A witty, erudite celebration of fifty great Italian cultural achievements that have significantly influenced Western civilization from the authors of *What Are the Seven Wonders of the World?* “Sprezzatura,” or the art of effortless mastery, was coined in 1528 by Baldassare Castiglione in *The Book of the Courtier*. No one has demonstrated effortless mastery throughout history quite like the Italians. From the Roman

calendar and the creator of the modern orchestra (Claudio Monteverdi) to the beginnings of ballet and the creator of modern political science (Niccolò Machiavelli), *Sprezzatura* highlights fifty great Italian cultural achievements in a series of fifty information-packed essays in chronological order.

 Giovanna's pretty face is changing, turning ugly, at least so her father thinks. Giovanna, he says, looks more like her Aunt Vittoria every day. But can it be true? Is she really changing? Is she turning into her Aunt Vittoria, a woman she hardly knows but whom her mother and father clearly despise? Surely there is a mirror somewhere in which she can see herself as she truly is. Giovanna is searching for her reflection in two kindred cities that fear and detest one another: Naples of the heights, which assumes a mask of refinement, and

Naples of the depths, a place of excess and vulgarity. She moves from one to the other in search of the truth, but neither city seems to offer answers or escape. "Another spellbinding coming-of-age tale from a master." —People Magazine, Top 10 Books of 2020 "The literary event of the year." —Elle "Ms. Ferrante once again, with undiminished skill and audacity, creates an emotional force field that has at its heart a young girl on the brink of womanhood." —The Wall Street Journal

“One of the best Italian novels of the year” in a pitch-perfect rendering in English by Ann Goldstein, Elena Ferrante’s translator (Huffington Post, Italy). Winner of the Campiello Prize A 2019 Best Book of the Year (The Washington Post Kirkus Reviews Dallas Morning News) Told with an immediacy and a rare expressive intensity that has earned it countless adoring readers and one of Italy’s most prestigious literary prizes, A Girl Returned is a powerful novel rendered with sensitivity and verve by Ann Goldstein, translator of the

works of Elena Ferrante. Set against the stark, beautiful landscape of Abruzzo in central Italy, this is a compelling story about mothers and daughters, about responsibility, siblings, and caregiving. Without warning or explanation, an unnamed thirteen-year-old girl is sent away from the family she has always thought of as hers to live with her birth family: a large, chaotic assortment of individuals whom she has never met and who seem anything but welcoming. Thus begins a new life, one of struggle, tension, and conflict, especially between the young girl and her mother. But in her relationship with Adriana and Vincenzo, two of her newly acquired siblings, she will find the strength to start again and to build a new and enduring sense of self. “An achingly beautiful book, and an

utterly devastating one.” —Minneapolis Star Tribune “Di Pietrantonio [has a] lively way with a phrase (the translator, Ann Goldstein, shows the same sensitivity she does with Elena Ferrante) [and] a fine instinct for detail.” —The Washington Post “A gripping, deeply moving coming-of-age novel; immensely readable, beautifully written, and highly recommended.” —Kirkus Reviews (starred review) “Captivating.” —The Economist

On a post-college visit to Florence, Pulitzer Prize-winning author Jhumpa Lahiri fell in love with the Italian language. Twenty years later, seeking total immersion, she and her family relocated to Rome, where she began to read and write solely in her adopted

tongue. A startling act of self-reflection, *In Other Words* is Lahiri's meditation on the process of learning to express herself in another language—and the stunning journey of a writer seeking a new voice.

The story of Elena and Lila begins in the 1950s in a poor but vibrant neighbourhood on the outskirts of Naples. Growing up on these tough streets the two girls learn to rely on each other ahead of anyone or anything else, as their friendship, beautifully and meticulously rendered, becomes a not-always-perfect shelter from hardship. A memorable portrait of two women, *My Brilliant Friend* is also the story of a nation. Through the lives of Elena and Lila, Ferrante gives her readers the story

of a city and a country undergoing momentous change.

A previously untranslated classic of Portuguese feminist literature originally published in 1978, Carvalho's *Empty Wardrobes* introduces English-speaking readers to a forgotten and underappreciated woman writer a la recent publishing sensations Lucia Berlin, Natalia Ginzburg, Ingeborg Bachmann, Silvina Ocampo, and Armonia Somers. *Empty Wardrobes* is a tightly plotted, highly entertaining read, that, thanks to an ingenious detached narrative technique (one that makes the plot all the more fun to revisit and rethink), is both darkly humorous and devastatingly true.

