a morte da sua irmã seria um prazer... Lexie não conseguia compreender porque atraía a atenção do príncipe de Moraze, já que ela só queria ter umas férias calmas. Porém Rafiq era irresistível, por isso depressa deu por si na cama daquele homem. Contudo, para espanto de Rafiq, Lexie era virgem!

### Seduzida pelo seu inimigo

Routledge

O mestre da sedução... Alessandro Falcone é famoso por conseguir sempre o que deseja. Mas ser forçado a voltar para a Escócia era um grande inconveniente para o poderoso bilionário. Por isso, o seu plano era chegar, resolver o problema e ir-se

embora rapidamente. Até a bela Laura Reid se tornar uma deliciosa distração durante as frias e longas noites escocesas. Ela pode ser o oposto das mulheres com as quais Alessandro costuma namorar, mas as suas curvas sedutoras e a sua inocência cativante fazem dela um grande desafio. E no jogo da sedução, Alessandro vence sempre!

*Seduzida por ele* Penguin UK

Meg Rosenthal: matchmaker by day, realist by night. She's not about to get swept away by a charming, darkly handsome businessman in a designer suit. She's come to a beautiful secluded resort to evaluate the private island's potential for her matchmaking agency, not to ogle its owner. But there's something about Valentine Masini that's hard to resist, even for a woman who refuses to fall in love. He's used to having the finer things in life, and he's never wanted someone the way he wants Meg. But just as he decides to convince her to stay, someone else decides it might be time to get Meg off the island... permanently.

### Seduzida pelo príncipe

Good Press

O sultão conseguia sempre o que queria! Catrin Thomas era uma rapariga normal, de uma povoação de Gales, que se envolveu numa tórrida aventura amorosa com o sensual Murat, um sultão do deserto. Quando descobriu que no seu país natal lhe estavam a preparar já umas quantas jovens virgens para que escolhesse a sua futura esposa, Catrin decidiu acabar a relação. Murat não estava habituado a que ninguém o desafiasse e não ia deixar que Catrin se fosse embora. Mas descobriu que Catrin não era tão doce nem tão dócil como se mostrara durante a sua relação. Era uma mulher formidável! Além de inteligente, lutadora e muito tentadora...

### The End

Oxford University Press

The Holy Father's third encyclical focuses on "the dignity and rights of those who work."

### Revista universal Lisbonense

Autêntica Editora

Along with The Posthumous Memoirs of Br?s Cubas and Dom Casmurro, Quincas Borba is one of Machado de Assis' major works and indeed one of the major works of nineteenth century fiction. With his uncannily postmodern sensibility, his delicious wit, and his keen insight into the political and social complexities of the

Brazilian Empire, Machado opens a fascinating world to English speaking readers. When the mad philosopher Quincas Borba dies, he leaves to his friend Rubi?o the entirety of his wealth and property, with a single stipulation: Rubi?o must take care of Quincas Borba's dog, who is also named Quincas Borba, and who may indeed have assumed the soul of the dead philosopher. Flush with his newfound wealth, Rubi?o heads for Rio de Janeiro and plunges headlong into a world where fantasy and reality become increasingly difficult to keep separate. Brilliantly translated by Gregory Rabassa, Quincas Borba is a masterful satire not only on life in Imperial Brazil but the human condition itself.

*A Thousand Days in Venice* .

"One of the finest romance authors of all time." —Julia Quinn New York Times bestselling author Loretta Chase follows her historical romance gem, Silk is for Seduction (nominated for 2011 Romantic Times Reviewer's Choice Award for Best Regency-Set Historical Romance) with yet another winner. This time, Scandal Wears Satin, as the second sister from a somewhat scandalous aristocratic family—the purveyors of one of London's most fashionable shops—finds passion and a love as sumptuous as the gorgeous gowns she creates. Superstar romance author Susan Elizabeth Phillips says Loretta Chase has "a rare talent for creating crackling sexual tension and characters so fresh and compelling that readers won't be able to forget them." Chase fans, as well as Stephanie Laurens and Julia Quinn readers, will most assuredly agree—especially when they meet feisty Sophy and the rakish earl whose help (and heart) she enlists in order to win the patronage of a dowager lady.

