Dedicated to astronaut Neil Armstrong, *A Kite for Moon* is the perfect children's book to help celebrate the 50th anniversary of the first United States moon landing. Written by New York Times bestselling author of *How Do Dinosaurs Say Goodnight?* Jane Yolen and her daughter, Heidi Stemple, this book is a heartfelt story about a young boy's fascination and unlikely friendship with the moon. What would it be like if the moon was your friend? Find out as you walk alongside a little boy who journeys through life to achieve his dream of becoming an astronaut. And then blast off with your little one as you zoom to the moon together! The story begins when a little boy, who is flying his kite, notices a sad Moon. He sends up kites to her, writing notes promising he will come see her someday. This promise propels him through years of studying, learning, and training to become an astronaut. Until ... he finally goes up, up, up in a big rocket ship with a fiery tail. *A Kite for Moon*: Features over 20 gorgeous illustrations by award-winning artist Matt Phelan Is the perfect storybook for children ages 4 to 8 Celebrates every child's fascination with space [The Color of Fire](#) Knopf Books for Young Readers

"Dictionary, n: A malevolent literary device for cramping the growth of a language and making it hard and inelastic. This dictionary, however, is a most useful work." Bierce's groundbreaking *Devil's Dictionary* had a complex publication history. Started in the mid-1800s as an irregular column in Californian newspapers under various titles, he gradually refined the new-at-the-time idea of an irreverent set of glossary-like definitions. The final name, as we see it titled in this work, did not appear until an 1881 column published in the periodical *The San Francisco Illustrated Wasp*. There were no publications of the complete glossary in the 1800s. Not until 1906 did a portion of Bierce's collection get published by Doubleday, under the name *The Cynic's Word Book*—the publisher not wanting to use the word "Devil" in the title, to the great disappointment of the author. The 1906 word book only went from A to L, however, and the remainder was never released under the compromised title. In

1911 the *Devil's Dictionary* as we know it was published in complete form as part of Bierce's collected works (volume 7 of 12), including the remainder of the definitions from M to Z. It has been republished a number of times, including more recent efforts where older definitions from his columns that never made it into the original book were included. Due to the complex nature of copyright, some of those found definitions have unclear public domain status and were not included. This edition of the book includes, however, a set of definitions attributed to his one-and-only "Demon's Dictionary" column, including Bierce's classic definition of A: "the first letter in every properly constructed alphabet." Bierce enjoyed "quoting" his pseudonyms in his work. Most of the poetry, dramatic scenes and stories in this book attributed to others were self-authored and do not exist outside of this work. This includes the prolific Father Gassalasca Jape, whom he thanks in the preface—"jape" of course having the definition: "a practical joke." This book is a product of its time and must be approached as such. Many of the definitions hold up well today, but some might be considered less palatable by modern readers. Regardless, the book's humorous style is a valuable snapshot of American culture from past centuries. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be safe from the Russian soldiers and their harsh treatment of the Jews. Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island--and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, *Letters from Rifka* presents a real-life heroine with an uncommon courage and unsinkable spirit.

The Impact of Science on Society Henry Holt and Company (BYR)

This Newbery Honor-winning book shows us that in the steady courage of a young girl lies a profound strength that can transcend the horrors of war. This is the true story of a girl's extraordinary survival during the German occupation of Holland of World War II. Annie was only ten years old, but because she was Jewish, she was forced to leave her family, her home, and everything she knew. Annie was taken in, far from home, by complete strangers who risked everything to help her. They showed Annie where she had to stay - the cramped upstairs room

of their farmhouse. She would remain there while Nazis, who were ever vigilant, patrolled the streets outside. If Annie made even a sound from upstairs, or if a nosy neighbor caught sight of her in the window, it would surely mean a death sentence for her and the family that took her in. Elie Wiesel writes, "This admirable account is as important in every aspect as the one bequeathed to us by Anne Frank." A Newbery Medal Honor Book, ALA Notable Book, and winner of the Jewish Book Council Children's Book Award. Be sure to read the moving sequel "The Journey Back" by Johanna Reiss.

Letters from Rifka Harcourt Childrens Books

From the best-selling and award-winning author of *The Devil's Arithmetic*, Jane Yolen, comes her first Holocaust novel in nearly thirty years. Influenced by Dr. Mengele's sadistic experimentations, this story follows twins as they travel from the Lodz ghetto, to the partisans in the forest, to a horrific concentration camp where they lose everything but each other. It's 1942 in Poland, and the world is coming to pieces. At least that's how it seems to Chaim and Gittel, twins whose lives feel like a fairy tale torn apart, with evil witches, forbidden forests, and dangerous ovens looming on the horizon. But in all darkness there is light, and the twins find it through Chaim's poetry and the love they have for each other. Like the bright flame of a Yahrzeit candle, his words become a beacon of memory so that the children and grandchildren of survivors will never forget the atrocities that happened during the Holocaust. Filled with brutality and despair, this is also a story of poetry and strength, in which a brother and sister lose everything but each other. Nearly thirty years after the publication of her award-winning and bestselling *The Devil's Arithmetic* and *Briar Rose*, Yolen once again returns to World War II and captivates her readers with the authenticity and power of her words. Praise for *Mapping the Bones*: "Jane Yolen's *Mapping the Bones* is a swift and deadly drama with overtones of dark fable we all wish we could forget. But this book, a shining star held in a trembling palm, requires us to remember." --Gregory Maguire, internationally bestselling author of *Wicked* "Mapping the Bones is spare and beautiful and haunting. Jane Yolen has created a masterpiece." --Kimberly Brubaker Bradley, New York Times bestselling author of *The War That Saved My Life* "Master storyteller Jane Yolen has outdone herself. This is a compelling, important, necessary, and timely book that deserves