The Lying Life of Adults Europa Editions
The Story of the Lost Child is the long-awaited fourth volume in the Neapolitan novels (My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay). The quartet traces the friendship between Elena and Lila, from their childhood in a poor neighbourhood in Naples, to their thirties, when both women are mothers but each has chosen a different path. Their lives are still inextricably linked, for better or worse, especially when it comes to the drama of a lost child. Elena Ferrante was born in Naples. She is the author of seven novels: The Days of Abandonment,

Troubling Love, The Lost Daughter, and the quartet of Neapolitan novels: My Brilliant Friend, The Story of a New Name, Those Who Leave and Those Who Stay, and The Story of the Lost Child. Frantugmalia, a selection of interviews, letters and occasional writings by Ferrante, will be published in 2016. She is one of Italy's most acclaimed authors. Ann Goldstein has translated all of Elena Ferrante's work. She is an editor at the New Yorker and a recipient of the PEN Renato Poggioli Translation Prize. Praise for Ferrante and the Neapolitan novels '[Ferrante's] charting of the rivalries and sheer inscrutability of female friendship is raw. This is high stakes, subversive literature.' Sunday Telegraph 'Ferrante is an expert above all at the rhythm of plotting...Whether it's work, family,

friends or sex—and Ferrante, perhaps thanks to her anonymity as an author, is blisteringly good on bad sex—our greatest mistakes in life aren't isolated acts; we rehearse them over and over until we get them as badly wrong as we can.' Independent 'Great novels are intelligent far beyond the powers of any character or writer or individual reader, as are great friendships, in their way. These wonderful books sit at the heart of that mystery, with the warmth and power of both.' Harper's 'Elena Ferrante is one of the great novelists of our time. Her voice is passionate, her view sweeping and her gaze basilisk...In these bold, gorgeous, relentless novels, Ferrante traces the deep connections between the political and the domestic. This is a new version of the way we live

now—one we need, one told brilliantly, by a woman.’ New York Times Sunday Book Review ‘When I read [the Neapolitan novels] I find that I never want to stop. I feel vexed by the obstacles—my job, or acquaintances on the subway—that threaten to keep me apart from the books. I mourn separations (a year until the next one—how?). I am propelled by a ravenous will to keep going.’ New Yorker ‘The best thing I’ve read this year, far and away...She puts most other writing at the moment in the shade. She’s marvellous.’ Richard Flanagan ‘The Neapolitan series stands as a testament to the ability of great literature to challenge, flummox, enrage and excite as it entertains.’ Sydney Morning Herald ‘The depth of perception Ms. Ferrante

shows about her character’s conflicts and psychological states is astonishing...Her novels ring so true and are written with such empathy that they sound confessional.’ Wall Street Journal ‘The older you get, the harder it is to recapture the intoxicating sense of discovery that comes when you first read George Eliot, Nabokov, Tolstoy or Colette. But this year it came again when I read Elena Ferrante’s remarkable Neapolitan novels.’ Jane Shilling, New Statesman ‘There is nothing remotely tiring or trying about the experience of reading the Neapolitan novels, which I, and a great many others, now rank among our greatest book-related pleasures...it is writing that holds honesty dear.’ Weekend Australian ‘Dickens gave working people a voice.

Ferrante, whoever she might be, presents a new paradigm for being female in the world...Ferrante's great literary creations, Lenu and Lila, have the same emotional weight as Anne in Persuasion, Jo in Little Women, Maggie in The Mill on the Floss, Jane in Jane Eyre.' Helen Elliott in the Monthly 'This stunning conclusion further solidifies the Neapolitan novels as Ferrante's masterpiece and guarantees that this reclusive author will remain far from obscure for years to come.' Publishers Weekly 'The Neapolitan novels are smart, thoughtful, serious literature. At the same time, they are violent, suspenseful soap operas populated with a vivid cast of scheming characters...Ferrante's novels are deeply personal and intimate, getting to the

very heart of what it means to be a woman, a friend, a daughter, a mother.' Debrief Daily 'Shattering and enthralling, intimate and vicious...The Neapolitan Novels are the kind of books that swallow me whole. As soon as I pick one up, I don't want to breathe or move lest I break the spell...The Neapolitan Novels are among the most important in my reading life. I can't recommend them highly enough.' Readings 'Ferrante captures the complexities of women, friendship and motherhood in ways that make your heart soar and ache in equal measures. If you haven't already, treat yourself to this series.' ELLE Australia '[Ferrante's] Neapolitan novels contain real life - recognisable anxiety, joy, love and heartbreak. This is an incredibly difficult feat to achieve in the first place,

