Tentang Janny Penulis : Swelly Wijaya Ukuran : 14 x 21 cm ISBN : 978-623-319-338-2 Terbit : Februari 2021 www.guepedia.com Sinopsis : Buku ini menceritakan tentang perjuangan dalam mendapatkan cinta, perjuangan mempertahankan cinta, hingga bagaimana mengikhhlaskan cinta. Dikemas dengan bahasa yang mudah dipahami. Tak hanya membahas cinta. Namun, buku ini juga membahas sebab dan akibat yang terjadi terhadap pergaulan bebas. Berdasarkan kisah nyata. www.guepedia.com Email : guepedia@gmail.com WA di 081287602508 Happy shopping & reading Enjoy your day, guys

A Textbook of Jurisprudence Springer Publishing Company

The only truly comprehensive guide to designing trademarks and logos -- from the initial idea to the final design.

Working with Contracts Cambridge University Press

The Handbook of Public Sector Economics builds an understanding of the role of public economics in public administration, public policy, and decision making. The handbook introduces a wide variety of current issues related to the public provision and production of goods and services. The volume documents the history of economics and fiscal doctrine, explores the theory of public goods and the structures from which resources are collected and expanded, and analyzes heavily debated issues of economics that are important to current and future practitioners of public policy and administration. It focuses on the effects of fiscal policy on savings and investment, consumer behavior, labor supply, wealth, property, and trade. Written in a simple and straightforward style, the initial chapters establish the foundation of public economics, with the subsequent chapters addressing the collection and distribution of government resources and market reactions to fiscal policies.

Breakthrough Strategic IT and Process Planning Oxford University Press, USA

The act of deliberation is the act of reflecting carefully on a matter and weighing the strengths and weaknesses of alternative solutions to a problem. It aims to arrive at a decision or judgment based not only on facts and data but also on values, emotions, and other less technical considerations. Though a solitary individual can deliberate, it more commonly means making decisions together, as a small group, an organization, or a nation. Political Communication and Deliberation takes a unique approach to the field of political communication ...

Psychosocial Issues in Palliative Care Practising Law Institute

The law developed by the ancient Romans remains a powerful legal and political instrument today. In The Roman Law Tradition a general editorial introduction complements a series of more detailed essays by an international team of distinguished legal scholars exploring the various ways in

which Roman law has affected and continues to affect patterns of legal decision-making throughout the world.

A Picture Book of Anne Frank Sage Publications (CA)

Bulrb Suci, seorang gadis perantau. Dihadapkan oleh hal-hal mistis karena menempati sebuah rumah baru. Hampir disetiap malam ia harus terjaga untuk menghindari datangnya makhluk tak kasat mata melalui mimpinya. Ia bersama Anshor-kakaknya dan Bara-temannya harus memecahkan misteri ini jika ingin selamat. Akankah mereka bisa melewati semuanya? Atau justru mereka masuk ke dalam perangkap syetan yang terkutuk? SAGE

This book provides the historical and political context to explain acts of terror, including the September 11th, and the bombing of American Embassies in Nairobi and Dar as Salaam and the West's responses. Providing a brief history of Islam as a religion and as socio-political ideology, Dilip Hiro goes on to outline the Islamist movements that have thrived in Egypt, Saudi Arabia and Afghanistan, and their changing relationship with America. It is within this framework that the rising menace of Osama bin Laden and his Al Qaida network is discussed. The Pentagon's amazingly swift victory over the Taliban in Afghanistan is examined along with implications of the Bush Doctrine, encapsulated in his declaration, 'so long as anybody is terrorizing established governments, there needs to be a war' - a recipe for war without end.

[Intelligent Data Engineering and Automated Learning -- IDEAL 2013](#) Routledge

"A genuine one-stop reference point for the many, many differing strands of cultural analysis. This isn't just one contender among many for the title of 'best multidisciplinary overview'; this is a true heavyweight." - Matt Hills, Cardiff University "An achievement and a delight - both compelling and useful." - Beverley Skeggs, Goldsmiths, University of London With the 'cultural turn', the concept of culture has assumed enormous importance in our understanding of the interrelations between social, political and economic structures, patterns of everyday interaction, and systems of meaning-making. In The SAGE Handbook of Cultural Analysis, the leading figures in their fields explore the implications of this paradigm shift. Part I looks at the major disciplines of knowledge in the humanities and social sciences, asking how they have been reshaped by the cultural turn and how they have elaborated distinctive new objects of knowledge. Parts II and III examine the questions arising from a practice of analysis in which the researcher is drawn reflexively into the object of study and in which methodological frameworks are rarely given in advance. Addressed to academics and advanced students in all fields of the social sciences and humanities, The SAGE Handbook of Cultural Analysis is at once a synthesis of advances in the field, with a comprehensive coverage of the scholarly literature, and a collection of original and provocative essays by some of the brightest intellectuals of our time.

[Gobi](#) Faber & Faber

"Thussu brings to this project the passion for news of a socially committed former journalist, the political economy of his international relations education and a formidable assembly of global detail, examining the recent explosion of 'infotainment'." - John Downing, Southern Illinois University "Thussu's account of war as infotainment, the Bollywoodization of news and the emergence of a global infotainment sphere is as compelling as it is alarming. This is a significant and essential book for anyone interested in exploring the connections between news journalism, informed citizenship and democracy." - Bob Franklin, The Cardiff School of Journalism, Media and Cultural Studies Richly detailed and empirically grounded, this first book-length study of infotainment and its globalization by a leading scholar of global communication, offers a comprehensive and critical analysis of this emerging phenomenon. Going beyond - both geographically and theoretically - the 'dumbing down' discourse, largely confined to the Anglo-American media, the book argues that infotainment may have an important ideological role, a diversion in which 'soft news' masks the hard realities of neo-liberal imperialism. Chapters include a historical appraisal of infotainment; the infrastructure for its globalization as well as coverage of recent wars on television news as high-tech infotainment and the growing synergies between Hollywood and Bollywood-originated infotainment. A 'global infotainment sphere' is emerging, the book argues, within which competing versions of news - from 24/7 news networks to bloggers - coexist. Accessible, engagingly written and robustly argued, the book combines analyses of theoretical debates on infotainment with extensive and up-to-date comparative data.

