face2face Upper Intermediate Workbook with Key Cambridge University Press

This course translates the theory of task-based learning into a practical and user-friendly coursebook, recognizing that the performance of regular spoken and written tasks is crucial to successful language acquisition. It combines elements of the task-based approach with a strong emphasis on vocabulary, alongside a comprehensive grammar and skills syllabus.

*Just Listening and Speaking* Cambridge University Press

face2face is a six level general English course for adults and young adults. It goes from Starter level through to Advanced. The Student's Book provides approximately 80 hours of core teaching material, which can be extended to 120 hours with the inclusion of the photocopiable resources and extra ideas in the Teacher's Book. Each self-contained double-page lesson is easily teachable off the page with minimal preparation. The Student's Book comes packaged with a free fully-interactive CD-ROM/Audio CD with over 200 exercises in all language areas, including video, games, recording capability, progress chart and customised tests. There is also a selection of material from the Real World lessons which can be listened to on normal CD players.