let alone sustain, over four books. We will be talking about Elena and Lila for years to come.' Sydney Morning Herald 'There's a bright, sinewy humanness to Ferrante's writing that is so alive it's alarming...The Story of the Lost Child is a full emotional experience, and a fitting end to a huge, arresting series.' New Zealand Listener 'I was one of the many who wept and wondered over Elena Ferrante's The Story of the Lost Child. I plan to re-read the entire series soon.' Favourite Feminist Reads from 2016, Feminist Writers Festival Storia del nuovo cognome Europa Editions
 Four "pitch-perfect" (Oprah Daily) essays by the author of My Brilliant Friend and The Lost Daughter. In these four crisp essays, Ferrante offers a rare look into

the origins of her literary prowess. She describes her influences, her struggles, and her formation as both a reader and a writer; she warns against the perils of "bad language" and the ways in which it has long excluded women's truth; she proposes a choral fusion of feminine talent as she brilliantly discourses on the work of Emily Dickinson, Gertrude Stein, Ingeborg Bachmann, and many others. An "incandescent...philosophical monograph on the nature of writing," (Molly Young, New York Times) this candid collection by one of the great novelists of our time is destined to delight general readers, writers, and Ferrante fans in equal measure. "Everyone should read everything with Elena Ferrante's name on it."--The Boston Globe

The first section of *The Via Veneto Papers* is an evocation of the Rome of *La Dolce Vita*, of the early stages in the writing and the realizing of the film itself, and, through a series of brilliant little sketches, a commemoration of the aging poet Vincenzo Cardarelli, skeptical survivor from an earlier time, representative of an altogether different life. "Occasional Notebooks" comprises the second section and the third section is an interview given by Flaiano shortly before his death.

They came from the poorest parts of Ireland and Italy, and met as rivals on the sidewalks of New York. In the nineteenth century and for long after,

the Irish and Italians fought in the Catholic Church, on the waterfront, at construction sites, and in the streets. Then they made peace through romance, marrying each other on a large scale in the years after World War II. *An Unlikely Union* unfolds the dramatic story of how two of America's largest ethnic groups learned to love and laugh with each other in the wake of decades of animosity. The vibrant cast of characters features saints such as Mother Frances X. Cabrini, who stood up to the Irish American archbishop of New York when he tried to send her back to Italy, and sinners like Al Capone, who left his Irish wife home the night he shot it out with Brooklyn's Irish mob. Also highlighted are the love affair between radical labor organizers Elizabeth Gurley Flynn and

Carlo Tresca; Italian American gangster Paul Kelly's alliance with Tammany's "Big Tim" Sullivan; hero detective Joseph Petrosino's struggle to be accepted in the Irish-run NYPD; and Frank Sinatra's competition with Bing Crosby to be the country's top male vocalist. In this engaging history of the Irish and Italians, veteran New York City journalist and professor Paul Moses offers an archetypal American story. At a time of renewed fear of immigrants, it demonstrates that Americans are able to absorb tremendous social change and conflict—and come out the better for it.

Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . .

A woman goes home to Naples after her mother's mysterious death in a "tour de force" by the New York Times–bestselling author of *My Brilliant Friend* (Seattle Times). Following her mother's untimely and unexplained drowning, which was preceded by a series of strange phone calls, forty-five-

year-old Delia leaves Rome and embarks on a voyage of discovery through the beguiling yet often hostile streets of her native Naples. She is searching for the truth about her family and the men in her mother's life, past and present, including an abusive husband. What she discovers will be more unsettling than she imagines, but will also reveal truths about herself, in this psychological mystery marked by "tactile, beautifully restrained prose" (Publishers Weekly) about mothers and daughters and the complicated knot of lies and emotions that binds them. "Ferrante's polished language belies the rawness of her imagery." —The New Yorker "With the quick-paced mystery guiding the story, Delia explores her relationship with her mother, unraveling memories and

secrets repressed since childhood and coming to terms with an upbringing filled with jealousy and violence . . . Troubling Love is vivid and powerful." —Library Journal

The Days of Abandonment Columbia University Press

"Ferrante's four-volume novel cycle known in English as the Neapolitan quartet has become a global success, with over ten million readers in close to fifty countries. Her readers recount feeling "addicted" to the novels; they describe a pleasure in reading that is as rare as it is irresistible, a compulsion that leads them either to devour the books or to ration them so as to prolong the pleasure. De Rogatis here addresses that same transnational, diverse, transversal audience. Elena Ferrante's

Key Words is conceived as a lighted path made of luminous key words that synthesize the multiform aspects of Ferrante's writing and guide us through the labyrinth of her global success."
