LLOYD NEIL

Stephen King's Box HarperCollins

The master of terror, Stephen King, found a box full of stories and manuscripts that belonged to his father. Since then, no one found out what was inside that box or if all of this influenced King's work. This is an homage to Stephen King and his stories. In the story, "The stories' box", Steve tells about a box and as he grows up, he has recurrent dreams and predictions of stories that would become a successful book. In the story "The gravedigger", an old gravedigger about to retire, after 40 years of burying people in Boad Hill, never wondered when his time to die would come or who would bury him. Because it does no good to think about death. In the story "The A girl", a married man has several affairs with different women, until one day the A girl presents herself. A gorgeous beauty of long legs and big green eyes. But after going to a hotel, he finds out the truth. In the story "Rotten apples", Tom loved his fruit trees, especially his apple trees when they were a color festival in the spring. He loved apples and he would eat two every day. Until one day, he feels very tired and he sees roots growing instead of fingernails. His joints start to become rigid. In the story "In the maggot's mouth", a shylock from the eighteenth century counts his money every night... And many, many more.

[The Horror from the Hills](#) Arcturus Publishing

El clásico inmortal de H.P. Lovecraft, "La llamada de Cthulhu" en una nueva y cuidada edición, con una traducción desde el original, intentando respetar al máximo el estilo y la atmósfera de Lovecraft. El profesor George Angell, autoridad en lenguas semánticas en la Universidad de Brown, ha muerto. Su heredero ordena y revisa sus papeles cuando se da cuenta de que su tío abuelo investigaba un misterioso culto a unos dioses Antiguos, y que su fallecimiento está rodeado de extrañas circunstancias. El mismo cogió el testigo de la búsqueda y se vio inmerso en una fascinante aventura por varios rincones del mundo, desentrañando un misterio de horribles implicaciones. "La llamada de Cthulhu" es el relato quintaesencial de Lovecraft, base y cumbre de sus mitos. Una obra inmortal como los dioses Antiguos de los que habla. El libro incluye también los relatos "La historia del Necronomicón" y "Azathoth".

In this book, O'Flaherty applies structural methods to trace the development of an Indian approach to navigating the conflict between spiritual aspirations and human desires by examining several Hindu myths featuring the god Shiva. In the myths that she analyses Shiva encounters and confronts two themes that are seemingly contradictory, especially to those from other cultures: asceticism and eroticism. O'Flaherty makes a point of clearly delineating the contradiction as she explains Shiva, generally considered to be "the great ascetic," is simultaneously "the god of the phallus." O'Flaherty identifies numerous myths about Shiva that engage with myriad themes and ideas, including different sexual orientations demonstrated by Shiva and his Vedic antecedents, Shiva's role as the sexual creator in opposition to Bhrama's role as the Creator of the Universe, the importance of Shiva's off-spring, Shiva testing the sages for their chastity and teaching them that spiritual meditation is the only way to overcome sexual desire, and the probable dangers that are caused due to extreme chastity. There are even references to ancient medical procedures that can be compared to the modern-day practice of surrogacy, as in one myth when Shiva's seed is dropped into the Ganges River, and impregnates the wives of seven sages who were bathing in it at the time. O'Flaherty also examines different sexual forms of Shiva in various myths as both androgynous and intersexual. This orientation is commonly known as Shiva's Ardhanadeshwara avatar, which is often depicted as possessing physical characteristics that are half-male and half-female. Throughout the book, she examines interlinking aspects portrayed in several myths related to Shiva with a particular focus on the balance she sees between asceticism and eroticism in his identity and actions.

Horror Short Stories Aftershock Comics

Horror, suspense and a mystery among those group of young vacationers who by accident arrived to a very old Sanatorium building where they lived the most terrifying experience. Synopsis The Sanatorium of Murcia; In Sierra Espuña, Murcia, the Sanatorium of Murcia is abandoned. Place that hosted the stay of lepers and patients with tuberculosis. The less serious occupied the ground floor of the building and the more serious the upper floor, from where they could never leave. It is said that the first stone of its construction was placed in 1913 and with the sole help of the hands of the neighbors it was finished in 1917. In 1962 it was closed and with it all the sick people, who were forgotten, were abandoned to their fate. Now, in 2017, three couples of American tourists, cross the slopes of the narrow road of Sierra Espuña when the engine of the rented van stops purring. Carlos, an unbalanced mental, is pursuing something with his hunting shotgun and his crossbow. Are they. The three couples formed by boys and girls who do not exceed twenty-three years, are forced

to enter the forest in search of a refuge to spend the night. When their lanterns focus on the façade of the Sanatorium they can not believe what they are seeing, although one of them is well documented about the Sanatorium. But, what they do not know is that there is a legend that there are laments heard there, they see souls and their bodies. And worst of all, there is the lady in black, who they say, walks every night in the halls of the Sanatorium. Death lurks in the most terrifying way imaginable. Succumbing to your own fear. A terrifying story in which nothing is what it seems and what kills you is not a bullet or the edge of a knife, but your own fear, terror, terror.

A Second Chance at Eden Babelcube Inc.

