No marriage of a major twentieth-century writer is quite as beguiling as that of Vladimir Nabokov's to Véra Slonim. She shared his delight at the enchantment of life's trifles and literature's treasures, and he rated her as having the best and quickest sense of humor of any woman he had met. From their first encounter in 1923, Vladimir's letters to Véra chronicle a half-century-long love story, one that is playful, romantic, and memorable. At the same time, the letters reveal much about their author. We see the infectious fascination with which Vladimir observed everything—animals, people, speech,

landscapes and cityscapes—and glimpse his ceaseless work on his poems, plays, stories, novels, memoirs, screenplays, and translations. This delightful volume is enhanced by twenty-one photographs, as well as facsimiles of the letters and the puzzles and drawings Vladimir often sent to Véra. With 8 pages of photographs and 47 illustrations in text

The author will be donating all US royalties due to him to support music education for children worldwide, through the New Hampshire Charitable foundation. Travel through the trees and across the seas with Maestro Mouse and his musical friends! Young readers will meet a big blue whale and speedy cheetahs, tiny beetles and graceful swans. Each has a special secret to share. Along the way, you might spot the surprises Maestro Mouse has left for you- a hiding buzzy bee, jumbled letters that spell out clues, and even a coded message to solve! Children and adults can enjoy this timeless picture book as a traditional read-along, or can choose to listen to original musical compositions as they read--one for each animal--with a free interactive smartphone app, which uses augmented reality to play the appropriate song for each page when a phone's camera is held over it.

Speed Demon Archipelago

What are demons? How do demons gain entry into people's lives? Do Christians need deliverance from demons? In this practical, comprehensive handbook on deliverance, author and Bible expositor Derek Prince addresses the fears and misconceptions often associated with the subject of demons. By sharing his own struggles with unseen forces, he encourages believers to become equipped to take action against these evil beings. He exposes their characteristics, activities, and entry points, and offers solid, down-to-earth advice on how to receive and minister deliverance--and how to remain free.

Caio Fernando Abreu is one of those authors who is picked up by every generation... In these surreal and gripping stories about desire, tyranny, fear, and love, one of Brazil's greatest queer writers appears in English for the first time In 18 daring, scheming stories filled with tension and intimacy, Caio Fernando Abreu navigates a Brazil transformed by the AIDS epidemic and stifling military dictatorship of the 80s. Tenderly suspended between fear and longing, Abreu's characters grasp for connection: A man speckled with Carnival glitter crosses a crowded dance floor and seeks the warmth and beauty of another body. A budding office friendship between two young men turns into a surprising love, “a strange and secret harmony.” One man desires another but fears a clumsy word or gesture might tear their plot to pieces. Abreu writes the stories of people whose intimate lives are on the verge of imploding at all times. Even simple gestures—a salvaged cigarette, a knock on the door from the hazy downpour of a dream, a tight-lipped smile—are precarious offerings. Junkies, failed revolutionaries, poets, and conflicted artists face threats at every turn. But, inwardly ferocious and secretly resilient, they heal. In these stories there is luminous memory and decay, and beauty on the horizon. Translated by Bruna Dantas Lobato, currently an Iowa Arts Fellow and MFA candidate in Literary Translation at the University of Iowa.

The final assault on Longview was going to do more than just destroy the town -- it was going to rip open the world. In the blackness surrounding the town he thought he could see Rangda's enormous maw, open and hungry, ready to devour. Jesse is a boy with a mysterious past. In and out of foster homes his whole life, he believes he was abandoned in Los Angeles as a baby. When he comes under the scrutiny of Homeland Security in an incident involving a mistaken identity, he starts learning some unsettling facts about himself. Now he is living with the Mindells in a small Midwestern town, and for the first time he feels like he may have a real home -- until Honor Clarke shows up. Ever since Honor and her mother moved back to town following the gruesome death of Honor's father, strange things have been happening. Someone is murdering birds and painting odd symbols all over town, and Jesse feels as if he's losing his mind. He starts to see a man no one else can see, he is having violent nightmares, and it all seems to be leading to one conclusion -- he is here for only one reason: to fight the evil that is Rangda, the Demon Queen, and her loyal follower, Honor Clarke, no matter the consequences. Richard Lewis brings Indonesian mythology and legend to the present day in this chilling novel of unimaginable horror.