the widest audience possible." --Lesléa Newman, award-winning author of *Still Life with Buddy* "In the hands of the superb Jane Yolen, folklore and fact connect in a harrowing testimony to horror and to love. Brutal, relentless, prophetic, and full of truth." --Elizabeth Wein, New York Times bestselling author of *Code Name Verity* "A compassionate, unflinching, unforgettable Nazi labor camp Hansel & Gretel tale woven by America's finest spinner of Holocaust stories for young readers." --Julie Berry, author of the Printz Honor Book *The Passion of Dolssa* "[An] expansive, eloquent novel." --Publishers Weekly "Yolen does a superb job of dramatizing the horrors of WWII and the Holocaust, bringing vivid fear and suspense to her captivating story. It makes for altogether memorable and essential reading." --Booklist "[A] breath-taking and heartbreaking look at the horrors of war and the lengths people go to overcome." --Voice of Youth Advocates "Fans of Yolen's *The Devil's Arithmetic* will be engrossed in this story until the last page." --School Library Journal "[A] well-rounded story of a very difficult time that shows the resiliency of these young people." --School Library Connection

Then she and her family are forced to leave their house behind to move into a crowded ghetto, where privacy becomes a luxury of the past and food becomes a scarcity. A deeply moving story about a little girl hiding from the Nazis in World War II France.

I Have Lived a Thousand Years Penguin

Lucie Aubrac (1912-2007), born Bernard into a Catholic family of winegrowers, was teaching history in a Lyon high school and newly married to Raymond Samuel, a Jewish engineer, when World War II broke out and divided France. The couple, living in the Vichy zone, soon joined the Resistance movement in opposition to the Nazis and their collaborators. Outwitting the Gestapo is Lucie's harrowing account of her participation in the Resistance: of the months when, though pregnant, she planned and took part in raids to free comrades — including her husband, under Nazi death sentence — from the prisons of Klaus Barbie, the infamous Butcher of Lyon. Her book is also the basis for the 1997 French movie, *Lucie Aubrac*, which was released in the United States in 1999. The translator, Konrad Bieber, is an emeritus professor of French and comparative literature at SUNY, Stony Brook, and a survivor of Nazi Terror. The introducer is Margaret Collins Weitz, professor of humanities and languages at Suffolk University in Boston. "A breathtaking account that feeds the soul as much as it satisfies the appetite for vicarious danger." — Kirkus Reviews "Lively and absorbing... [Aubrac's] book interweaves the everyday experience of incredibly hard times... with Resistance activities." — London Review of Books "There is a

relish for the idiosyncratic ramifications of human character that reveal themselves in crisis... As the record of a female résistante's exploits, Aubrac's account is doubly valuable. [There is] a compelling sense of immediacy as events unfold."

—Washington Post Book World "An excellent historical introduction on the Resistance movement... and an appropriately taut translation... enhance the impact of this stirring tale of heroism, which concerns not only Resistance members but ordinary citizens, notably women." — Publishers Weekly "This book is riveting. Adventure, terror, horror, and excitement are all here; it is a feminist class as well... full of interesting information about wartime food, clothes, schooling and manners. It is also a sturdy tale of married love, sustained and requited. The translation is so good that it reads as if it had been written in English." — Times Literary Supplement "In *Ille partiront dans l'ivresse*, we find the whole Lucie Aubrac with her candor, spontaneity and narrative art... But these are not the only qualities of the book: it exudes a spirit of solidarity among all résistants... and a great respect for the humble people who at one time or another assisted the Resistance without belonging to it. All in all, an extraordinary testimony by an extraordinary woman."

She was a young German Jew. He was an ardent member of the Hitler Youth. This is the story of their parallel journey through World War II. Helen Waterford and Alfons Heck were born just a

few miles from each other in the German Rhineland. But their lives took radically different courses: Helen's to the Auschwitz concentration camp; Alfons to a high rank in the Hitler Youth. While Helen was hiding in Amsterdam, Alfons was a fanatic believer in Hitler's "master race." While she was crammed in a cattle car bound for the death camp Auschwitz, he was a teenage commander of frontline troops, ready to fight and die for the glory of Hitler and the Fatherland. This book tells both of their stories, side-by-side, in an overwhelming account of the nightmare that was World War II. The riveting stories of these two remarkable people must stand as a powerful lesson to us all.
