The Alpha Claim Series Book Bundle 1-3 (A Rejected Mates Vampire Shifter Dark Romance) OUP Oxford

This bundle contains books seven to nine of the Hunter Elite Series. Hunting A Relic: Succumbing to Alakay's master vampire power, Ari becomes his unwilling servant. Luckily, she isn't alone in the lair he's chosen to lurk in. She makes an unlikely friend who could turn out to be beneficial to her in the long run. All she has to do is pretend she isn't an evil, soulless monster now. How hard could that be? The Hunter Elite and Jake Everett desperately search for a way to retrieve Ari's soul. When a solution is presented to them, Jake must make a deal that will be filled with peril. If they wish to succeed, they'll need Ari's cooperation to accomplish it. Now that she's become a full vampire, they all know it won't be easy to get her to see

reason. The team will need to split up as they all tackle their separate tasks. They will face dangerous foes and some will travel to realms they'd never expected, or wanted to visit. They will become allies with creatures they are normally enemies with to serve a common goal, but their alliance will be shaky. Ari finally embarks on the mysterious task to retrieve a relic from somewhere no one has ever returned from before. It will be her most hazardous mission so far and even with her magical abilities, she isn't sure she'll succeed. The worst part is that she won't be going alone. She'll have company she would rather see dead than to be partnered with. Hunting The Dark: Ari finally gets a chance to contact the pixies. It is her hope that they will give her some of their magical dust so she can cast the spell that will nullify Spencer's control over the people she loves. Their assistance won't be free. They require her to perform a difficult and dangerous task before they'll hand over their dust. Before she can tackle that problem, Von Hades sends the Hunter Elite out on a new mission. This one is stranger than most and their foes are both deadly and elusive. It isn't going to be easy to hunt the Dark and survive. Jake Everett and his small sidekick, Rudy, will be joining them. Until their war with the demon, the witch and the druids is over, they'll be sticking together. Morgwen returns from her journey through the portal to another realm. She had brought allies that can kill with one touch with her. The Earth has never seen their like before and even Spencer is fearful that the witch's army might not be stoppable. Enemies will have to band together to have a chance of defeating their mutual nemesis. Hunting A Dragon: Ari now has everything she needs to break her

friends and herself free from Spencer Von Hades' thralldom. They are all aware that doing so will turn them into the demon's enemy. With Morgwen and her army of dead, undead and Dread Wraiths to contend with, they have to hope he will focus on her rather than on them. In order to defeat Morgwen, they need the relic Ari retrieved from the Deadworld. Unfortunately, Spencer has it locked away and under guard in one of his enchanted mansions. Stealing it from him won't be easy. They will have to utilize their various skills in order to achieve their goal. Harrow and his druids now have the mask of a long-dead demigod in their possession. Once it has been repaired, whoever wears it could become even more dangerous than Morgwen. Faced with three powerful enemies, the Hunter Elite will need the help of an ally that vanished from Earth thousands of years ago. They fear that only a dragon will have the power they need to vanquish their foes.

Hatushaly and his young wife Hava have arrived in the prosperous trading town of Beran's Hill to restore and reopen the fire-damaged Inn of the Three Stars. They are also preparing for the popular midsummer festival, where their friends Declan and Gwen will be wed. But Hatu and Hava are not the ordinary loving couple they appear to be.  "It's history that reads like a race-against-the-clock thriller." —Harlan Coben
 Daniel Stashower, the two-time Edgar award-winning author of *The Beautiful Cigar Girl*, uncovers the riveting true story of the "Baltimore Plot," an audacious conspiracy to assassinate Abraham Lincoln on the eve of the Civil War in *THE HOUR OF PERIL*. In February of 1861, just days before he assumed the presidency, Abraham Lincoln faced a "clear and fully-matured" threat of assassination as he traveled by train from Springfield to Washington for his inauguration. Over a period of thirteen days the legendary detective Allan Pinkerton worked feverishly to detect and thwart the plot, assisted by a captivating young widow named Kate Warne, America's first female private eye. As Lincoln's train rolled inexorably toward "the seat of danger," Pinkerton struggled to unravel the ever-changing details of the murder plot, even as he contended with the intractability of Lincoln and his advisors, who refused to believe that the danger was real. With time running out Pinkerton took a desperate gamble, staking Lincoln's life—and the future of the nation—on a "perilous feint" that seemed to offer the only chance that Lincoln would survive to become president. Shrouded in secrecy—and, later, mired in controversy—the story of the "Baltimore Plot" is one of the great untold tales of the Civil War era, and Stashower has crafted this spellbinding historical narrative with the pace and urgency of a race-against-the-clock thriller.