A Thousand Years Sheet Music Workman Publishing

A bewitchingly brilliant collection of never-before-published letters from the renowned author of "The Lottery" and *The Haunting of Hill House* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS • "This biography-through-letters gives an intimate and warm voice to the imagination behind the treasury of uncanny tales that is Shirley Jackson's legacy."—Joyce Carol Oates Shirley Jackson is one of the most important American authors of the last hundred years and among our greatest chroniclers of the female experience. This extraordinary compilation of personal correspondence has all the hallmarks of Jackson's beloved fiction: flashes of the uncanny in the domestic, sparks of horror in the quotidian, and the veins of humor that run through good times and bad. I am having a fine time doing a novel with my left hand and a long story—with as many levels as grand central station—with my right hand, stirring chocolate pudding with a spoon held in my teeth, and tuning the television with both feet. Written over the course of nearly three decades, from Jackson's college years to six days before her early death at the age of forty-eight, these letters become the autobiography Shirley Jackson never wrote. As well as being a bestselling author, Jackson spent much of her adult life as a mother of four in Vermont, and the landscape here is often the everyday: raucous holidays and trips to the dentist, overdue taxes and frayed lines of Christmas lights, new dogs and new babies. But in recounting these events to family, friends, and colleagues, she turns them into remarkable stories: entertaining, revealing, and wise. At the same time, many of these letters provide fresh insight into the genesis and progress of Jackson's writing over nearly three decades. The novel is getting sadder. It's always such a strange feeling—I know something's going to happen, and those poor people in the book don't; they just go blithely on their ways. Compiled and edited by her elder son, Laurence Jackson Hyman, in consultation with Jackson scholar Bernice M. Murphy and featuring Jackson's own witty line drawings, this intimate collection holds the beguiling prism of Shirley Jackson—writer and reader, mother and daughter, neighbor and wife—up to the light.

Let's Summon Demons Broadview Press

In *Virtual Memory*, Hoday King traces the concept of the virtual through the philosophical works of Henri Bergson, Gilles Deleuze, and Giorgio Agamben to offer a new framework for thinking about film, video, and time-based contemporary art. Detaching the virtual from its contemporary associations with digitality, technology, simulation, and speed, King shows that using its original meaning—which denotes a potential on the cusp of becoming—provides the means to reveal the "analog" elements in contemporary digital art. Through a queer reading of the life and work of mathematician Alan Turing, and analyses of artists who use digital technologies such as Christian Marclay, Agnès Varda, and Victor Burgin, King destabilizes the analog/digital binary. By treating the virtual as the expression of powers of potential and change and of historical contingency, King explains how these artists transcend distinctions between disembodiment and materiality, abstraction and tangibility, and the unworldly and the earth-bound. In so doing, she shows how their art speaks to durational and limit-bound experience more than contemporary understandings of the virtual and digital would suggest.

In the summer of 1994, a workman at the historic mansion of railroad baron James J. Hill in St. Paul, Minnesota, stumbles on a long-hidden wall safe. When experts arrive to open the safe and examine its contents, they make an astonishing discovery. There, inside, is a handwritten manuscript bearing the signature of John H. Watson, M.D. The manuscript contains the story of how Sherlock Holmes and Watson traveled to Minnesota to track a murderous arsonist—known only as the Red Demon—who is threatening both Hill and his Great Northern Railway. Set against the backdrop of the real, devastating Hinckley forest fire of 1894, Sherlock Holmes and the Red Demon is the tense and atmospheric first novel in Larry Millett's classic series of adventures that brought Sherlock Holmes and Dr. Watson to Minnesota.

BLOODS AND CRYPTS Once again, America is under siege. A devastating terrorist attack has destroyed one of the nation's most treasured landmarks. With Mt. Rushmore now reduced to a pile of rubble, Major Josiah Key, commander of the secretive Cerberus Unit, is dispatched to hunt down the mastermind responsible: the most fanatically evil extremist the world has ever known. And he's hidden in the most isolated region of the Hindu Kush mountains of Afghanistan. Climbing to the fiend's remote, mysterious caves, the four-person Cerberus team encounters bloodless corpses that lead them to confront one of the greatest evils in human history: the Vetela...unholy creatures who inhabit the bodies of the dead and the source of all vampire legends. Their sole purpose is to guard the terrorist, and with his help, the Vetela, are finally ready to come into the light and lay waste to all humanity.

The Torture Letters Feral House

WINNER, Russell P. Strange Memorial Book of the Year Award from the Illinois State Historical Society, 2020! A vital lifeline to home during the Civil War, the letters of soldiers to their families and friends remain a treasure for those seeking to connect with and understand the most turbulent period of American history. Rather than focus on the experiences of a few witnesses, this impressively researched book documents 165 Illinois Civil War soldiers' and sailors' lives through the lens of their personal letters. Editor Mark Flotow chose a variety of letter writers who hailed from counties throughout the state, served in different branches of the military at different ranks, and represented the gamut of social experiences and war outcomes. Flotow provides extensive quotations from the letters. By allowing the soldiers to speak for themselves, he captures what mattered most to them. Illinois soldiers wrote about their reasons for enlisting; the nature of training and duties; necessities like eating, sleeping, marching, and making the best of often harsh and chaotic circumstances; Southern culture; slavery; their opinions of commanding officers and the president; disease, medicine, and hospitals; their prisoner-of-war experiences; and the ways they left the army. Through letters from afar, many soldiers sought to manage their homes and farms, while some single men attempted to woo their sweethearts. Flotow includes brief biographies for each soldier quoted in the book, weaves historical context and analysis with the letters, and organizes them by topic. Thus, intimate details cited in individual letters reveal their significance for those who lived and shaped this tumultuous era. The result is not only insightful history but also compelling reading.
