### *The Lost Boy* Penguin

From the illustrator of the #1 smash hit *The Day The Crayons Quit* comes a humorously warm tale of friendship. Now also an animated TV special! What is a boy to do when a lost penguin shows up at his door? Find out where it comes from, of course, and return it. But the journey to the South Pole is long and difficult in the boy's rowboat. There are storms to brave and deep, dark nights. To pass the time, the boy tells the penguin stories. Finally, they arrive. Yet instead of being happy, both are sad. That's when the boy realizes: The penguin hadn't been lost, it had merely been lonely. A poignant, funny, and child-friendly story about friendship lost . . . and then found again.

### *The lost boys* Penguin

At age 14, author Justin Rollins went from being a bullied child to the leader of *The Warriorz*, a group of London street kids involved in graffiti tagging and other crimes, including a series of violent encounters. Eventually given a substantial custodial sentence for an attack with a meat cleaver in the London Underground, Rollins became determined to steer other young people away from such a life. *The Lost Boyz* tells the story of Rollins' descent into a form of madness, in which self-destruction, anger, wanton behavior, and fear reside at the core. Never has a book taken the reader so far inside the minds of troubled youths who gradually realize that there is no easy escape from their chaotic lifestyle. Their need - to gain respect from and stay credible with each other - stems from offending, alienation, living on the margins of society, and crazy behavior, all of which serve as barriers to rejoining the normal world and going straight. The book contains countless lessons for young

IT ALL COMES DOWN TO THIS. ARE YOU AFRAID OF THE DARK?

The Cove has fallen. The woods are collapsing. Leonardo and the survivors return north to where their journey began, in search of allies to fight The Dark—a tangible nightmare in search of blood. But when they reach the Darkwoods, they find it even bleaker than they had feared. Any semblance of clan life has crumbled in

the aftermath of the Dark. Meanwhile, an ancient and bizarre game takes place high above the ground in the canopy of the Redwoods, a distant corner of the woods ruled by a leader who calls himself the general. Leonardo's party is magically whisked to their treetop world, where they face a race against time. The Redwoods kids care more about their rivalries than the impending Dark, and Leonardo is forced to join the game in an effort to dismantle it from the inside. Every plan is dashed by a new setback, and the Dark draws closer by the day. Leonardo must outthink all of his enemies at once, or the woods—and all of its children—will vanish.

### *The Stranger* Titan Books (US, CA)

*Lost Boy No More* tells the incredible true story of Abraham Nhial—but the story is not his alone. As a nine year-old child, Abraham found himself orphaned as civil war in his homeland of Sudan ravaged his entire village because they refused to embrace Islam. His journey is one of a perilous walk along with 35,000 lost boys of Sudan who fled to Ethiopia. Abraham and others like him made it to the border but hard times were not over as he endured the refugee camps of Ethiopia. Abraham becomes a lost boy no more when he discovers real salvation through Jesus Christ. *Lost Boy No More* gives more than a narrative of Abraham's story. It also gives a history of Sudan and the persecution of Christians by Islamic militants.

### *J M Barrie and the Lost Boys* Simon and Schuster

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse

lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

### *Lost Boys* Digital Manga, Inc.

"Remarkable. What sets *Lost Boys* apart from the ordinary lament is the author's palpable sense of care and compassion."--The Washington Post Book World Our national consciousness has been altered by haunting images of mass slaughters in American high schools, carried out by troubled young boys with guns. It's now clear that no matter where we live or how hard we try as parents, our children are likely to be going to school with boys who are capable of getting guns and pulling triggers. What has caused teen violence to spread from the urban war-zones of large cities right into the country's heartland? And what can we do to stop this terrifying trend? James Garbarino, Ph.D., Cornell University professor and nationally noted psychologist, insists that there are things that we, both as individuals and as a society, can do. In a richly anecdotal style he outlines warning signs that parents and teachers can recognize, and suggests steps that can be taken to turn angry and unhappy boys away from violent action. Full of insight, vivid individual portraits, practical advice and considered hope, this is one of the most important and original books ever written about boys.

