Amazing Loom Knits Rowman & Littlefield

"Popular loom knitting maven Isela Phelps is back with a new book containing patterns for afghans, blankets, and throws. As the projects are arranged from beginner to advanced, new loom knitters can progress through the designs while learning and mastering techniques along the way. An illustrated introductory chapter explains and demonstrates everything you need to know about loom knitting and serves as a great refresher course. A finishing section helps you achieve expert results and provides instructions for how to personalize your designs with a range of embellishments."--

KNITTING. Socks are amazing to create. A bit of magic happens when you are playing with your yarn and loom. It all starts just like a hat, just a simple tube and then you begin knitting a flat panel and you incorporate a few short rows and you have as if by magic made a small cup to fit your heel perfectly. Socks are the perfect project to have around. Portable, fun and easy! If this is your first time working socks on a loom, don't worry. Flip to the Socks 101 and take the class sock. It is easy and fast and you will be getting the technique down in a few hours. The projects are divided into 7 categories: Simple Socks, Texture Socks, Lace Socks, Colour Socks, Fanciful Socks, Kids Socks and even Footsies - describing other foot coverings. 50 patterns in all, you are sure to find one that appeals to family members and friends. Get going, grab your loom and sock it to them. Warning: Socks are addictive!

A perfect gift for beginning knitters to sew up some amazing crafting skills. Fair Isle knitting may look complicated, but knitting expert Lynne Watterson lays out the basics in a way that is easy to follow and understand with *The Very Easy Guide to Fair Isle Knitting*. She starts with an overview that covers everything from the best types of yarn suitable for Fair Isle patterns to beginner knitting techniques. Also included is a primer on how to read Fair Isle charts, plus an illustrated step-by-step guide to Fair Isle knitting showing complete beginners how to hold the yarns, strand across the back of knitting, link colors in, and how to weave in ends. The main chapters feature a selection of beautiful Fair Isle stitch patterns. Each pattern contains clear instructions in both written and chart form, and these are cross-referenced to a comprehensive guide to abbreviations. A variety of simple, stylish projects included in each chapter demonstrates ways to use the beautifully shaded Fair Isle patterns—from chic accessories and the latest fashion looks to colorful cushion covers and cozy blankets. Bonus material offers a variety of stunning finishing touches that can be used to enhance your knitting—including beads, buttons, tassels, cords, fringe, and more.

New and experienced weavers alike are always on the lookout for new weave-structure patterns. The Weaver's Idea Book presents a wide variety of patterns for the simple rigid-heddle loom, accompanied by harness drafts for multishaft looms. The techniques include leno, Brooks bouquet, soumak, and embroidery on fabric. Each chapter contains weaving patterns along with swatches illustrating the techniques, accompanied by step-by-step photography. The book is arranged by structure or type of weave, from variations on plain weave to doubleweave. With traditional patterns from around the world, bands, and fabrics woven on two double heddles, The Weaver's Idea Book brings together a variety of ways to create exquisite cloth. Weaving tips and tricks help weavers at all levels achieve their textile dreams. In addition to pattern drafts, Jane offers project ideas that guide the reader through creating functional woven projects, from wearables to home decor. Weaving, especially on rigid-heddle looms, is enjoying a resurgence, and contemporary weavers are

in need of a book to bridge the divide between basic books and complex text designed for advanced weavers with sophisticated tools. Celebrating the immense potential for creativity possible with the simplest of tools, The Weaver's Idea Book eBook opens new avenues for exploration on both the rigid-heddle and multishaft looms.