*The Demon-Haunted World* INDEX ebooks

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has

muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul. *The 48 Laws of Power (Special Power Edition)* Sounds True

In spite of decades of research on toxicants, along with the growing role of scientific expertise in public policy and the unprecedented rise in the number of national and international institutions dealing with environmental health issues, problems surrounding contaminants and their effects on health have never appeared so important, sometimes to the point of appearing insurmountable. This calls for a reconsideration of the roles of scientific knowledge and expertise in the definition and management of toxic issues, which this book seeks to do. It looks at complex historical, social, and political dynamics, made up of public controversies, environmental and health crises, economic interests, and political responses, and demonstrates how and to what extent scientific knowledge about toxicants has been caught between scientific, economic, and political imperatives. Soraya Boudia is Professor of Science, Technology, and Innovation Studies at the University of Paris-Est Marne-la-Vallée. Her scholarly work focuses on the transnational government of technological and health environmental risks. She has co-edited a special issue of *History and Technology*, "Risk and risk Society in Historical Perspective" (2007), and *Toxicants, Health and Regulations Since 1945* (Pickering & Chatto, 2013), both with Nathalie Jas. Nathalie Jas is a Senior Researcher at the French National Institute for Agricultural Research (INRA). A historian and a STS scholar, her scholarly work analyses the intensification of agriculture and its social, environmental, and health effects. She has co-edited a special issue of *History and Technology*, "Risk and risk Society in Historical Perspective" (2007), and *Toxicants, Health and Regulations Since 1945* (Pickering & Chatto, 2013), both with Soraya Boudia.

*Heidegger and the Myth of a Jewish World Conspiracy* Teach Services, Incorporated

Elder James White and his wife, Mrs. E. G. White, enjoyed speaking and writing about how true science and the Scriptures are related to one another. Various experiences motivated them to consider questions about health and ultimately share their knowledge with others. Written in a time when the subject of health was almost wholly ignored, the articles they wrote led thousands of people to change life-long habits. They were also among the first to present the subject of hygiene in consistency with the Bible and Christian beliefs. The principles presented in this book have not only stood the test of time, but have been proven to be even more accurate over the past several years by scientific evidence. Mrs. E. G. White shared her thoughts on Christian temperance, while Elder James White wrote on the subject of Bible hygiene. This collection of their more important writings will both inspire and instruct you in temperance and hygiene from a Biblical point of view.

*Untie the Strong Woman* Harlequin, uma divisão de HarperCollins Ibérica, S.A.

A escolha de uma produção textual que se define como "negra", como objeto de estudo, evidencia a opção por lidar mais detidamente com uma outra parte da minha formação identitária, o afro, marcada pela cor da pele e pela necessidade de tornar patente a impossibilidade da transparência. Os textos de Sociologia, História, Antropologia, Estudos Culturais, Estudos Pós-coloniais e Black Studies se entrecruzam com debates, reflexões, aulas, seminários, leituras e discursos vários, dos quais me apropriei, atribuindo-lhes valores diferenciados. Uma apropriação que faz adaptações, realça o que se configura pertinente para o estudo dos periódicos, explora as possibilidades de remodelar e traçar ou abandonar idéias e conceitos que não se enquadram nas nuances por mim escolhidas.

*Quincas Borba* Harper Collins

De Blasi, a chef and food writer from St. Louis, begins a whirlwind romance with a man in Venice.

*Bitita's Diary: The Autobiography of Carolina Maria de Jesus*

Harlequin, uma divisão de HarperCollins Ibérica, S.A.

A study of heroism in the myths of the world - an exploration of all the elements common to the great stories that have helped people make sense of their lives from the earliest times. It takes

in Greek Apollo, Maori and Jewish rites, the Buddha, Wotan, and the bothers Grimm's Frog-King.

