BRADFORD COLON

Shepherd's Hey Hal Leonard Southern Music
Ricardo Iznaola: Kitharologus The Path to Virtuosity Wise Publications
10 Easy Jazz Duets, written by John La Porta with Greg Nielsen, contains jazz duets in a variety of styles. This unique book is compatible for performance with all instruments and is published with a CD of hip rhythm section backgrounds. In addition, the duets can be performed with a live rhythm section using the chord symbols provided in the C and Bass Clef editions. Not only is the book great for individual jazz practice for improvisation, articulation and phrasing, but it provides interaction with another musician or group with no limitation on the instrumentation. The duets are also very useful to the educator who may find it difficult to get a full band together.
España, Op. 165

Accent on Accents Marksmen Pub. THE STORY: The poignant, passionate and profound songs of Belgian songwriter Jacques Brel are brought to vivid theatrical life in this intense musical experience. Brel's legendary romance, humor and moral conviction are evoked simply and directly, with fo **10 Easy Jazz Duets** Mel Bay Publications In España: Six Album Leaves, Op. 165, Albéniz magically transports the listener to colorful locations, each with its own special Spanish flavor. These musical "postcards" are not particularly difficult to play, and are somewhere between the late intermediate and early advanced levels. This edition aids in interpretation through added fingerings, pedal and indications for subtle changes in tempo, which are integral to the performance of Spanish music. Dr. Kuehl-White

studied in Barcelona with legendary Spanish pianist Alicia de Larrocha, who provided a tremendous legacy regarding the performance practice traditions of Albéniz's music. España was initially published with many errors and omissions. Over the years, editors have produced new editions with some corrections, but little interpretive assistance. This edition not only contains numerous corrections, but also aids in interpretation through various additions in the score. Titles: * Prélude * Tango * Malagueña * Serenata * Capricho Catalán * Zortzico *Ada Richter Piano Course, Bk 1* Lulu.com (Accordion). 20 classic pop standards arranged for accordion are included in this collection: Annie's Song * Chances Are * For Once in My Life * Help Me Make It Through the Night * My Cherie Amour * Ramblin' Rose * (Sittin' On) The Dock of the Bay * That's Amore (That's Love) * Unchained Melody * and more.

Tome II The premise of Kitharologus is that Guitar technique is made up of a limited number of procedures with an unlimited number of applications. Therefore, a sound technical methodology is not one that tries to cover all possible forms of a given procedure, but rather one that identifies and trains the essential mechanism which makes the procedure, in all its forms, possible. Covering all grades from novice to expert, this book is certainly to be enthusiastically embraced by any classical guitarist wishing to maximize his technique. *Stars Illustrated Magazine.*

Accompanying the artist's
first full-scale survey
exhibition, this generously
illustrated book explores
Doug Aitken's work across
mediums, disciplines, and
themes. From
photography to
architecture, and from
video to spoken word,
Doug Aitken has delved
into a variety of art forms
to create a provocative
body of work. This volume
surveys the full scope and
depth of Aitken's work:
sound pieces, sculpture,

architectural experiments,
land art and happenings,
which embrace a
collaborative spirit across
disciplines and beyond
walls, to re-imagine the
nature of what a work of
art can be. Interspersed
with hundreds of color
illustrations, the book's
essays examine the
plethora of ideas the artist
tackles--from
environmental decay to
the end of linear time--
and explain how and why
Aitken challenges many
artistic barriers.