The strange tale of John Milwarp, an author whose mysterious death was baffling to both law and science, yet all too soon forgotten, as if being erased from the human record...

Opus 300 Mythos Books

Ghouls, ghosts, and macabre terrors stalk the night in this spine-tingling collection. With tales describing unnatural frights and haunting visions of cosmic terror, you will be taken on a journey into the disturbing imaginations of some of horror's greatest writers. The stories' heroes face incredible creatures, unknowable gods, and supernatural beings who have no regard for human life. Horror literature has its roots in the mists of time. In the 19th century, writers delved into ancient folk tales and local legends to inspire an entire genre. In the 20th century, the next generation of writers brought to life a brand new array of terrifying monsters. The authors in this volume range from Victorian pioneers, such as Bram Stoker and Edgar Allan Poe, to the pulp writers of the 20th century, such as William Hope Hodgson and H. P. Lovecraft. The tradition of horror writing that developed took very different turns on either side of the Atlantic - while American authors turned to unknowable horrors and cosmic terrors, British writers such as E. F. Benson and M. R. James mastered a more familiar form, the classic ghost story. It was not only English-speakers who sought to terrify their readers. The French writer Guy de Maupassant, a prolific short story writer and pupil of the acclaimed novelist Gustave Flaubert, found ways to make his protagonists doubt their own sanity as they faced terrors that would drive any ordinary man mad. This collection of bone-chilling tales comes from the pens of some of horror's most acclaimed writers. Authors include: E. F. Benson Ambrose Bierce Francis Marion Crawford W. W. Jacobs M. R. James William Hope Hodgson H. P. Lovecraft Guy de Maupassant Edgar Allan Poe Bram Stoker

Out of the Blue Michael Joseph

Throughout this text, Valerie Shaw addresses two key questions: 'What are the special satisfactions afforded by reading short stories?' and 'How are these satisfactions derived from each story's literary techniques and narrative strategies?'. She then

attempts to answer these questions by drawing on stories from different periods and countries - by authors who were also great novelists, like Henry James, Flaubert, Kafka and D.H. Lawrence; by authors who specifically dedicated themselves to the art of the short story, like Kipling, Chekhov and Katherine Mansfield; by contemporary practitioners like Angela Carter and Jorge Luis Borges; and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris.

The Sanatorium of Murcia Howling Wolf Enterprises, DBA Isle Press

John Deacon uses hypnosis to research altered states of consciousness. One of his subjects, Michael Peacocke, is unusually susceptible and in their first session together he recalls a Close Encounter which took place some years before. Deacon is sceptical of UFOs and dismisses Peacocke's story as an adolescent sexual fantasy. But then inexplicable things happen - the tape of the session is mysteriously erased, Deacon's dog is killed, he and Michael see a pterodactyl, Michael's girlfriend is menaced by Men in Black - and Deacon is forced to reconsider. Could UFOs be symbols projected from the collective unconscious? Are they messages from the biomatrix? Does the mind have the ability to project tulpas, objects and people which are physically real yet somehow illusory?

The Watchers Out of Time Pan Macmillan

Howard P. Lovecraft, August Derleth y, ahora, Brian Lumley, entre otros, han creado, fomentado y desarrollado los Mitos de Cthulhu hasta adquirir su actual y amplia popularidad. Los Antiguos existieron antes de la especie humana. Conquistaron mundos, libraron batallas increíbles y dominaron la magia y la ciencia. Pero eran malignos. Y desde aquella época, sin poder ser eliminados, se han visto confinados en lugares ignotos: Cthulhu en la hundida R'lyeh; Hastur en el lago de Hali, en Carcosa, etc. Pero ¿qué sucede con Shudde-M'ell..., prisionero de los laberintos perdidos de la propia Tierra? ¿Cuáles son los límites, si es que existen, de los poderes de Los Antiguos y sus esbirros menores? ¿Quiénes eran los Dioses Mayores que los aprisionaron y cuál su fuente de poder? ¿Podrá la humanidad hacer algo para salvarse de estos horrores? H. P. Lovecraft creía que no..., que sólo el capricho del destino podría salvarla.

The Cosmic Dancers London ; New York : Oxford University Press

Both volumes of the WWII aerial combat classic now in one complete softcover edition! A WAR IS A DIFFICULT THING TO KILL The Second World War is almost over, but no one seems to have told the Germans - as Royal Air Force pilot Jamie McKenzie finds out when he's assigned to deadly shipping strikes along the enemy coast. Flying the Mosquito fighter-bomber against heavily armed targets is dangerous enough at the best of times, but after incurring the wrath of his vengeful commanding officer, Jamie is assigned the most unpopular navigator in the unit- not to mention

the least reliable aircraft. Worse still, the commander's sights are firmly set on Jamie's beautiful young wife, Beth. Writer Garth Ennis (Preacher, The Boys) and artist Keith Burns (War Stories) reunite after the success of their series Johnny Red, presenting another tale of World War Two aerial combat - featuring skies black with flak and enemy fighters, nail-biting low-level action, and the dark humor of men whose lives can be snatched away at any second... Out of the Blue.

The Short Story Babelcube Inc.