*Chilly Scenes of Winter* U of Minnesota Press

Este livro é fruto de um trabalho voluntário nos últimos 30 anos, monitorando oficinas sobre a História do Exercício da Cidadania no Mundo e no Brasil, analisando a gênese da exclusão social e da pobreza política no Brasil entre 1549 e 2016. Trabalhamos os conceitos de Cidadania: Negada; Cerceada; Tutelada; Reprimida e a Exercitada entre 1986 aos dias atuais. Demonstramos como as elites excluíram a classe-que-vive-do-trabalho da participação política e social até hoje. Mesmo o Brasil superando a Inglaterra ocupando o 6o PIB mundial em 2011, 2/3 da sua população sofria com um Índice de Desenvolvimento Humano (IDH) em 84o lugar. Discutimos o processo de conscientização e mobilização para a Juventude, Movimentos Sociais, Religiosos, Estudantis, a Classe Política e a Mídia para contrapor a Concentração de riqueza no País. E como agir nas instituições reprodutoras da ideologia neoliberal, como único meio para o sucesso. E como conquistar uma Cidadania Ativa usufruindo de Direitos e cumprindo Deveres, ao combater a exclusão social, a miséria e a violência.

Apresentamos uma tecnologia social para a sua politização e plano de ação para implementar o Orçamento Participativo e as Reformas Política e a Tributária e Fiscal Progressiva, principalmente para conquistar um IDH compatível o PIB. Para sermos éticos, solidários e vivermos em Paz, urge superar a enorme exclusão social numa "pátria mãe gentil" para os ricos e madrastra com os pobres.

*The Hero with a Thousand Faces* Ballantine Books

The End centers on five friends in Rio de Janeiro who, nearing the end of their lives, are left with memories—of parties, marriages, divorces, fixations, inhibitions, bad decisions—and the physical indignities of aging. Alvaro lives alone and spends his time going from doctor to doctor and bemoaning the evils of his ex-wife. Silvio is a junkie who can't give up the excesses of sex and drugs even in his old age. Ribeiro is an athletic beach bum enjoying a prolonged sex life thanks to Viagra. Neto is the square member of the group, a faithful husband until his last days. And Ciro is the Don Juan envied by all—but the first to die, struck down by cancer. For all of them, successful careers, personal revelations, and Zen serenity are out of the question, blocked by a seemingly insurmountable wall of frustrations. Orbiting around them are a

priest questioning his vocation and a cast of complicated women, neglected and embattled by these self-involved men. Edgy and wise, this tragicomic debut delves into taboo subjects—death, infidelity, impotence, the difficulties of marriage—with unsentimental honesty, and brings Rio and these characters to life in full color.

**Seduced by Sunday** Harlequin, uma divisão de HarperCollins Ibérica, S.A.

NEW YORK TIMES BESTSELLER Maya Banks, the bestselling author of romance and romantic suspense has captivated readers with her steamy Scottish historical novels, perfect for fans of Julie Garwood. In *Highlander Most Wanted*, a reclusive woman content to live in the shadows shows a Highland warrior the true meaning of love. Genevieve McInnis is locked behind the fortified walls of McHugh Keep, captive of a cruel laird who takes great pleasure in ruining her for any other man. Yet when Bowen Montgomery storms the gates on a mission of clan warfare, Genevieve finds that her spirit is bent but not broken. Still, her path toward freedom remains uncertain. Unable to bear the shame of returning to a family that believes her dead or to abandon others at the keep to an imposing new laird, Genevieve opts for the peaceful life of an abbess. But Bowen's rugged sensuality stirs something deep inside her that longs to be awakened by his

patient, gentle caress—something warm, wicked, and tempting. Bowen seizes his enemy's keep, unprepared for the brooding and reclusive woman who captures his heart. He's enchanted by her fierce determination, her unusual beauty, and her quiet, unflinching strength. But wooing her will take more than a seasoned seducer's skill. For loving Genevieve, he discovers, means giving her back the freedom that was stolen from her—even if it means losing her forever. "[Maya] Banks has written an emotionally taut Highlands romance. . . . Lush emotionalism, compelling characters and a moving story line will win romance fans."—Kirkus Reviews

*Highlander Most Wanted* Harper Collins

Discusses life, time, beauty, experience, meaning, music, and art. Tpm Harlequin, uma divisão de HarperCollins Ibérica, S.A. Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows

in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.
