TRISTIN SANAA

[Why Mosquitoes Buzz in People's Ears](#) Perfection Learning
 Superfudge meets The Lemonade War in this funny, heartwarming book about change, adventure, family, and of course, doughnuts. Tristan isn't Gifted or Talented like his sister Jeanine, and he's always been okay with that because he can make a perfect chocolate chip cookie and he lives in the greatest city in the world. But his life takes a turn for the worse when his parents decide to move to middle-of-nowhere Petersville—a town with one street and no restaurants. It's like suddenly they're supposed to be this other family, one that can survive without bagels and movie theaters. His suspicions about his new town are confirmed when he's tricked into believing the local general store has life-changing chocolate cream doughnuts, when in fact the owner hasn't made them in years. And so begins the only thing that could make life in Petersville worth living: getting the recipe, making the doughnuts, and bringing them back to the town through his very own doughnut stand. But Tristan will soon discover that when starting a business, it helps to be both Gifted and Talented, and it's possible he's bitten off more than he can chew... A perfect book for: Ages 9-12 Children with the entrepreneurial spirit! Parents and teachers looking to inspire a growth mindset! Young foodies looking for fun recipes!

When Romiette Cappelle and her best friend, Destiny, decide to order The Scientific Soul Mate System from the back of Heavy Hunks magazine, they're not sure what they're getting into. But Destiny, a self-proclaimed psychic, assures Romi that for \$44.99 plus shipping and handling, it's the only way they're ever going to find out who their soul mates really are. If nothing else, maybe Romi will get some insight into that recurring dream she's been having about fire and water. But they never expect that the scented candle and tube of dream ointment will live up to their promises and merge Romiette's destiny with that of Julio Montague, a boy she's just met in the "cosmos" of an Internet chat room. It turns out they go to the same high school, not to mention having almost the same names as Shakespeare's famous lovers! Sweet-scented dreams of Julio have almost overtaken Romi's nightmares... ..when suddenly they return, but this time in real life. It seems the Devil Dogs, a local gang, violently oppose the relationship of Romiette and Julio. Soon they find themselves haunted by the purple-clad shadows of the gang, and the fire and water of Romiette's dream merge in ways more terrifying -- and ultimately more affirming -- than even Destiny could have foreseen.

A good choice for summer reading or anytime! The Unteachables are a notorious class of misfits, delinquents, and academic train wrecks. Like Aldo, with anger management issues; Parker, who can't read; Kiana, who doesn't even belong in the class—or any class; and Elaine (rhymes with pain). The Unteachables have been removed from the student body and isolated in room 117. Their teacher is Mr. Zachary Kermit, the most burned-out teacher in all of Greenwich. But the superintendent has his own plans to torpedo that idea—and it involves assigning Mr. Kermit to the Unteachables. The Unteachables never thought they'd find a teacher who had a worse attitude than they did. And Mr. Kermit never thought he would actually care about teaching again. Over the course of a school year, though, room 117 will experience mayhem, destruction—and maybe even a shot at redemption.

For readers of Unbroken and Flags of Our Fathers, The Mailbox is a sympathetic portrayal of veterans and the burdens they carry throughout their lives. Vernon Culligan had been dead to the town of Draydon, Virginia, so long that when the crusty Vietnam vet finally died, only one person noticed. Twelve-year-old Gabe grew up in the foster care system until a social worker located his Uncle Vernon two years before. When he comes home to discover that his uncle has died of a heart attack, he's terrified of going back into the system--so he tells no one. The next day, he discovers a strange note in his mailbox: I HAVE A SECRET. DO NOT BE AFRAID. And his uncle's body is gone. Thus begins a unique correspondence destined to save the two people that depended on Vernon for everything. Through flashbacks, we learn about Gabe and Vernon's relationship, and how finding each other saved them both from lives of suffering. But eventually, Vernon's death will be discovered, and how will Gabe and the mystery note writer learn to move forward? The Mailbox is not a story about death--though it begins with a death. It's also not a story about Vietnam vets, although the author

works with Vietnam veterans and wrote this novel, in part, to illuminate their sacrifices and suffering. The Mailbox is a story about connections--about how two people in need can save each other. Praise for The Mailbox: Junior Library Guild Selection A Bank Street College Best Children's Books of the Year A Librarians' Choices Booklist Selection "Shafer's narrative is heartfelt, earnest and moving. . . and conveys the power of memory to help heal wounds."—Kirkus Reviews "Warm and moving, it is an evocative picture of the weblike nature of human existence and the interconnectedness of seemingly disparate experiences."—School Library Journal