An important part of the vision of the Association of Southeast Asian Nations (ASEAN) is to ensure that the benefits of development and economic integration are equitably shared by all member states and their citizens. ASEAN's work therefore aims to narrow the development gap between ASEAN member states (Indonesia, Malaysia, the Philippines, Singapore, Thailand, Brunei Darussalam, Myanmar, Cambodia, Laos and Vietnam) and between sub-regions within ASEAN. Written by a team of internationally recognised experts in development economics, this book communicates the latest findings on narrowing the development gap in a practical, policy-relevant way, in a format that can influence decision makers within ASEAN member states and international donors. There have been significant development achievements in many ASEAN countries over the last 20 years, but the ASEAN region continues to be characterised by significant development gaps, particularly in income. Gaps in development achievement are also seen at the regional and sub-national levels. This book offers a better understanding of development gaps, as they exist in 2012, and provides important context that can inform the strategic needs of decision makers in the ASEAN region. Due to improvements in conceptualising and measuring well-being, including through the use of multidimensional indicators, this book gives policy makers and scholars in development economics, development policy and Asian studies well-grounded insights into the nature of the development gaps within and between ASEAN countries as well as high-level policy advice on those interventions that can contribute to a narrowing of the development gap.

[War without End](#) Routledge

Judul : Tangisan Mentari Penulis : Santy Syafaat Ukuran : 14,5 x 21 cm Tebal : 288 Halaman No SIBN : 978-623-497-071-5 Tahun Terbit : September 2022 SINOPSIS Mata yang indah, kini sembab. Mata yang bening, dipenuhi awan hitam. Mengalirkan luka, memenuhi hati dan jiwa. Mentari berdiri di depan panti asuhan. Di kota yang sangat asing. Ia terbuang karena virus HIV. Keluarganya kehilangan kekerabatan dan nurani. Tuhan, kemana kaki ini akan melangkah. Mengapa jalanku penuh onak dan duri. Tuhan, aku masih sangat kecil. Usiaku baru tiga belas tahun. Mengapa diskriminasi melukaiku. Kutatap lagi panti asuhan yang berdiri megah. Hingga kuputusan berjalan masuk. Aku tidak punya pilihan, perutku lapar, tenggorokanku kering. Kulitku terpanggang matahari. Aku butuh tempat berteduh, aku harus tetap hidup. Stigma membuat Mentari memutuskan pergi. Kemana, ia tidak tahu..... Jantungnya tak lagi berdetak. Ketika kembali terjatuh dan tak lagi bernafas, Tuhan mengirim dewa penolong. Seorang laki-laki yang mengorbankan hidupnya untuk Mentari. Mentari mulai melukis sketsa kehidupan dalam kanfas imajinasi. Merenda impian yang hilang. Lalu berjalan menantang badai kehidupan, menaklukan Jakarta agar bisa berdiri di atas podium yang megah untuk membuka mata keluarganya yang sudah membuangnya. Mentari ingin lukisan dan desain busananya diperbincangkan dunia. (***)

Analyzing the development of small and medium enterprises (SMEs) in Asian developing countries, the book is based on a survey of key literature and data on SMEs with the focus on; recent development, export performance, main constraints, competitiveness, innovation and technology transfer, and female entrepreneurs.

[Tangisan Mentari](#) New Directions Publishing

This book constitutes the refereed proceedings of the 14th International Conference on Intelligent Data Engineering and Automated Learning, IDEAL 2013, held in Hefei, China, in October 2013. The 76 revised full papers presented were carefully reviewed and selected from more than 130 submissions. These papers provided a valuable collection of latest research outcomes in data engineering and automated learning, from methodologies, frameworks and techniques to applications. In addition to various topics such as evolutionary algorithms, neural networks, probabilistic modelling, swarm intelligent, multi-objective optimisation, and practical applications in regression, classification, clustering, biological data processing, text processing, video analysis, including a number of special sessions on emerging topics such as adaptation and learning multi-agent systems, big data, swarm intelligence and data mining, and combining learning and optimisation in intelligent data engineering.

[The Modern Law of Contract](#) Routledge

Software quality stems from two distinctive, but associated, topics in software engineering: software functional quality and software structural quality. Software Quality Engineering studies the tenets of both of these notions, which focus on the efficiency and value of a design, respectively. The text addresses engineering quality on both the application and system levels with attention to Information Systems and Embedded Systems as well as recent developments. Targeted at graduate engineering students and software quality specialists, the book analyzes the relationship between functionality and quality with practical applications to related ISO/IEC JTC1 SC7 standards.

The Surprise Family Cambridge University Press

" This text, the only book of its kind, describes recent innovations in defining and assessing family problems and family violence. It provides a framework for improving global assessment of relational processes as addressed in the ICD-11. The book includes a complete set of practical clinical and public health tools--easily implemented across a wide range of settings--for defining, screening, and assessing family violence in accordance with these new definitions. It r.eviews the impact of family violence on all aspects of physical and mental health and economic wellbeing, including global considerations of cross-cultural relationship assessment, and provides recommendations for modifications and cross-cultural validation. "