The Daughter of Odren is a short story of betrayal and revenge set in the world of Earthsea, in which Weed, the daughter of Lord Garnet, waits for the day she will have her father back. For fourteen years, Weed, as she is called, the daughter of Lord Garnet, has brought offerings to the standing stone. Alone in a shallow valley, she implores the stone not to forget her. To remember who he is and the life he led. To wait until the day he will be avenged. Now the day has finally arrived. After fourteen long years of waiting, he will have his revenge and she will have her father back. Or will she? Master storyteller Ursula LeGuin takes readers back to Earthsea with this hauntingly beautiful story of betrayal and revenge.

Somnium www.PulpFictionBook.Store

Somnium is a Latin word for Dream. This novel was written by Johannes Kepler in 1608, in a time when a trip to the ethereal regions of the moon would be possible only with the assistance of supernatural forces. Historians consider this lunar exploration a remarkable and revolutionary text, and one of the most provocative and innovative of Kepler's works. Great authors/scientists such as Isaac Asimov and Carl Sagan suggested it as the first science fiction story. If it is not, we can at least consider it as the first serious scientific work about lunar astronomy.

The Death of Malygris EDAF

Spawned from the classical horror-hunt of Inspector Legrasse in H.P. Lovecraft's seminal tale "The Call of Cthulhu", the further adventures of Inspector Legrasse have been taken directly from the notes of Professor William Channing Webb of the American Archaeological Association and written up for your edification by author C.J. Henderson, the dedicated chronicler who has exhaustively reported the occult adventures of Anton Zarnak, Jack Hagee and Teddy London, amongst many others. These seven tales detail the epic confrontation of an unsuspecting mankind with the unimaginable horrors of the Cthulhu Mythos. After a wait of over half a century, from the combined hands of H.P. Lovecraft and C.J. Henderson finally come the answers to all the maddening riddles of the legendary first tale of the Cthulhu Mythos, "The Call of Cthulhu". Stories include: "The Call of Cthulhu" by H.P. Lovecraft, and the following stories by C.J. Henderson: "Patiently Waiting", "To Cast Out Fear", "So Free We Seem", "Locked Room", "Where Shadow Falls" and "Nothing To Fear But Dust". Color cover by Ben Fogletto. Interior frontpiece by Erica Henderson. Introduction by Robert M. Price.

Marginalia Harper Collins

Swiss fantasist H.R.Giger conducts readers through his diverse

alien landscapes, inhabited by the spectral offspring of his vivid dreams and darkest nightmares.

Poseidonis McGraw-Hill Companies

Poseidonis is a collection of six stories and two poems concerning the end of the civilization of Atlantis, a land of powerful wizards yet not powerful enough to stave off the death of that once mighty realm. Poseidonis is the last remnant of the lost continent. The Muse of Atlantis The Last Incantation (1930) - A poetic and fanciful tale about a king who invoked the aid of magic to summon his lost love The Death of Malygris (1934) - Even in death, the mighty wizard proved himself greater than his peers—a story of weird sorcery The Double Shadow (1933) - That which cannot be outrun A Voyage to Sfanomö (1931) - The brothers Hotar and Evidon left doomed Atlantis and journeyed to the planet Venus A Vintage From Atlantis (1934) - A fantastic story of a jar of wine, mellowed through many centuries, that was washed ashore on a pirate-infested isle in the West Indies Atlantis (1912) - A poem Atlantis (1912) - Alternate version *The Chain of Aforgomon* Oxford University Press, USA Venture at your own risk into a realm where the sun sinks into oblivion—and all that is unholy, unearthly, and unspeakable rises. These rare, hard-to-find collaborations of cosmic terror are back in print, including • Wentworth's Day A fellow figures his debt to a dead man is null and void, until he discovers just how terrifying interest rates can be. • The Shattered Room A sophisticated gentleman must settle his grandfather's estate, only to find that the house shelters dark secrets. • The Dark Brotherhood A beautiful woman and her companion meet the likes of Edgar Allan Poe, in a tale as terrifying as anything Poe himself ever created. • Innsmouth Clay A sculptor returns from Paris to create a statue not entirely of this world—and not at all under his control. • Witches' Hollow A new schoolteacher puts his soul in peril while trying to save one of his students from a ravenous creature.

La Llamada de Cthulhu eStar Books

First published in 1984, Magnetic Storm followed in the groundbreaking footsteps of the million-selling Views (1975). Once again employing a large format and lavish production to showcase the unique art and design of Roger Dean, this iconic book was a retrospective of the astonishing breadth of work accomplished since the publication of its predecessor. Through Views and Magnetic Storm, Roger Dean established a devoted readership, while Dragon's Dream (2008) demonstrates how his visionary work has continued to illuminate an age of digital animation, computer games, and virtual worlds. Embracing designs for record sleeves, rock stages, movie projects, architecture, games consoles, landscapes, and books, Magnetic Storm features everything from innovative aircraft livery to the Yes logo. This new edition streamlines the original format and retains the combination of concept sketches and the finished works. Featuring revised design and typography, a new foreword, and a newly finished painting that Roger supplied especially for the front cover of this edition, Magnetic Storm showcases and celebrates the art that defined an era.