### *Lost Boys (Yaoi Manga)* Dreamspinner Press LLC

This literary biography is “a story of obsession and the search for pure childhood . . . Moving, charming, a revelation” (Los Angeles Times). J. M. Barrie, Victorian novelist, playwright, and author of *Peter Pan*, or *The Boy Who Wouldn't Grow Up*, led a life almost as

interesting as his famous creation. Childless in his marriage, Barrie grew close to the five young boys of the Davies family, ultimately becoming their guardian and surrogate father when they were orphaned. Andrew Birkin draws extensively on a vast range of material by and about Barrie, including notebooks, memoirs, and hours of recorded interviews with the family and their circle, to describe Barrie's life, the tragedies that shaped him, and the wonderful world of imagination he created for the boys. Updated with a new preface and including photos and illustrations, this "absolutely gripping" read reveals the dramatic story behind one of the classics of children's literature (Evening Standard). "A psychological thriller . . . One of the year's most complex and absorbing biographies." —Time "[A] fascinating story." —The Washington Post

Janet Moodie has spent years as a death row appeals attorney. Overworked and recently widowed, she's had her fill of hopeless cases, and is determined that this will be her last. Her client is Marion 'Andy' Hardy, convicted along with his brother Emory of the rape and murder of two women. But Emory received a life sentence while Andy got the death penalty, labeled the ringleader despite his low IQ and Emory's dominant personality. Convinced that Andy's previous lawyers missed mitigating evidence that would have kept him off death row, Janet investigates Andy's past. She discovers a sordid and damaged upbringing, a series of errors on the part of his previous counsel, and most worrying of all, the possibility that there is far more to the murders than was first thought. Andy may be guilty, but does he deserve to die?

From Rufio to Zuko is a personal examination of the upbringing, culture, and work of Dante Basco. Basco ruminates on the formative power of his Filipino-American heritage, his family, the dynamics that evolved throughout his career, and his experiences behind playing a couple of America's most popular characters. From Rufio to Zuko is a memoir detailing the life and work of Dante Basco. Basco takes us behind the scenes of his earliest projects, sharing personal examinations of his life on the set of Hook, through his second rise as a cultural icon as Zuko in Avatar: The Last Airbender. Throughout his career as a 'working class' actor of Filipino heritage, Basco shares how his family and culture play a crucial role in the foundation of his work and his focus for

the future.

"Mesmerizing and dazzlingly original--a breakout novel."--Wally Lamb After Henry's girlfriend Val leaves him and transfers to another school, his grief begins to manifest itself in bizarre and horrifying ways. Cause and effect, once so reliable, no longer appear to be related in any recognizable manner. Either he's hallucinating, or the strength of his heartbreak over Val has unhinged reality itself. Henry decides to run away. He leaves his mother's home in the suburbs and marches toward the city and the woman who he thinks will save him. Once on the George Washington Bridge, however, a powerful hallucination knocks him out cold. When he awakens, he finds himself kidnapped by two strangers--one old, one middle-aged--who claim to be future versions of Henry himself. Val is the love of your life, they tell him. We've lost her, but you don't have to.

Fate has brought them together. But will it also keep them apart? Having moved to a strange town, seventeen-year-old Joey Gray is feeling a little lost, until she meets a cute, mysterious boy near her new home. But there's a very good reason why Tristan Halloway is always to be found roaming in the local graveyard... Perfect for fans of Stephenie Meyer and Lauren Kate, *The Lost Boys* is a magical, romantic tale of girl meets ghost.

At Santa Cruz Central High School, they called them the misfits, the outcasts, the weirdos. But most of us knew them as the Lost Boys...Holden Parish survived his parents' horrific attempts to make him "the perfect son." After a year's stint in a Swiss sanitarium to recover, he has vowed to never let anything--or anyone--trap him again. Brilliant but broken, he seeks refuge behind alcohol, meaningless sex, and uses his wicked sense of humor to keep people away. He only has to ride out one year in the coastal town of Santa Cruz with his aunt and uncle before he inherits his billions and can make his escape. Disappear.Falling in love is not in the plans.River Whitmore. Star quarterback of the Central High football team, Prom King, Mr. Popular, ladies' man. He leads the perfect life...except it's all a lie. His father has River's future in the NFL all planned out, while River's dream is to run the family business in the town that he loves. But his mother's illness is tearing the family apart and River is becoming the glue that holds them together. How can he break his father's heart when it's already shattering?River's carefully-crafted façade explodes when he meets Holden Parish. A guy who dresses in coats and scarves year-round, drinks expensive vodka, and spends his free time breaking into houses for the fun of it. They're complete opposites. River seeks a quiet life, away from the spotlight. Holden would rather have dental surgery than settle down.Holden's demons and River's responsibilities threaten to keep them apart, while their undeniable attraction crashes them together again and again, growing into something deep and real no matter how they resist.Until one terrible night changes everything.#MMromancePlease note, this book contains spoilers for The Girl in the Love Song

From the national bestselling author of Alice comes a familiar story with a dark hook—a tale about Peter Pan and the friend who

became his nemesis, a nemesis who may not be the blackhearted villain Peter says he is... There is one version of my story that everyone knows. And then there is the truth. This is how it happened. How I went from being Peter Pan's first—and favorite—lost boy to his greatest enemy. Peter brought me to his island because there were no rules and no grownups to make us mind. He brought boys from the Other Place to join in the fun, but Peter's idea of fun is sharper than a pirate's sword. Because it's never been all fun and games on the island. Our neighbors are pirates and monsters. Our toys are knife and stick and rock—the kinds of playthings that bite. Peter promised we would all be young and happy forever. Peter lies.

