Once again, Jerry and Maya use their super sleuthing skills to help the police chief track down the mysterious thief before he ruins Christmas for the whole town!

Perfect Revenge Puffin

"The knowledge and wisdom of 100 happiness professors from around the world. " It may be surprising to learn the amount of scientific research conducted on happiness and that there is a World Database of Happiness, a cumulative and continuous register of that research. In fact, the United States ranks higher than average in happiness, though not as high as the Nordic countries, including the happiest of nations, Denmark. So perhaps there is a lot to be learned about happiness and how to achieve it. "The World Book of Happiness" is a fascinating compilation of brief essays by 100 of the most prominent experts in positive psychology working in 50 countries. Writing from their own areas of expertise in language free of academic jargon, the contributors examine the principles of happiness, also known as subjective well-being, and how to achieve it. These expert recommendations are shown as "keys" to happiness. The book reveals many paths to happiness. From the founder of positive psychology, it is "other people matter." From Germany it is "pride, modesty and gratitude." In Malaysia it is "nourish the soul," and in Austria "fitness, friends and fun" bring happiness. And in Denmark, home to the happiest: "Believe in yourself." But what, too, of genetics, geography and health? The experts also consider these factors and recommend keys to

happiness that address what we think we cannot control. Positive psychology may not be widely known, but the desire to be happy is universal. By transforming information into knowledge and knowledge into wisdom, "The World Book of Happiness" brings readers a hopeful and practical guide to that elusive state of being.

"In the heart of Paris lies the Avenue des Temps Perdus. There, on the top floor of a lovely old apartment building, lives the elegant Mademoiselle Oiseau amid cats, birds, sumptuous gowns, and long pearl necklaces. One floor down lives Isabella, a girl who is so unremarkable that she's practically invisible. One day, when Isabella comes home from school and gets in the elevator, she accidentally presses the wrong button and finds herself in Mademoiselle Oiseau's apartment. She is plunged into a fascinating world full of secrets in which time seems to have stood still--and a wonderful friendship begins"--Page [4] of cover.

Good Night Stories for Rebel Girls Bonnier Zaffre Ltd.

The final collection of four brand new utterly horrid stories; Horrid Henry's Bake-Off sees Henry and Margaret go head-to-head in a hotly contested baking competition, Henry triumphantly reveals his top tips in Horrid Henry's Extra Horrid Guide to Perfect Parents, he reads an interesting book about Evil Evie, a really naughty girl not too dissimilar to himself in Horrid Henry's Bad Book, and conjures up an ancient cannibal's curse to deal with his enemies and small, annoying brother in Horrid Henry's Cannibal Curse. Horrid Henry is illustrated by Tony Ross, who also illustrates David Walliams' children's books, as well as his own picture books.

Horrid Henry's Cannibal Curse Scholastic Inc.

Emancypantki (Emancipated Women), by the acclaimed Polish author Boleslaw Prus, was first published as a serial in the Daily Courier (Kurier Codzienny), 1890-1893, and as a book in 1894. Leading his readers, in a manner reminiscent of Dickens, from an elegant girls' school in Warsaw to a provincial town—from a magnate's palace to a boarding house for working women and a secret lying-in hospital for unmarried mothers—Prus explored the choices available to women in his time, and the forces that influenced those choices. An intriguing love story with an ambiguous ending adds spice.

A Summer Spell #1 Penguin

Lakeland, the historical African American community of College Park, was formed around 1890 on the doorstep of the Maryland Agricultural College, now the University of Maryland, in northern Prince George's County. Located less than 10 miles from Washington, D.C., the community began when the area was largely rural and overwhelmingly populated by European Americans. Lakeland is one of several small, African American communities along the U.S. Route 1 corridor between Washington, D.C., and Laurel, Maryland. With Lakeland's central geographic location and easy access to train and

trolley transportation, it became a natural gathering place for African American social and recreational activities, and it thrived until its self-contained uniqueness was undermined by the federal government's urban renewal program and by societal change. The story of Lakeland is the tale of a community that was established and flourished in a segregated society and developed its own institutions and traditions, including the area's only high school for African Americans, built in 1928.

The Hotel Mystery #2 Simon and Schuster

This accessible biography introduces readers to Da Vinci, one of the greatest figures of the Italian Renaissance, and is perhaps best known today for his painting of the "Mona Lisa" and for his fresco of "The Last Supper."

