Excerpt from The Works of Augustus M. Toplady, A. B, Vol. 3 of 6: Late Vicar of Road Hembury, Devon Unto Timothy, my own son in the faith; grace, mercy, and peace, from God our Father, and from the Lord Jesus Christ. Some have thought that Timothy was not converted under the ministry of St. Paul; and they ground their conjecture on Acts xvi. 1, 2. Where Timothy is mentioned as a disciple, and a person -well reported of by the Chris tians at Derbe and Lystra, previous to St. Paul's visitation of those places. That Timothy was a nominal professor of religion, and a youth of circum spect behaviour, are evident from that passage: which external form of godliness was, probably, the effect of the religious'r education he had the hap piness to receive from his earliest childhood. But, from St. Paul's compellation of him as his own son in the faith it may, I think, be reasonably inferred. During the lifetime of Augustus (from 63 B.C. to A.D. 14), Roman civilization spread at a remarkable rate throughout the ancient world, influencing such areas as art and architecture, religion, law, local speech, city design, clothing, and leisure and family activities. In his newest book, Ramsay

MacMullen investigates why the adoption of Roman ways was so prevalent during this period. Drawing largely on archaeological sources, MacMullen discovers that during this period more than half a million Roman veterans were resettled in colonies overseas, and an additional hundred or more urban centers in the provinces took on normal Italian-Roman town constitutions. Great sums of expendable wealth came into the hands of ambitious Roman and local notables, some of which was spent in establishing and advertising Roman ways. MacMullen argues that acculturation of the ancient world was due not to cultural imperialism on the part of the conquerors but to eagerness of imitation among the conquered, and that the Romans were able to respond with surprisingly effective techniques of mass production and standardization.

The Works of Augustus M. Toplady, A. B., Late Vicar of Broad Hembury, Devon, Vol. 4 of 6 (Classic Reprint) Palala Press

Excerpt from The Works of Augustus M. Toplady, A. B., Late Vicar of Broad Hembury, Devon, Vol. 4 of 6 Coming acquainted with the famous Mr. George Wishart (afterwards martyred for the protestant faith), it pleased God so to bless the conversation of that holy man to Mr. Knox, that it issued in the effectual conversion of the latter: who, being very honest, and very courageous, published a confession of his faith, at Edinburgh, in which he boldly and clearly avowed the blessed principles of the reformation. The Romish bishops and clergy, alarmed at the open defection of so eminent a man, and who had taken priest's orders in their church but a few years before, endeavoured first to suppress his book, and then to seize the author himself. He was accordingly apprehended, and condemned to suffer death; but by the good providence of God, being set at liberty, he left his native country and retired to Berwick, from whence he proceeded to Newcastle, and then to Warwick; in all which places, he preached the gospel in its purity, with great zeal and unremitting labour, and with success equal to both; so that his name now became more public and diffused than

ever. Edward VI. Was then king of England. The fame of Mr. Knox soon reached the ears of that excellent prince; who showed him no small favour and encouragement. His majesty first made him his own chaplain, and then licensed him as one of the six itinerant ministers, who were empowered to preach the gospel in all places throughout the king dom. In process of time Edward offered him a bishopric; which, however, Mr. Knox declined to accept. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. "This commentary pays close critical attention to Dio's historical sources, methods, and assumptions as it also strives to present him as a figure in his own right. During a long life (ca. 164-after 229), Dio served as a Roman senator under seven emperors from Commodus to Severus Alexander, governed three Roman provinces, and was twice consul."--BOOK JACKET.

Excerpt from The Works of Augustus M. Toplady, A. B, Vol. 2 of 6: Late Vicar of Broad Hembury, Devon Add to this, that, according to the said Heylyn, the order for removing altars, and placing communion tables in their room, was chiefly owing to the influence of Calvin. The great business of this year was the taking down of altars in many places, by public authority: which, in some few, had formerly been pulled down by the irregular forwardness of the common people. The principal motive whereunto was, in the first place, the opinion of some dislikes which had been taken by Calvin against the (first) liturgy (d). The great modern biography of Augustus, founder of the Roman Empire Born to a plebeian family in 63 BC, Octavian was a young soldier training abroad when he heard news of Julius Caesar's brutal assassination - and discovered that he was the dictator's sole political heir. With the opportunism and instinct for propaganda that were to characterize his rule, Octavian rallied huge financial, military and political backing to eliminate his opponents, end the bloody turmoil that had so long wracked Rome and, finally, take autocratic control of a state devoted to republicanism. He became Augustus - Rome's first Emperor, and the founder of the greatest empire the world had ever seen. In this monumental biography, translated into English for the first time by Anthea Bell, Jochen Bleicken tells the story of a man who found himself a demi-god in his own lifetime and paints a portrait of one of the most dramatic periods of Roman history.