**The Lost Boy** Fremantle Press

The Street Kids is the most important novel by Italy's preeminent late-20th Century author and intellectual, Pier Paolo Pasolini. A powerful, groundbreaking contemporary classic, The Street Kids is now available in a new translation by Ann Goldstein, translator of Elena Ferrante's Neapolitan Novels. Set in Rome during the post-war years, the Rome of the "borgate," outlying neighborhoods beset by poverty and deprivation, The Street Kids tells the story of a group of adolescents belonging to the urban underclass. Living hand-to-mouth, Riccetto and his friends eek out an existence doing odd jobs, committing petty crimes and prostituting themselves. Rooted in the neorealist movement of the 1950s, The Street Kids is a tender, heart-rending tribute to an entire social class in danger of being forgotten. Pasolini's novel was heavily censored, criticized by professional critics, and

lambasted by much of the general public upon its publication. But its undeniable force and vitality eventually led to it being universally acknowledged as a masterpiece.

The Impossible Boy Not a Cult

Sent by the Lost Boys to find them a father, the impish Air settles upon the first open window he could find. The window happens to be Mizuki's, who is forcibly whisked away to Neverland. Finding out that he is now supposed to play "father" to the Lost Boys, Mizuki is incensed. However, forced to stay put, he gets to know the Lost Boys – and Air – a little better. Perhaps a little too well as Mizuki finds that he is helplessly falling in love with the boy. Staying true to the boys' love genre, readers will find Lost Boys' soft and sensitive storyline to be quite a delightful surprise. This is Peter Pan...yaoi style!

From Rufio to Zuko: Lost Boys Edition Bantam Press

"[A] riveting account of a fishing boat and its four young crewman lost at sea in 1984 off the coast of Montauk in eastern Long Island--a "fishing town with a drinking problem," as the locals have it--and the stunning repercussions of that loss for the families and friends of the four missing men and, indeed, the entire storied summer community of the Hamptons"--

**Wendy and the Lost Boys** Viking

The authorized biography of Pulitzer Prize-winning playwright Wendy Wasserstein. In Wendy and the Lost Boys bestselling author Julie Salamon explores the life of playwright Wendy Wasserstein's most expertly crafted character: herself. The first woman playwright to win a Tony Award, Wendy Wasserstein was a Broadway titan. But with her high-pitched giggle and unkempt curls, she projected an image of warmth and familiarity. Everyone

knew Wendy Wasserstein. Or thought they did. Born on October 18, 1950, in Brooklyn, New York, to Polish Jewish immigrant parents, Wendy was the youngest of Lola and Morris Wasserstein's five children. Lola had big dreams for her children. They didn't disappoint: Sandra, Wendy's glamorous sister, became a high-ranking corporate executive at a time when Fortune 500 companies were an impenetrable boys club. Their brother Bruce became a billionaire superstar of the investment banking world. Yet behind the family's remarkable success was a fiercely guarded world of private tragedies. Wendy perfected the family art of secrecy while cultivating a densely populated inner circle. Her friends included theater elite such as playwright Christopher Durang, Lincoln Center Artistic Director André Bishop, former New York Times theater critic Frank Rich, and countless others. And still almost no one knew that Wendy was pregnant when, at age forty-eight, she was rushed to Mount Sinai Hospital to deliver Lucy Jane three months premature. The paternity of her daughter remains a mystery. At the time of Wendy's tragically early death less than six years later, very few were aware that she was gravely ill. The cherished confidante to so many, Wendy privately endured her greatest heartbreaks alone. In Wendy and the Lost Boys, Salamon assembles the fractured pieces, revealing Wendy in full. Though she lived an uncommon life, she spoke to a generation of women during an era of vast change. Revisiting Wendy's works—The Heidi Chronicles and others—we see Wendy in the free space of the theater, where her many selves all found voice. Here Wendy spoke in the most intimate of terms about everything that matters most: family and love, dreams and devastation. And that is the Wendy of Neverland, the Wendy who will never grow old.