Secrets HarperCollins UK

From the scientist duo behind *True or Poo?*, their original New York Times bestselling sensation--a scientifically precise, fully illustrated, utterly hilarious guide to animal flatulence. Dogs do it. Millipedes do it. Dinosaurs did it. You do it. I do it. Octopuses don't (and nor do octopi). Spiders might do it: more research is needed. Birds don't do it, but they could if they wanted to. Herrings do it to communicate with each other. In 2017 zoologist Dani Rabaiotti's teenage brother asked her a most teenaged question: Do snakes fart? Stumped, Rabaiotti turned to Twitter. The internet did not disappoint. Her innocent question spawned the hashtag #doesitfart and it spread like a noxious gas. Dozens of noted experts began weighing in on which animals do and don't fart, and if they do, how much, how often, what it's made of, what it smells like, and why. Clearly, the public demands more information on animal farts. *Does it Fart?* fills that void: a fully authoritative, fully illustrated guide to animal flatulence, covering the habits of 80 animals in more detail than you ever knew you needed. What do hyena farts smell especially bad? What is a fossa, and does it fart? Why do clams vomit but not fart? And what is a fart, really? Pairing hilarious illustrations with surprisingly detailed scientific explanations, *Does it Fart?* will allow you to shift the blame onto all kinds of unlikely animals for years to come.

Dante's Ballad Penguin

Soria Moria Castle is a Norwegian fairy tale made famous by Peter Christen Asbjornsen and Jorgen Moe. The hero cannot hold his tongue at the right time, and as a result loses the princess for whom he had so strenuously fought. The recognition of Halvor by his mother by the flickering light of the hearth-fire, in whose ashes Halvor was always digging when a boy, is touchingly told.

The Little Ghost Off The Common Books

It is Christmas Eve, and the grand Braeburn family has come to stay in the luxury suite of Valleby's hotel. With them, they have brought their extremely valuable dog. The hotel manager promises the family that he'll take great care of their dog—but before they know it, the dog has gone missing without a trace! Jerry and Maya, the local young detectives, are brought in to help sniff out the missing hound. All the evidence suggests that one of the hotel staff had a hand in the case, but who

could it be?

Doctor Proctor has finally created something to help him fulfil his dream of becoming a famous inventor - a super-strength fart powder that can propel people into outer space! And with the help of his new neighbour Nilly, and Nilly's friend Lisa, Doctor Proctor's Fart Powder is ready to go worldwide! But ruthless twins Truls and Trym are determined to get hold of the powder for themselves. Their plot to spoil the Doctor's plans sparks a fart-filled adventure involving a firework extravaganza, a trip to prison and an escaped anaconda. Full of humour and witty dialogue, Jo Nesbø creates wonderfully weird characters and lets his imagination run wild in his delightful children's book debut.

The Red Hen Farrar, Straus and Giroux (BYR)

Leave Moominvalley? Is it possible? Yes, even the Moomin family need a change of scenery sometimes, so they're off to live in a lighthouse on a tiny island. Here they find space to grow, and to do things they couldn't in their comfortable, cluttered valley home. As they discover their new home, the family also discover surprising, and wonderfully funny, new things about themselves.

Escape from Mr. Lemoncello's Library Arcadia Publishing

A brilliant new series bursts onto the scene filled with ghostly goings-on and an unusual investigative duo. With illustrations from Karl Mountford. Lil Potkin lives in bleak Peligan City. Her mum works in City Hall and is rarely at home, so aspiring journalist Lil has all the time she needs to explore the city in her bright yellow raincoat, investigating unsolved stories. One rainy evening Lil meets a sad-looking boy sitting by himself in the bus station and buys him a hot chocolate. That night Lil wakes to find him in her bedroom. He doesn't want to admit to being a ghost, but when he finally remembers his name (Nedly ... possibly) he explains that he needs Lil's help to find out what happened to him after he disappeared from his orphanage a year ago. So Lil and Nedly - aka Potkin and Stubbs - team up to solve their mystery, and they call in the reluctant help of once-famous detective Abe Mandrel. He agrees to help them with the Stubbs case if they help him find the criminal who escaped justice and cost him his career. Except - Mandrel thinks it's only Lil he's working with. And Lil realises she is the only person in the whole of Peligan City who can see Nedly. Which can come in handy when trying to solve crime... Funny, atmospheric, spooky - the perfect detective story for young readers

Doctor Proctor's Fart Powder Hachette UK

"When a valuable shipment of gold disappears from the vault at the Pleasant Valley bank, Jerry and Maya are called in to help crack the case. There are no witnesses and there's nothing on the security cameras: It's as if the gold vanished into thin air. But once again, with their super sleuthing skills, the young detectives help the police chief get to the bottom of the mind-boggling mystery"--Back cover.
