Herbal Tarot Monkfish Book Publishing
Students of the tarot will call this the reference book of the century! Includes basic definitions of the cards, correspondences (with esoterica, gemstones, runes, astrology, Huna, color, essences, mythology, and language), and a short section describing basic layouts. Jana Riley (a superlative researcher in the world of

esoteric study) has quoted card definitions from major authors to provide succinct definitions of each card in the deck. Readers will gain new insights into card interpretation and how different teachers approach the tarot. Riley has collected material from major authors (both modern and traditional) in order to provide definitions of each card in the deck. Many of these authors also offer great number of decks, ranging from the well-known Waite, Crowley Thoth, and Wirth decks, to the more modern, such as The William Blake Tarot of Creative

Imagination, Tarot of the Spirit, Motherpeace Round Tarot, Shining Woman Tarot, The Mythic Tarot, The Merlin Tarot, The Dreampower Deck, The Barbara Walker Tarot, The Voyager Tarot. This the first time that students of tarot symbolism can combine card meanings from such an eclectic group of experts. This book is destined to become an invaluable resource for all interested in the tarot!

Womb Awakening Simon and Schuster
Featuring all of the finished art from Road's popular tarot, along with full card descriptions in both Spanish and English, as well as bonus sketches and other material. Featuring body outlaws, endangered cultures, and anti-colonial belief systems, envisioning a world where justice relies on respect and

revolutionary love. The Fool's Journey is about smashing systematic oppression, owning their truths, being accountable to the people and places that support them, and taking back a connection to their body that may have been lost through trauma or societal brainwashing. A visual spectacle of both the battle cry and the re-connection between outcasts and their criminalized identities.

The bestselling author uses Wiccan sacred texts to show how we can have a more intimate connection with our surroundings. From time immemorial, artists and poets, prophets, and shamans have drawn strength and inspiration from walking the earth. In *The Earth Path*, bestselling author Starhawk takes the reader on a journey

into the heart of the natural world, showing how we can have a more intimate connection with the world that surrounds us. Institutionalized religions have sacred texts—messages written in holy books that are the inspiration for their beliefs and rituals. But the sacred texts for Wicca, like other ancient native or indigenous traditions, are written in nature—in the magic circle of the elements: air, fire, water, and earth. With *The Earth Path*, Starhawk, an activist, ecofeminist, and leader in the women’s spirituality movement, places you in the center of that magical circle. As you become attuned to the rhythms of the earth, your thinking will shift from focusing on isolated objects to marveling at the multitude of interconnecting patterns and relationships in nature.

These patterns and connections can hold the key to your own spiritual renewal and restore your sense of responsibility for preserving this world that nurtures and sustains us. Filled with awareness exercises, inspiring meditations, and magical rituals, *The Earth Path* not only teaches the reader to respect the ecology of our natural world, but shows how to spiritually connect with and channel the powers inherent in nature. Praise for *The Earth Path* “Starhawk presents an array of exercises and practices for sharpening observation and listening skills. She engages readers’ spirits and minds through her illustrative storytelling, offering ways to communicate more fully with the world and suggesting ways to act.”
—Publishers Weekly “Lucid, appealing . .

. a broad philosophy of harmony with nature, of human concord, sexual liberation, creativity, and healthy pleasure, as expressed and celebrated in a freewheeling worship of the universe.”
—Kirkus Reviews

Italian artist Luigi Scapini's lavish paintings recreate 15th century Italy in this gold-accented tarot deck. The Major Arcana and court cards have gold backgrounds in the manner of fifteenth-century European decks. Both the Major and Minor Arcana include full scenes. In the Minors, symmetrical arrangements of the suit symbols provide composition around which the scenes are arranged. The depth of Scapini's art history expertise is evident in his lush settings and period costumes. Interesting details, and sometimes-humorous references, are cleverly imbedded in the artwork, with many of the cards depicting historical figures, for example, Rasputin as the Knight of Cups.

Readers will easily relate to the universal situations revealed in the cards, for pleasurable and insightful readings. Tarot Dictionary and Compendium

Rediscover the lost ancient mystery teachings of the Cosmic Womb • 2017 Nautilus Silver Award • Explains how each of us has a holographic blueprint of the Womb of Creation, our spiritual Womb • Offers practices to help awaken your spiritual Womb, experience the Womb of God within, and activate the Womb's sacred magic of creation and manifestation • Looks at the power of

the moon and its connection to sacred Womb Consciousness • Explores how the lost Womb mystery teachings were encoded in folk and fairy tales, the legends of the Holy Grail, and the traditions of Mary Magdalene and Sophia

- Includes access to three guided Womb Awakening audio journeys

The Ancients lived by a feminine cosmology of creation, where everything was birthed and dissolved through a sacred universal Womb. Within each of us, whether female or male, lies a holographic blueprint of this Womb of Creation, connecting us to the Web of Life. By awakening your spiritual Womb, the holy of holies within the temple of your body, you can reconnect to the transformative energy of Womb Consciousness and reclaim your sacred powers of creation

and love. Drawing on mythical and spiritual traditions from almost every culture, Dr. Azra and Seren Bertrand reconstruct the moon-based feminine mystery teachings of a lost global Womb religion, tracing the tradition all the way back to the Neanderthals and beyond. They explore how these teachings were encoded in the symbolism of folk and fairy tales; the legends of the Holy Grail; the traditions of Mary Magdalene and Sophia; the maiden, queen, and crone archetypes; and the teachings of alchemy and the chakras. They show how sages and shamans across the globe all secretly spoke of the Cosmic Womb and the sacred creative powers of Moon Blood. The authors look at the power of the Moon and its connection to sacred Womb Consciousness, offering

meditations and practices to help awaken your spiritual Womb and activate its sacred magic of creation and manifestation. They explain how to activate the energetic gateways of the Womb and merge the heart and Womb to make sexual union the highest sacrament of love. Revealing how we

must reconnect with the Divine Feminine to rebirth the Divine Masculine and restore balance to our world, they show how, as we reawaken the powerful ancient path of the Womb Mysteries, we help return our world to harmony with the wild, untamed creative flows and cyclical rhythms of the cosmos.
